*Preliminary, subject to change based on bid structures. See "THE CERTIFICATES - MATURITY SCHEDULE" and "THE CERTIFICATES – ADJUSTMENT OF PRINCIPAL AMOUNT AND MATURITY SCHEDULE FOR THE CERTIFICATES" in the Official Notice of Sale relating to the Certificates.

(this page intentionally left blank)

This Official Notice of Sale does not alone constitute an invitation for bids but is merely notice of sale of the Certificates defined and described herein. The invitation for bids on the Certificates is being made by means of this Official Notice of Sale, the Official Bid Form and the Preliminary Official Statement.

The Issuer will designate the Certificates as “Qualified Tax-Exempt Obligations” for financial institutions.

OFFICIAL NOTICE OF SALE

\$9,865,000*

CITY OF DUMAS, TEXAS

(A political subdivision of the State of Texas located in Moore County, Texas)

COMBINATION TAX AND LIMITED PLEDGE REVENUE CERTIFICATES OF OBLIGATION, SERIES 2021

CERTIFICATES OFFERED FOR SALE AT COMPETITIVE BID: The City Commission (the “City Commission”) of the City of Dumas, Texas (the “City” or the “Issuer”) is offering for sale at competitive bid its \$9,865,000 Combination Tax and Limited Pledge Revenue Certificates of Obligation, Series 2021 (the “Certificates”).

BIDS BY INTERNET: Interested bidders may, at their option and risk, submit their bid by electronic media, as described below, by 10:30 A.M., Central Time, on Tuesday, March 16, 2021. Bidders submitting a bid by internet shall not be required to submit signed Official Bid Forms prior to the award. Any prospective bidder that intends to submit an electronic bid must submit its electronic bid via the facilities of the i-Deal, LLC Parity System (“PARITY”) and should, as a courtesy, register with PARITY by 9:00 A.M., Central Time, on Tuesday, March 16, 2021 indicating their intent to submit a bid by internet.

In the event of a malfunction in the electronic bidding process, bidders may submit their bids by email to mmcliney@samcocapital.com. If there is a malfunction of the electronic bidding process and a bidder submits a bid via email please call 210-832-9760 to notify the Financial Advisor (defined below) of the incoming bid. Any bid received after the scheduled time for their receipt will not be accepted.

The official time for the receipt of bids shall be the time maintained by PARITY. All electronic bids shall be deemed to incorporate the provisions of this Official Notice of Sale, Official Bid Form and the Preliminary Official Statement. To the extent that any instructions or directions set forth in PARITY conflict with this Official Notice of Sale, the terms of this Official Notice of Sale shall control. For further information about the PARITY System, potential bidders may contact PARITY, c/o Ipreo Holdings LLC, 1359 Broadway, New York, New York 10018, 212-849-5021.

An electronic bid made through the facilities of PARITY shall be deemed an irrevocable offer to purchase the Certificates on the terms provided in this Official Notice of Sale, and shall be binding upon the bidder as if made by a signed sealed bid delivered to the City. The City shall not be responsible for any malfunction or mistake made by, or as a result of the use of PARITY, the use of such facilities being at the sole risk of the prospective bidder.

OPENING OF BIDS: Bids will be opened and publicly read at 10:30 A.M., Central Time, on Tuesday, March 16, 2021, following which the bids will be evaluated by SAMCO Capital Markets, Inc. (the “Financial Advisor”) and the City Commission shall provide final approval of the award at a City Commission meeting at 11:30 A.M. The Mayor of the City or his representative shall award the Certificates as described in the section entitled “AWARD AND SALE OF THE CERTIFICATES” below.

AWARD AND SALE OF THE CERTIFICATES: By 11:30 A.M. Central Time, on the date set for receipt of bids, the Mayor of the City or his representative shall award the Certificates to the **low qualified bidder (the “Winning Bidder”), as described in the section entitled “CONDITIONS OF SALE – Basis of Award” herein subject to final approval of the City Commission which will take action to adopt an ordinance (the “Ordinance”)** authorizing the issuance and awarding sale of the Certificates or will reject all bids promptly at a scheduled meeting to commence at 11:30 A.M. Central Time on Tuesday, March 16, 2021. The City reserves the right to reject any or all bids and to waive any irregularities, except time of filing.

*Preliminary, subject to change based on bid structures. See “THE CERTIFICATES – ADJUSTMENT OF PRINCIPAL AMOUNT AND MATURITY SCHEDULE FOR THE CERTIFICATES” herein.

THE CERTIFICATES

DESCRIPTION OF CERTAIN TERMS OF THE CERTIFICATES: The Certificates will be dated April 1, 2021 (the “Dated Date”) with interest to accrue from the Dated Date and be payable initially on March 1, 2022, and semiannually on each March 1 and September 1 thereafter until the earlier of stated maturity or prior redemption. The Certificates will be issued as fully registered Certificates in book-entry form only and when issued will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC will act as securities depository (the “Securities Depository”). Book-entry interests in the Certificates will be made available for purchase in the principal amount of \$5,000 or any integral multiple thereof within a stated maturity. Purchasers of the Certificates (“Beneficial Owners”) will not receive physical delivery of certificates representing their interest in the Certificates purchased. So long as DTC or its nominee is the registered owner of the Certificates, the principal of and interest on the Certificates will be payable by BOKF, NA, Dallas, Texas, as Paying Agent/Registrar, to the Securities Depository, which will in turn remit such principal and interest to its Participants, which will in turn remit such principal and interest to the Beneficial Owners of the Certificates. (See “BOOK-ENTRY-ONLY SYSTEM” in the Preliminary Official Statement.) The Certificates will be stated to mature on September 1 in each of the following years in the following amounts:

MATURITY SCHEDULE (Due September 1)

Stated Maturity	Principal Amount*	Stated Maturity	Principal Amount*
2022	\$ 245,000	2032	\$ 500,000
2023	375,000	2033	515,000
2024	385,000	2034	530,000
2025	400,000	2035	550,000
2026	410,000	2036	565,000
2027	425,000	2037	585,000
2028	440,000	2038	605,000
2029	455,000	2039	625,000
2030	465,000	2040	645,000
2031	480,000	2041	665,000

ADJUSTMENT OF PRINCIPAL AMOUNT AND MATURITY SCHEDULE FOR THE CERTIFICATES: The City reserves the right to increase or decrease the principal (maturity) amount of any maturity of the Certificates, including the elimination of a maturity or maturities; provided, however, that the aggregate principal (denominational) amount of the Certificates shall not exceed \$9,865,000. Notice of any such changes shall be given to the successful bidder as soon as practicable following the notification of award, as described below, and this Notice of Sale may be amended at the sole discretion of the City to reflect such increase or decrease. The City will attempt to maintain total per bond underwriter spread when adjusting maturities. No such adjustment will have the effect of altering the basis upon which the best bid is determined. The successful bidder may not withdraw its bids or change the rates bid or any initial reoffering prices as a result of any changes made to the principal (denominational) amounts.

SERIAL CERTIFICATES AND/OR TERM CERTIFICATES: Bidders may provide that all of the Certificates be issued as serial maturities or may provide that any two or more consecutive annual principal amounts be combined into one or more term certificates, not to exceed five term certificates (the “Term Certificates”).

MANDATORY SINKING FUND REDEMPTION: If the Winning Bidder designates principal amounts to be combined into one or more Term Certificates, each such Term Certificate will be subject to mandatory sinking fund redemption commencing on September 1 of the first year which has been combined to form such Term Certificate and continuing on September 1 in each year thereafter until the stated maturity date of that Term Certificate. The amount redeemed in any year will be equal to the principal amount for such year set forth in the table above under the caption “MATURITY SCHEDULE”. Certificates to be redeemed in any year by mandatory sinking fund redemption will be redeemed at par and will be selected by lot from among the Certificates then subject to redemption. The City, at its option, may credit against any mandatory sinking fund redemption requirement Term Certificates of the maturity then subject to redemption which have been purchased and canceled by the City or have been optionally redeemed and not theretofore applied as a credit against any mandatory sinking fund redemption requirement.

OPTIONAL REDEMPTION: The City reserves the right, at its option, to redeem the Certificates maturing on or after September 1, 2031, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof, on September 1, 2030, or any date thereafter, at the redemption price of par plus accrued interest to the date of redemption as further described in the Preliminary Official Statement.

*Preliminary, subject to change. See “THE CERTIFICATES – ADJUSTMENT OF PRINCIPAL AMOUNT AND MATURITY SCHEDULE FOR THE CERTIFICATES”.

SECURITY FOR PAYMENT: The Certificates are being issued pursuant to the Constitution and general laws of the State of Texas (the "State"), including the Certificate of Obligation Act of 1971 (Sections 271.041 through 271.064, Texas Local Government Code, as amended), Chapter 1502, as amended, Texas Government Code, an ordinance (the "Ordinance") to be adopted by the City Commission on March 16, 2021, and the City's Home Rule Charter and are payable primarily from an ad valorem tax levied against all taxable property therein, within the limits prescribed by law, and are further payable from and secured by a lien on and pledge of the Pledged Revenues (identified and defined in the Ordinance), being a limited amount of the Net Revenues derived from the operation of the City's combined utility system (the "System"), not to exceed \$1,000 during the entire period the Certificates or interest thereon remain outstanding, such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge of such Net Revenues securing payment of the currently outstanding Surplus Lien Obligations, and any Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations or Additional Surplus Lien Obligations hereafter issued by the City. The City previously authorized the issuance of the currently outstanding Surplus Lien Obligations (identified and defined in the Ordinance) which are payable, in part, from and secured by a lien on and pledge of surplus Net Revenues of the System in the manner provided in the ordinance authorizing the issuance of the currently outstanding Surplus Lien Obligations. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, Additional Surplus Lien Obligations, and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise.

OTHER TERMS AND COVENANTS: Other terms of the Ordinance and the various covenants of the City contained in the Ordinance are described in the Official Statement, to which reference is made for all purposes.

SUCCESSOR PAYING AGENT/REGISTRAR: The initial Paying Agent/Registrar is BOKF, NA, Dallas, Texas. In the Ordinance, the City covenants to provide a Paying Agent/Registrar at all times while the Certificates are outstanding, and any Paying Agent/Registrar selected by the City shall be a commercial bank or trust company organized under the laws of the United States and any state and duly qualified and legally authorized to serve and perform the duties of the Paying Agent/Registrar for the Certificates. The Paying Agent/Registrar will maintain the Security Register containing the names and addresses of the registered owners of the Certificates.

In the Ordinance, the City retains the right to replace the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the City, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same capacity as the previous Paying Agent/Registrar. Any successor Paying Agent/Registrar, selected at the sole discretion of the City, shall be qualified as described in the Preliminary Official Statement. Upon a change in the Paying Agent/Registrar for the Certificates, the City agrees to promptly cause written notice thereof to be sent to each registered owner of the Certificates by United States mail, first-class, postage prepaid.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Certificates will be sold in one block on an "All or None" basis, and at a price of not less than their par value, plus accrued interest on the Certificates from the Dated Date of the Certificates to the date of Initial Delivery (defined herein) of the Certificates. **No bid producing a cash premium on the Certificates that results in a dollar price of less than 101% will be considered; provided, however, that any bid is subject to adjustment as described under the caption "ADJUSTMENT OF INITIAL PRINCIPAL AMOUNTS".** Bidders are invited to name the rate(s) of interest to be borne by the Certificates, provided that each rate bid must be in a multiple of 1/8 of 1% or 1/20 of 1% and the net effective interest for the Certificates (calculated in the manner required by Chapter 1204, as amended, Texas Government Code) must not exceed 15%. **The highest rate bid may not exceed the lowest rate bid by more than 300 basis points (or 3% in rate). No limitation is imposed upon bidders as to the number of rates or changes which may be used.** All Certificates of one stated maturity must bear one and the same rate. No bids involving supplemental interest rates will be considered.

BASIS OF AWARD: The sale of the Certificates will be awarded to the bidder making a bid that conforms to the specifications herein (the "Winning Bidder" or "Purchaser") and **which produces the lowest True Interest Cost** (defined herein) rate to the City. The "True Interest Cost" rate is that rate which, when used to compute the total present value as of the Dated Date of all debt service payments on the Certificates on the basis of semi-annual compounding, produces an amount equal to the sum of the par value of the Certificates plus the premium bid (but not interest accrued from the Dated Date to the date of their initial delivery to the Purchaser). In the event of a bidder's error in interest cost rate calculations, the interest rates, and premium, set forth in the Official Bid Form will be considered as the intended bid.

In order to provide the City with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended (the "Code") to the date of initial delivery of the Certificates, relating to the excludability of interest on the Certificates from the gross income of their owners, the Purchaser will be required to complete, execute, and deliver to the City (on or before the date of initial delivery of the Certificates) a certification as to their initial offering prices of the Certificates (the "Issue Price Certificate") substantially in the form and to the effect attached hereto or accompanying this Official Notice of Sale (see "ESTABLISHMENT OF ISSUE PRICE" herein).

ESTABLISHMENT OF ISSUE PRICE:

- (a) The Winning Bidder shall assist the City in establishing the issue price of the Certificates and shall execute and deliver to the City by the Delivery Date an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public, together with the supporting pricing wires or equivalent communications, such issue price certificate substantially in the form attached hereto, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Winning Bidder, the City, and Norton Rose Fulbright US LLP, the City's Bond Counsel (but not to the extent that would preclude the establishment of issue price of the Certificates under applicable federal regulations). All actions to be taken by the City under this Official Notice of Sale to establish the issue price of the Certificates may be taken on behalf of the City by the City's Financial Advisor and any notice or report to be provided to the City may be provided to the City's Financial Advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Certificates) will apply to the initial sale of the Certificates (the “competitive sale requirements”) because:

- (1) the City shall disseminate this Official Notice of Sale to potential underwriters (defined below) in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Certificates to the bidder who submits a firm offer to purchase the Certificates at the highest price (or lowest interest cost), as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of the Certificates, as specified in the bid.

(c) In the event that the competitive sale requirements are not satisfied, the City shall so advise the Winning Bidder. In such event, the City intends to treat the initial offering price to the public (defined below) as of the sale date (defined below) of each maturity of the Certificates as the issue price of that maturity (the “hold-the-offering-price rule”). The City shall promptly advise the Winning Bidder, at or before the time of award of the Certificates, if the competitive sale requirements were not satisfied, in which case the hold-the-offering-price rule shall apply to the Certificates. **Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied and the hold-the-offering-price rule applies.** In the event that the competitive sale requirements are not satisfied, resulting in the application of the hold-the-price rule, the issue price certificate shall be modified as necessary in the reasonable judgment of Bond Counsel and the City.

(d) By submitting a bid, the Winning Bidder shall (i) confirm that the underwriters have offered or will offer the Certificates to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the Winning Bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Certificates, that the underwriters will neither offer nor sell unsold Certificates of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

The Winning Bidder will advise the City promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

(e) The City acknowledges that, in making the representations set forth above, the Winning Bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Certificates to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a retail or other third-party distribution agreement that was employed in connection with the initial sale of the Certificates to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering price rule, if applicable to the Certificates, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail or other third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule as applicable to the Certificates.

(f) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail or other third-party distribution agreement, as applicable, to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Winning Bidder and as set forth in the related pricing

wires, (ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Certificates to the public to require each broker-dealer that is a party to such third-party distribution agreement to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Winning Bidder or the underwriter and as set forth in the related pricing wires.

(g) Sales of any Certificates to any person that is a related party (defined below) to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this section of the Official Notice of Sale entitled "ESTABLISHMENT OF ISSUE PRICE":

- (1) "public" means any person other than an underwriter or a related party,
- (2) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Certificates to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Certificates to the public (including a member of a selling group or a party to a retail or other third-party distribution agreement participating in the initial sale of the Certificates to the public),
- (3) a purchaser of any of the Certificates is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (4) "sale date" means the date that the Certificates are awarded by the City to the Winning Bidder.

ADJUSTMENT OF INITIAL PRINCIPAL AMOUNTS: See "THE CERTIFICATES – ADJUSTMENT OF PRINCIPAL AMOUNT AND MATURITY SCHEDULE FOR THE CERTIFICATES" for a description of the City's reservation of the right to increase or decrease the principal (maturity) amount of any maturity of the Certificates, including the elimination of a maturity or maturities.

GOOD FAITH DEPOSIT: A bank cashier's check payable to the order of "City of Dumas, Texas" in the amount of \$197,300, which is 2% of the par value of the Certificates (the "Good Faith Deposit"), is required. The Good Faith Deposit will be retained uncashed by the City until the Certificates are delivered, and at that time it will be returned to the Purchaser uncashed on the date of delivery of the Certificates; however, should the Purchaser fail or refuse to take up and pay for the Certificates, said Good Faith Deposit is to be cashed by the City and the proceeds accepted as full and complete liquidated damages. The above mentioned Good Faith Deposit may accompany the bid, or it may be submitted separately; however, if submitted separately, it shall be made available to the City prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which will authorize its use as a Good Faith Deposit by the Purchaser who shall be named in such instructions. No interest will be paid or allowed on any Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Certificates has been made.

ADDITIONAL CONDITION OF AWARD — DISCLOSURE OF INTERESTED PARTY FORM:

It is the obligation of the City to receive information from Winning Bidder if bidder is not a publicly traded business entity (a "Privately Held Bidder"). Pursuant to Texas Government Code Section 2252.908 (the "Interested Party Disclosure Act"), the City may not award the Certificates to a Winning Bidder which is a Privately Held Bidder unless such party submits a Certificate of Interested Parties Form 1295 (the "Disclosure Form") to the City as prescribed by the Texas Ethics Commission ("TEC"). In the event that a Privately Held Bidder's bid for the Certificates is the best bid received, the City, acting through its financial advisor, will promptly notify the winning Privately Held Bidder. That notification will serve as the City's conditional verbal acceptance of the bid, and will obligate the winning Privately Held Bidder to establish (unless such winning Privately Held Bidder has previously so established) an account with the TEC, and promptly file a completed Disclosure Form, as described below, in order to allow the City to complete the award.

Process for completing the Disclosure Form. For purposes of illustration, the Disclosure Form is attached hereto, and reference should be made to such form for the following information needed to complete it: (a) item 2 - name of the governmental entity (City of Dumas, Texas) and (b) item 3 - the identification number assigned to this contract by the City (Dumas CO2021 – Bid Form) and description of the goods or services (Purchase of the City of Dumas, Texas Combination Tax and Limited Pledge Revenue Certificates of Obligation, Series 2021). The Interested Party Disclosure Act and the rules adopted by the TEC with respect thereto (the "Disclosure Rules") require a non-publicly traded business entity contracting with the City to complete the Disclosure Form electronically at <https://www.ethics.state.tx.us/File/>, print, sign, and deliver, in physical form, the certified Disclosure Form that is generated by the TEC's "electronic portal" to the City. The executed Disclosure Form must be sent by email to the City's financial advisor at mmcliney@samcocapital.com, as soon as possible following the notification of conditional verbal acceptance and prior to the final written award. Upon receipt of the final written award, the Disclosure Form with original signatures must be submitted by mail to Stephanie Leibe, c/o Norton Rose Fulbright US LLP, 111 W. Houston Street, Suite 1800 San Antonio, Texas 78205, along with a PDF executed version sent to stephanie.leibe@nortonrosefulbright.com.

Preparations for completion, and the significance of, the reported information. In accordance with the Interested Party Disclosure Act, the information reported by the winning Privately Held Bidder must be declared by an authorized agent of the Privately Held Winning Bidder. No exceptions may be made to that requirement. The Interested Party Disclosure Act and the Disclosure Form provides that such acknowledgment is made "under penalty of perjury." Consequently, a winning Privately Held Bidder should take appropriate steps prior to completion of the Disclosure Form to familiarize itself with the Interested Party Disclosure Act, the Disclosure Rules and the Disclosure Form. Time will be of the essence in submitting the form to the City, and no final award will be made by the City regarding the sale of the Certificates until a completed Disclosure Form is received. If applicable, the City reserves the right to reject any bid that does not satisfy the requirement of a completed Disclosure Form, as described herein. Neither the City nor its consultants have the ability to verify the information included in a Disclosure Form, and neither party has an obligation nor undertakes responsibility for advising any bidder with respect to (1) the bidder's obligation to submit the Disclosure Form or (2) the proper completion of the Disclosure Form. Consequently, an entity intending to bid on the Certificates should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form, if required, promptly upon notification from the City that its bid is the conditional winning bid. Instructional videos on logging in and creating a certificate are provided on the TEC's website at <https://www.ethics.state.tx.us/filinginfo/1295/>.

ADDITIONAL CONDITION OF AWARD - COMPLIANCE WITH H.B. 89 AND S.B. 252, 85TH TEXAS LEGISLATURE: Each bidder, through submittal of an executed Official Bid Form, represents that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent the Official Notice of Sale and Official Bid Form is a contract for goods or services, will not boycott Israel during the term of this agreement. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable Texas or Federal law. As used in the foregoing verification, 'boycott Israel' means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. Each bidder, through submittal of an executed Official Bid Form, understands 'affiliate' to mean an entity that controls, is controlled by, or is under common control with our company and exists to make a profit.

Each bidder, through submittal of an executed Official Bid Form, represents that neither it nor any parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website: <https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>; <https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or <https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>. The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Texas or Federal law and excludes our company and each parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. Each bidder, through submittal of an executed Official Bid Form, understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with our company and exists to make a profit.

IMPACT OF BIDDING SYNDICATE ON AWARD: For purposes of contracting for the sale of the Certificates, the entity signing the bid form as Purchaser shall be solely responsible for the payment of the purchase price of the Certificates. The Purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the City is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

OFFICIAL STATEMENT

To assist the Purchaser in complying with Rule 15c2-12, as amended (the "Rule"), of the United States Securities and Exchange Commission ("SEC"), the City and the Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows:

COMPLIANCE WITH RULE: The City has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Certificates, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the City deems the accompanying Preliminary Official Statement to be final as of its date, within the meaning of the Rule, except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Purchaser shall be responsible for promptly informing the City of the initial offering yields of the Certificates.

The City agrees to provide, or cause to be provided, to the Purchaser, the Preliminary Official Statement and the Official Statement and any amendments or supplements thereto in a "designated electronic format" (or printed format with respect to the final Official Statement) as may be required for the Purchaser to comply with the Rule or the rules of the Municipal Securities Rulemaking Board ("MSRB"). The City consents to the distribution of such documents in a "designated electronic format." Upon receipt, the Purchaser shall promptly file the Official Statement with the MSRB in accordance with the applicable MSRB rules.

The City will complete and authorize distribution of the Official Statement identifying the Purchaser and containing information omitted from the Preliminary Official Statement. The City does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Purchaser on or after the sale date, the City intends the same to be final as of such date, within the meaning of Section 15c2-12(b)(3) of the Rule. Notwithstanding the foregoing, the City makes no representation concerning the absence of material misstatements or omissions from the Official Statement, except only as and to the extent under "CERTIFICATION OF THE OFFICIAL STATEMENT" as described below. To the best knowledge and belief of the City, the Official Statement contains information, including financial information or operating data, concerning every entity, enterprise, fund, account, or person that is material to an evaluation of the offering of the Certificates.

FINAL OFFICIAL STATEMENT: In addition to delivering the Official Statement in a "designated electronic format", the City will furnish to the Purchaser, within seven (7) days after the sale date, an aggregate maximum of fifty (50) copies of the Official Statement, together with information regarding interest rates and other terms relating to the reoffering of the Certificates, in accordance with Section 15c2-12(b)(3) of

the Rule. The Purchaser may arrange, at its own expense, to have the Official Statement reproduced and printed if it requires more than 50 copies and may also arrange, at its own expense and responsibility, for completion and perfection of the first or cover page of the Official Statement so as to reflect interest rates and other terms and information related to the reoffering of the Certificates. The Purchaser will be responsible for providing information concerning the City and the Certificates to subsequent purchasers of the Certificates, and the City will undertake no responsibility for providing such information other than to make the Official Statement available to the Purchaser as provided herein. The City agrees to provide, or cause to be provided, to the Purchaser the Preliminary Official Statement and the Official Statement and any amendments or supplements thereto in a "designated electronic format" (or printed format with respect to the final Official Statement) as may be required for the Purchaser to comply with the Rule or the rules of the MSRB. The City consents to the distribution of such documents in a "designated electronic format". Upon receipt, the Purchaser shall promptly file the Official Statement with the MSRB in accordance with the MSRB Rule G-32. The City's obligation to supplement the Official Statement to correct key representations determined to be materially misleading, after the date of the Official Statement, shall terminate upon initial delivery of the Certificates to the Purchaser, unless the Purchaser notifies, in writing, the City that less than all of the Certificates have been sold to ultimate customers on or before such date, in which case the obligation will extend for an additional period of time (but not more than 90 days after the sale date) until all of the Certificates have been sold to ultimate customers.

MUNICIPAL BOND INSURANCE: In the event the Certificates are qualified for municipal bond insurance, and the Purchaser desires to purchase such insurance, the cost therefor will be paid by the Purchaser. The City shall pay the rating agency fee for S&P (hereinafter defined). Any other fees to be paid to rating agencies as a result of said insurance will be paid by the Purchaser. It will be the responsibility of the Purchaser to disclose the existence of insurance, its terms and the effect thereof with respect to the reoffering of the Certificates. Any downgrade by rating agencies of the bond insurance provider shall not relieve the Purchaser of its obligation under this heading. See "BOND INSURANCE" and "BOND INSURANCE RISK FACTORS" in the Preliminary Official Statement.

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, the City learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Purchaser elects to terminate its obligation to purchase the Certificates, as described below under "DELIVERY AND ACCOMPANYING DOCUMENTS - CONDITIONS TO DELIVERY", the City will promptly prepare and supply to the Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Purchaser and in a "designated electronic format"; provided, however, that the obligation of the City to do so will terminate when the City delivers the Certificates to the Purchaser, unless the Purchaser notifies the City on or before such date that less than all of the Certificates have been sold to ultimate customers, in which case the City's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the City delivers the Certificates) until all of the Certificates have been sold to ultimate customers.

CERTIFICATION OF THE OFFICIAL STATEMENT: At the time of payment for and delivery of the hereinafter defined Initial Certificate (the "Delivery Date"), the Purchaser will be furnished a certificate, executed by proper officials of the City, acting in their official capacities, to the effect that to the best of their knowledge and belief: (a) the descriptions and statements of or pertaining to the City contained in its Official Statement, and any addenda, supplement or amendment thereto, for the Certificates, on the date of such Official Statement, on the date of sale of said Certificates and the acceptance of the best bid therefor, and on the date of the initial delivery thereof, were and are true and correct in all material respects; (b) insofar as the City and its affairs, including its financial affairs, are concerned, such Official Statement did not and does not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; (c) insofar as the descriptions and statements including financial data, of or pertaining to entities, other than the City, and their activities contained in such Official Statement are concerned, such statements and data have been obtained from sources which the City believes to be reliable and the City has no reason to believe that they are untrue in any material respect; and (d) there has been no material adverse change in the financial condition of the City since the date of the last financial statements of the City appearing in the Official Statement. The Official Statement and Official Notice of Sale will be approved as to form and content and the use thereof in the offering of the Certificates will be authorized, ratified and approved by the City Commission of the City on the date of sale, and the Purchaser will be furnished, upon request, at the time of payment for and the delivery of the Certificates, a certified copy of such approval, duly executed by the proper officials of the City.

CONTINUING DISCLOSURE AGREEMENT: The City will agree in the Ordinance to provide certain periodic information and notices of certain events in accordance with the Rule, as described in the Official Statement under "CONTINUING DISCLOSURE OF INFORMATION". The Purchaser's obligation to accept and pay for the Certificates is conditioned upon delivery to the Purchaser or its agent of a certified copy of the Ordinance containing the agreement described under such heading.

COMPLIANCE WITH PRIOR UNDERTAKINGS: During the past five years, the Issuer has complied in all material respects with its continuing disclosure agreements in accordance with the Rule.

DELIVERY AND ACCOMPANYING DOCUMENTS

INITIAL DELIVERY OF INITIAL CERTIFICATES: The initial delivery of the Certificates to the Purchaser on the "Delivery Date", will be accomplished by the issuance of either (i) a single fully registered Certificate in the total principal amount of \$9,865,000 (preliminary, subject to change) payable in stated installments to the Purchaser and numbered T-1, or (ii) as one (1) fully registered Certificate for each year of stated maturity in the applicable principal amount and denomination, to be numbered consecutively from R-1 and upward (in either case, the "Initial Certificate"), signed by manual or facsimile signature of the Mayor and the City Secretary approved by the Attorney General of Texas, and registered and manually signed by an authorized representative of the Comptroller of Public Accounts of the State of Texas. Initial Delivery (defined below) of the Certificates will be at the corporate trust office of the Paying Agent/Registrar. Upon delivery of the Initial Certificate, they shall be immediately canceled and one Certificate for each stated maturity will be registered in the name of Cede & Co. and deposited

with DTC in connection with DTC's Book-Entry-Only System. Payment for the Initial Certificate must be made in immediately available funds for unconditional credit to the City, or as otherwise directed by the City. The Purchaser will be given six (6) business days' notice of the time fixed for delivery of the Certificates. It is anticipated that Initial Delivery of the Initial Certificate can be made on or about April 14, 2021, but if for any reason the City is unable to make delivery by April 14, 2021, then the City shall immediately contact the Purchaser and offer to allow the Purchaser to extend for an additional thirty (30) days its obligation to take up and pay for the Certificates. If the Purchaser does not so elect within six (6) business days thereafter, then the Good Faith Deposit will be returned, and both the City and the Purchaser shall be relieved of further obligation. In no event shall the City be liable for any damages by reason of its failure to deliver the Certificates, provided such failure is due to circumstances beyond the City's reasonable control.

EXCHANGE OF INITIAL CERTIFICATES FOR DEFINITIVE CERTIFICATES: Upon payment for the Initial Certificate at the time of such delivery, the Initial Certificate is to be canceled by the Paying Agent/Registrar and registered definitive Certificates delivered in lieu thereof, in multiples of \$5,000 for each stated maturity, in accordance with written instructions received from the Purchaser and/or members of the Purchaser's syndicate. Such Certificates shall be registered by the Paying Agent/Registrar. It shall be the duty of the Purchaser and/or members of the Purchaser's syndicate to furnish to the Paying Agent/Registrar, at least five days prior to the delivery of the Initial Certificate, final written instructions identifying the names and addresses of the registered owners, the stated maturities, interest rates, and denominations. The Paying Agent/Registrar will not be required to accept changes in such written instructions after the five day period, and if such written instructions are not received by the Paying Agent/Registrar five days prior to the delivery, the cancellation of the Initial Certificate and delivery of registered definitive Certificates may be delayed until the fifth day next following the receipt of such written instructions by the Paying Agent/Registrar.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Certificates, but neither the failure to print such number on any Certificate nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for the Certificates in accordance with the terms of the Official Bid Form and this Official Notice of Sale. All expenses in relation to the printing of CUSIP numbers on the Certificates shall be paid by the City; however, the CUSIP Service Bureau's charge for the assignment of the numbers shall be paid by the Purchaser.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the Certificates is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Purchaser's acknowledgment of the receipt of the Initial Certificate, the Purchaser's receipt of the legal opinions of Bond Counsel and the no-litigation certificate, and the non-occurrence of the events described below under the caption "NO MATERIAL ADVERSE CHANGE", all as described below. In addition, if the City fails to comply with its obligations described under "OFFICIAL STATEMENT- FINAL OFFICIAL STATEMENT" above, the Purchaser may terminate its contract to purchase the Certificates by delivering written notice to the City within five (5) days thereafter.

NO MATERIAL ADVERSE CHANGE: The obligation of the Purchaser to take up and pay for the Certificates, and of the City to deliver the Initial Certificate, are subject to the condition that, up to the time of delivery of and receipt of payment for the Initial Certificate, there shall have been no material adverse change in the affairs of the City subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of delivery.

LEGAL OPINIONS: The Certificates are offered when, as and if issued, subject to the approval of certain legal matters by the Attorney General of the State of Texas and Bond Counsel (see discussion "LEGAL MATTERS - Legal Opinions and No-Litigation Certificate" in the Preliminary Official Statement).

CHANGE IN TAX-EXEMPT STATUS: At any time before the Certificates are tendered for initial delivery to the Purchaser, the Purchaser may withdraw its bid if the interest on obligations such as the Certificates shall be declared to be includable in the gross income, as defined in section 61 of the Code, of the owners thereof for federal income tax purposes, either by U.S. Treasury regulations, by ruling or administrative guidance of the Internal Revenue Service, by a decision of any federal court, or by the terms of any federal income tax legislation enacted subsequent to the date of this Official Notice of Sale.

QUALIFIED TAX-EXEMPT OBLIGATIONS: The City will designate the Certificates as "Qualified Tax-Exempt Obligations" for financial institutions (see discussion under "TAX MATTERS – Qualified Tax-Exempt Obligations" in the Preliminary Official Statement).

GENERAL CONSIDERATIONS

FUTURE REGISTRATION: The Certificates may be transferred, registered, and assigned on the registration books of the Paying Agent/Registrar only upon presentation and surrender thereof to the Paying Agent/Registrar, and such registration and transfer shall be without expense or service charge to the registered owner, except for any tax or other governmental charges required to be paid with respect to such registration and transfer. A Certificate may be assigned by the execution of an assignment form on the Certificates or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. A new Certificate or Certificates will be delivered by the Paying Agent/Registrar in lieu of the Certificates being transferred or exchanged at the corporate trust office of the Paying Agent/Registrar, or sent by United States registered mail to the new registered owner at the registered owner's request, risk, and expense. To the extent possible, new Certificates issued in an exchange or transfer of Certificates will be delivered to the registered owner or assignee of the registered owner in not more than three (3) business days after the receipt of the Certificates to be canceled in the exchange or transfer and the written instrument of transfer or request for exchange duly executed by the registered owner or its duly authorized agent, in form satisfactory to the Paying Agent/Registrar. New Certificates registered and delivered in an exchange or transfer shall be in denominations of \$5,000 for any one stated maturity or any integral multiple thereof and for a like aggregate principal amount and interest rate as the Certificates surrendered for exchange or transfer.

RECORD DATE: The record date ("Record Date") for determining the party to whom the semiannual interest on the Certificates is payable on any interest payment date is the fifteenth day of the month next preceding such interest payment date.

RATINGS: A municipal bond rating application has been made to S&P Global Ratings ("S&P"). The outcome of the results will be made available to the Purchaser as soon as possible. (See "OTHER PERTINENT INFORMATION - Ratings" in the Preliminary Official Statement). An explanation of the significance of such a rating may be obtained from S&P. The rating of the Certificates by S&P reflects only the view of S&P at the time the rating is given, and the City makes no representations as to the appropriateness of the rating. If the Purchaser chooses to submit a bid utilizing bond insurance, the enhanced long-term rating on the Certificates will be dependent upon the rating of the provider of such insurance policy. See "BOND INSURANCE" and "BOND INSURANCE RISK FACTORS" in the Preliminary Official Statement. There is no assurance that the rating will continue for any given period of time, or that the rating will not be revised downward or withdrawn entirely by S&P, if, in the judgment of such company, circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Certificates.

SALE OF ADDITIONAL OBLIGATIONS: The City currently has no plans to issue additional ad valorem tax supported debt in 2021, except potentially issuing refunding bonds for debt service savings.

REGISTRATION AND QUALIFICATION OF CERTIFICATES FOR SALE: No registration statement relating to the Certificates has been filed with the SEC under the Securities Act of 1933, as amended (the "Act"), in reliance upon exemptions provided in such Act. The Certificates have not been approved or disapproved by the SEC, nor has the SEC passed upon the accuracy or adequacy of the Official Statement. Any representation to the contrary is a criminal offense. The Certificates have not been registered or qualified under the Securities Act of Texas in reliance upon exemptions contained therein, nor have the Certificates been registered or qualified under the securities acts of any other jurisdiction. The City assumes no responsibility for registration or qualification of the Certificates under the securities laws of any jurisdiction in which the Certificates may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Certificates shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions.

It is the obligation of the Purchaser to register or qualify the sale of the Certificates under the securities laws of any jurisdiction which so requires. The City agrees to cooperate, at the Purchaser's written request and expense and within reasonable limits, in registering or qualifying the Certificates, or in obtaining an exemption from registration or qualification in any state where such action is necessary, but will in no instance execute a general consent to service of process in any state that the Certificates are offered for sale.

ADDITIONAL COPIES: Subject to the limitations described herein, an electronic copy of this Official Notice of Sale, the Official Bid Form, and the Official Statement may be obtained from www.samccapital.com.

On the date of the sale, the City Commission will, in the Ordinance authorizing the issuance of the Certificates, reconfirm its approval of the form and content of the Official Statement, and any addenda, supplement, or amendment thereto, and authorize its further use in the reoffering of the Certificates by the Purchaser.

OFFICIAL BID FORM

Honorable Mayor and City Commission
 City of Dumas
 124 W. 6th Street
 Dumas, Texas 79029

March 16, 2021

Dear Ladies and Gentlemen:

Subject to the terms of your Official Notice of Sale and Preliminary Official Statement dated March 9, 2021, which terms are incorporated by reference to this proposal (and which are agreed to as evidenced by our submission of this bid), we hereby submit the following bid for \$9,865,000 (preliminary, subject to change) CITY OF DUMAS, TEXAS COMBINATION TAX AND LIMITED PLEDGE REVENUE CERTIFICATES OF OBLIGATION, SERIES 2021, dated April 1, 2021 (the "Certificates").

For said legally issued Certificates, we will pay you \$_____ (being a price of no less than 101% of the par value) plus accrued interest from their date to the date of delivery to us for Certificates maturing September 1 and bearing interest per annum as follows:

Year of Stated Maturity	Principal Amount at Stated Maturity	Coupon %	Year of Stated Maturity	Principal Amount at Stated Maturity	Coupon %
2022	\$ 245,000		2032*	\$ 500,000	
2023	375,000		2033*	515,000	
2024	385,000		2034*	530,000	
2025	400,000		2035*	550,000	
2026	410,000		2036*	565,000	
2027	425,000		2037*	585,000	
2028	440,000		2038*	605,000	
2029	455,000		2039*	625,000	
2030	465,000		2040*	645,000	
2031*	480,000		2041*	665,000	

**Maturities available for Term Certificates.*

Our calculation (which is not part of this bid) of the True Interest Cost from the above is: _____%

We are (are not) having the Certificates of the following maturities _____ insured by _____ at a premium of \$_____. The premium will be paid by the Winning Bidder. Any fees due to rating agencies, other than S&P Global Ratings ("S&P"), as a result of the purchase of this insurance will be paid by the Winning Bidder. The City will pay the fee due to S&P.

ADJUSTMENT OF INITIAL PRINCIPAL AMOUNTS: As a condition to our submittal of this bid for the Certificates, we acknowledge the following: The City reserves the right to increase or decrease the principal (maturity) amount of any maturity of the Certificates, including the elimination of a maturity or maturities; provided, however, that the aggregate principal (denominational) amount of the Certificates shall not exceed \$9,865,000. Notice of any such changes shall be given to the successful bidder as soon as practicable following the notification of award, as described below, and this Official Notice of Sale may be amended at the sole discretion of the City to reflect such increase or decrease. The City will attempt to maintain total per bond underwriter spread when adjusting maturities. No such adjustment will have the effect of altering the basis upon which the best bid is determined. The successful bidder may not withdraw its bids or change the rates bid or any initial reoffering prices as a result of any changes made to the principal (denominational) amounts.

Of the principal maturities set forth in the table above, we have created term certificates (the "Term Certificates") as indicated in the following table (which may include no more than five Term Certificates). For those years which have been combined into a Term Certificate, the principal amount shown in the table shown on page ii of the Official Notice of Sale will be the mandatory sinking fund redemption amounts in such years except that the amount shown in the year of the Term Certificate maturity date will mature in such year. The Term Certificates created are as follows:

Term Certificate Maturity Date September 1	Year of First Mandatory Redemption	Principal Amount of Term Certificate	Interest Rate
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

The Initial Certificate shall be registered in the name of _____, which will, upon payment for the Certificates, be cancelled by the Paying Agent/Registrar. The Certificates will then be registered in the name of Cede & Co. (DTC's partnership nominee), under the Book-Entry-Only System.

Cashier's Check of the _____ Bank, _____, Texas, in the amount of \$197,300, which represents our Good Faith Deposit (is attached hereto) or (has been made available to you prior to the opening of this Bid), and is submitted in accordance with the terms as set forth in the Official Notice of Sale, said check is to be returned to the Purchaser.

We agree to accept delivery of the Certificates utilizing the Book-Entry-Only System through DTC and make payment for the Initial Certificate in immediately available funds at the Corporate Trust Division, BOKF, NA, Dallas, Texas, not later than 10:00 A.M., Central Time, on Wednesday, April 14, 2021, or thereafter on the date the Certificates are tendered for delivery, pursuant to the terms set forth in the Official Notice of Sale. It will be the obligation of the purchaser of the Certificates to complete and file the DTC Eligibility Questionnaire. The undersigned agrees to the provisions of the Official Notice of Sale under the heading "CONDITIONS OF SALE – ESTABLISHMENT OF ISSUE PRICE" and, as evidenced thereof, agrees to complete, execute, and deliver to the City, by the Delivery Date, a certificate relating to the "issue price" of the Certificates in the form and to the effect attached to or accompanying the Official Notice of Sale, with such changes thereto as may be acceptable to Bond Counsel for the City. (See "CONDITIONS OF SALE – ESTABLISHMENT OF ISSUE PRICE" in the Official Notice of Sale.)

Through submittal of this executed Official Bid Form, the undersigned verifies that, except to the extent otherwise required by applicable Texas or Federal law, it does not and will not "boycott Israel" and is not a company on the Texas Comptroller's list concerning "foreign terrorist organizations" prepared and maintained thereby under applicable Texas law, all as more fully provided in the Official Notice of Sale under the heading "ADDITIONAL CONDITION OF AWARD - COMPLIANCE WITH H.B. 89 AND S.B. 252, 85TH TEXAS LEGISLATURE".

For purposes of contracting for the sale of the Certificates, the entity signing the bid form as Purchaser shall be solely responsible for the payment of the purchase price of the Certificates. The Purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the City is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

Upon notification of conditional verbal acceptance, the undersigned will, if required by applicable Texas law as described in the Official Notice of Sale under the heading "ADDITIONAL CONDITION OF AWARD – DISCLOSURE OF INTERESTED PARTY FORM", complete an electronic form of the Certificate of Interested Parties Form 1295 (the "Disclosure Form") through the Texas Ethics Commission's (the "TEC") electronic portal and the resulting certified Disclosure Form that is generated by the TEC's electronic portal will be printed, signed, and sent by email to the City's financial advisor at mmcliney@samcocapital.com and Bond Counsel at stephanie.leibe@nortonrosefulbright.com. The undersigned understands that the failure to provide the certified Disclosure Form will prohibit the City from providing final written award of the enclosed bid.

ACCEPTANCE CLAUSE

The above and foregoing bid is hereby in all things accepted by the City of Dumas, Texas, subject to and in accordance with the Official Notice of Sale and Official Bid Form, this 16th day of March 2021.

/s/ _____
 Mayor,
 City of Dumas, Texas

ATTEST:

/s/ _____
 City Secretary,
 City of Dumas, Texas

\$9,865,000*
CITY OF DUMAS, TEXAS
COMBINATION TAX AND LIMITED PLEDGE REVENUE CERTIFICATES OF OBLIGATION,
SERIES 2021

ISSUE PRICE CERTIFICATE

The undersigned, on behalf of _____, _____, _____ (the "Purchaser"), hereby certifies as set forth below with respect to the sale of the above-captioned obligations (the "Obligations") of the City of Dumas, Texas (the "Issuer").

1. Reasonably Expected Initial Offering Price.

(a) As of the Sale Date, the reasonably expected initial offering prices of the Obligations to the Public by _____ are the prices listed in Schedule A (the "Expected Offering Prices"). The Expected Offering Prices are the prices for the Maturities of the Obligations used by the "Purchaser" in formulating its bid to purchase the Obligations. Attached as Schedule B is a true and correct copy of the bid provided by the "Purchaser" to purchase the Obligations.

(b) _____ was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by _____ constituted a firm offer to purchase the Obligations.

2. Defined Terms.

(a) *Maturity* means Obligations with the same credit and payment terms. Obligations with different maturity dates, or Obligations with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(c) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Obligations. The Sale Date of the Obligations is March 16, 2021.

(d) *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Obligations to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Obligations to the Public (including a member of a selling group or a party to a retail or other third-party distribution agreement participating in the initial sale of the Obligations to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Purchaser's interpretation of any laws, including specifically sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the tax certificate with respect to the Obligations and with respect to compliance with the federal income tax rules affecting the Obligations, and by Norton Rose Fulbright US LLP in connection with rendering its opinion that the interest on the Obligations is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Obligations.

(See: "OTHER PERTINENT INFORMATION-Ratings", "BOND INSURANCE" and "BOND INSURANCE RISK FACTORS" herein)

PRELIMINARY OFFICIAL STATEMENT
March 9, 2021

In the opinion of Bond Counsel (identified below), assuming continuing compliance by the Issuer (defined below) after the date of initial delivery of the Certificates (defined below) with certain covenants contained in the Ordinance (defined below) and subject to the matters described under "TAX MATTERS" herein, interest on the Certificates under existing statutes, regulations, published rulings, and court decisions (1) will be excludable from the gross income of the owners thereof for federal income tax purposes under Section 103 of the Internal Revenue Code, as amended to the date of initial delivery of the Certificates and (2) will not be included in computing the alternative minimum taxable income of the owners thereof. (See "TAX MATTERS" herein.)

The Issuer will designate the Certificates as "Qualified Tax-Exempt Obligations" for financial institutions.

\$9,865,000*

CITY OF DUMAS, TEXAS

(A political subdivision of the State of Texas located in Moore County, Texas)

COMBINATION TAX AND LIMITED PLEDGE REVENUE CERTIFICATES OF OBLIGATION, SERIES 2021

Dated Date: April 1, 2021

Due: September 1, as shown on inside cover

The \$9,865,000* City of Dumas, Texas Combination Tax and Limited Pledge Revenue Certificates of Obligation, Series 2021 (the "Certificates") are being issued pursuant to the Constitution and general laws of the State of Texas (the "State"), particularly Certificate of Obligation Act of 1971 (Sections 271.041 through 271.064, Texas Local Government Code, as amended), Chapter 1502, as amended, Texas Government Code, an ordinance (the "Ordinance") to be adopted by the City Commission of the City of Dumas, Texas (the "City" or the "Issuer") on March 16, 2021, and the City's Home Rule Charter. (See "THE CERTIFICATES - Authority for Issuance" herein.)

The Certificates constitute direct and general obligations of the Issuer payable primarily from the proceeds of an annual ad valorem tax levied upon all taxable property within the City, within the limitations prescribed by law, and are further payable from and secured by a lien on and pledge of the Pledged Revenues (identified and defined in the Ordinance), being a limited amount of the Net Revenues derived from the operation of the City's combined utility system (the "System"), not to exceed \$1,000 during the entire period the Certificates or interest thereon remain outstanding, such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge of such Net Revenues securing payment of the currently outstanding Surplus Lien Obligations, and any Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations or Additional Surplus Lien Obligations hereafter issued by the City. The City previously authorized the issuance of the currently outstanding Surplus Lien Obligations (identified and defined in the Ordinance) which are payable, in part, from and secured by a lien on and pledge of surplus Net Revenues of the System in the manner provided in the ordinance authorizing the issuance of such obligations. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, Additional Surplus Lien Obligations, and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise. (See "THE CERTIFICATES - Security for Payment" and "AD VALOREM PROPERTY TAXATION - Debt Tax Rate Limitations" herein.)

Interest on the Certificates will accrue from April 1, 2021 (the "Dated Date") as shown above and will be payable on March 1 and September 1 of each year, commencing March 1, 2022, until stated maturity or prior redemption, and will be calculated on the basis of a 360-day year of twelve 30-day months. The definitive Certificates will be issued as fully registered obligations in book-entry form only and when issued will be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository. Book-entry interests in the Certificates will be made available for purchase in the principal amount of \$5,000 or any integral multiple thereof. Purchasers of the Certificates ("Beneficial Owners") will not receive physical delivery of certificates representing their interest in the Certificates purchased. So long as DTC or its nominee is the registered owner of the Certificates, the principal of and interest on the Certificates will be payable by BOKF, NA, Dallas, Texas, as Paying Agent Registrar to the securities depository, which will in turn remit such principal and interest to its participants, which will in turn remit such principal and interest to the Beneficial Owners of the Certificates. (See "BOOK-ENTRY-ONLY SYSTEM" herein.)

Proceeds from the sale of the Certificates will be used for the purpose of paying contractual obligations of the City to be incurred for making permanent public improvements and for other public purposes, to-wit: (1) constructing, acquiring, purchasing, renovating, enlarging, and improving the City's combined utility system, including, but not limited to, improvements to the City's water system, Sewage Prime Lift Station, and Sewage Morton Lift Station; (2) constructing storm water, culvert, ditch, and related drainage improvements; (3) the purchase of materials, supplies, equipment, machinery, landscaping, land, and rights-of-way for authorized needs and purposes relating to the aforementioned capital improvements; and (4) payment for professional services relating to the design, construction, project management, and financing of the aforementioned projects. (See "THE CERTIFICATES - Use of Certificate Proceeds" herein.)

The City has made application to municipal bond insurance companies to have the payment of the principal and interest on the Certificates insured by a municipal bond insurance policy and will consider the purchase of such insurance after an analysis of the bids from such companies has been made. The Purchaser (hereinafter defined) will be responsible for paying the bond insurer's bond insurance premium. (See "BOND INSURANCE" and "BOND INSURANCE RISK FACTORS" herein.)

SEE FOLLOWING PAGE FOR STATED MATURITIES, PRINCIPAL AMOUNTS, INTEREST RATES,
INITIAL YIELDS, CUSIP NUMBERS, AND REDEMPTION PROVISIONS FOR THE CERTIFICATES

The Certificates are offered for delivery, when, as and if issued and received by the initial purchaser thereof at a competitive sale (the "Purchaser") and subject to the approving opinion of the Attorney General of the State of Texas and the approval of certain legal matters by Norton Rose Fulbright US LLP, Austin and San Antonio, Texas, Bond Counsel. The legal opinion of Bond Counsel will be printed on, or attached to, the Certificates. (See "LEGAL MATTERS - Legal Opinions and No-Litigation Certificate" as "APPENDIX C - Form of Legal Opinion of Bond Counsel" herein). It is expected that the Certificates will be available for initial delivery through DTC on or about April 14, 2021.

USE OF INFORMATION IN THE OFFICIAL STATEMENT

For purposes of compliance with Rule 15c2-12 of the United States Securities and Exchange Commission, as amended (the “Rule”), and in effect on the date of this Preliminary Official Statement, this document constitutes an “official statement” of the Issuer with respect to the Certificates that has been “deemed final” by the Issuer as of its date except for the omission of no more than the information permitted by the Rule.

No dealer, broker, salesman, or other person has been authorized to give any information, or to make any representation other than those contained in this Official Statement, and, if given or made, such other information or representations must not be relied upon as having been authorized by the Issuer. This Official Statement is not to be used in connection with an offer to sell or the solicitation of an offer to buy in any state in which such offer or solicitation is not authorized or in which the person making such offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such offer or solicitation. Any information or expression of opinion herein contained are subject to change without notice, and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create an implication that there has been no change in the affairs of the Issuer or other matters described herein since the date hereof.

NONE OF THE CITY, ITS FINANCIAL ADVISOR, OR THE PURCHASER MAKE ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE INFORMATION CONTAINED IN THIS OFFICIAL STATEMENT REGARDING EITHER THE DEPOSITORY TRUST COMPANY OR ITS BOOK-ENTRY-ONLY SYSTEM AS SUCH INFORMATION IS PROVIDED BY DTC, OR THE BOND INSURER, IF ANY, AND ITS MUNICIPAL BOND INSURANCE POLICY.

The Financial Advisor has provided the following sentence for inclusion in this Official Statement. The Financial Advisor has reviewed the information in this Official Statement in accordance with its responsibilities to the Issuer and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Financial Advisor does not guarantee the accuracy or completeness of such information.

THE CERTIFICATES ARE EXEMPT FROM REGISTRATION WITH THE UNITED STATES SECURITIES AND EXCHANGE COMMISSION AND CONSEQUENTLY HAVE NOT BEEN REGISTERED THEREWITH. THE REGISTRATION, QUALIFICATION, OR EXEMPTION OF THE CERTIFICATES IN ACCORDANCE WITH APPLICABLE SECURITIES LAW PROVISIONS OF THE JURISDICTIONS IN WHICH THE CERTIFICATES HAVE BEEN REGISTERED, QUALIFIED, OR EXEMPTED SHOULD NOT BE REGARDED AS A RECOMMENDATION THEREOF.

The agreements of the City and others related to the Certificates are contained solely in the contracts described herein. Neither this Official Statement nor any other statement made in connection with the offer or sale of the Certificates is to be construed as constituting an agreement with the Purchaser of the Certificates. INVESTORS SHOULD READ THE ENTIRE OFFICIAL STATEMENT, INCLUDING ALL APPENDICES ATTACHED HERETO, TO OBTAIN INFORMATION ESSENTIAL TO MAKING AN INFORMED INVESTMENT DECISION.

SELECTED DATA FROM THE OFFICIAL STATEMENT

The selected data is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement. The offering of the Certificates to potential investors is made only by means of this entire Official Statement. No person is authorized to detach this page from this Official Statement or to otherwise use it without the entire Official Statement.

The Issuer	The City of Dumas, Texas (the "City" or "Issuer") is a home rule municipality and a political subdivision of the State of Texas located in Moore County and operates under a Commission-Manager form of government with the City Commission having responsibility for establishing policies, enacting legislation, adopting budgets and appointing the City Manager, and the City Manager being responsible for the administration and operation of the government of the City. The City Commission is comprised of five members including the Mayor who are elected at-large for three-year staggered terms. The City's 2020 population estimate is 15,500. (See "APPENDIX B – General Information Regarding the City of Dumas and Moore County, Texas" herein.)
The Certificates	The Certificates are being issued pursuant to the Constitution and general laws of the State of Texas (the "State"), particularly the Certificate of Obligation Act of 1971 (Sections 271.041 through 271.064, Texas Local Government Code, as amended), Chapter 1502, as amended, Texas Government Code, an ordinance (the "Ordinance") to be adopted by the City Commission of the City, on March 16, 2021 and the City's Home Rule Charter. (See "THE CERTIFICATES - Authority for Issuance" herein.)
Paying Agent/Registrar	The initial Paying Agent/Registrar is BOKF, NA, Dallas, Texas.
Security	The Certificates constitute direct and general obligations of the Issuer payable primarily from the proceeds of an annual ad valorem tax levied upon all taxable property within the City, within the limitations prescribed by law, and are further payable from and secured by a lien on and pledge of the Pledged Revenues (identified and defined in the Ordinance), being a limited amount of the Net Revenues derived from the operation of the City's combined utility system (the "System"), not to exceed \$1,000 during the entire period the Certificates or interest thereon remain outstanding, such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge of such Net Revenues securing payment of the currently outstanding Surplus Lien Obligations, and any Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations or Additional Surplus Lien Obligations hereafter issued by the City. The City previously authorized the issuance of the currently outstanding Surplus Lien Obligations (identified and defined in the Ordinance) which are payable, in part, from and secured by a lien on and pledge of surplus Net Revenues of the System in the manner provided in the ordinance authorizing the issuance of the currently outstanding Surplus Lien Obligations. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, Additional Surplus Lien Obligations, and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise. (See "THE CERTIFICATES - Security for Payment" and "AD VALOREM PROPERTY TAXATION – Debt Tax Rate Limitations" herein.)
Redemption Provisions of the Certificates	The Issuer reserves the right, at its sole option, to redeem Certificates stated to mature on or after September 1, 2031, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof, on September 1, 2030, or any date thereafter, at the redemption price of par plus accrued interest to the date fixed for redemption. Additionally, the Purchaser may select certain consecutive maturities of the Certificates to be grouped together as a "Term Certificate" and such "Term Certificates" would also be subject to mandatory sinking fund redemption. (See "THE CERTIFICATES - Redemption Provisions of the Certificates" herein.)
Tax Matters	In the opinion of Bond Counsel, the interest on the Certificates will be excludable from gross income of the owners thereof for purposes of federal income taxation under existing statutes, regulations, published rulings and court decisions, subject to matters discussed herein under "TAX MATTERS". (See "TAX MATTERS" and "APPENDIX C - Form of Opinion of Bond Counsel" herein.)
Qualified Tax-Exempt Obligations	The Issuer will designate the Certificates as "Qualified Tax-Exempt Obligations" for financial institutions. (See "TAX MATTERS - Qualified Tax-Exempt Obligations" herein.)
Use of Certificate Proceeds	Proceeds from the sale of the Certificates will be used for the purpose of paying contractual obligations of the City to be incurred for making permanent public improvements and for other public purposes, to-wit: (1) constructing, acquiring, purchasing, renovating, enlarging, and improving the City's combined utility system, including, but not limited to, improvements to the City's water system, Sewage Prime Lift Station, and Sewage Morton Lift Station; (2) constructing storm water, culvert, ditch, and related drainage improvements; (3) the purchase of materials, supplies, equipment, machinery, landscaping, land, and rights-of-way for authorized

needs and purposes relating to the aforementioned capital improvements; and (4) payment for professional services relating to the design, construction, project management, and financing of the aforementioned projects. (See "THE CERTIFICATES - Use of Certificate Proceeds" herein.)

Bond Insurance

The City is considering qualifying the Certificates for municipal bond insurance and has made application to municipal bond insurance companies in connection with such consideration. If a municipal bond insurance policy is acquired, the Purchaser will pay the bond insurance premium for this bond insurance. (See "BOND INSURANCE" and "BOND INSURANCE RISK FACTORS" herein.)

Ratings

A municipal bond rating application has been made to S&P Global Ratings ("S&P"). The outcome of the results will be made available to the Purchaser as soon as possible. (See "OTHER PERTINENT INFORMATION - Ratings" herein.)

Payment Record

The City has never defaulted on the payment of its general obligation or revenue indebtedness.

Future Debt Issues

The Issuer does not anticipate the issuance of any additional ad valorem tax debt in 2021 except potentially refunding bonds for debt service savings.

Delivery

When issued, anticipated on or about April 14, 2021.

Legality

Delivery of the Certificates is subject to the approval by the Attorney General of the State of Texas and the approval of certain legal matters by Norton Rose Fulbright US LLP, Austin and San Antonio, Texas, Bond Counsel.

PRELIMINARY OFFICIAL STATEMENT

relating to

\$9,865,000*

CITY OF DUMAS, TEXAS

(A political subdivision of the State of Texas located in Moore County, Texas)

**COMBINATION TAX AND LIMITED PLEDGE REVENUE CERTIFICATES OF OBLIGATION,
SERIES 2021**

INTRODUCTORY STATEMENT

This Official Statement provides certain information in connection with the issuance by the City of Dumas, Texas (the “City” or the “Issuer”) of its \$9,865,000* Combination Tax and Limited Pledge Revenue Certificates of Obligation, Series 2021 (the “Certificates”) identified on the cover page.

The Issuer is a political subdivision of the State of Texas (the “State”) and a municipal corporation organized and existing under the Constitution and laws of the State of Texas and its Home Rule Charter. Unless otherwise indicated, capitalized terms used in this Official Statement have the same meanings assigned to such terms in the Ordinance. Included in this Official Statement are descriptions of the Certificates and certain information about the Issuer and its finances. ***ALL DESCRIPTIONS OF DOCUMENTS CONTAINED HEREIN ARE SUMMARIES ONLY AND ARE QUALIFIED IN THEIR ENTIRETY BY REFERENCE TO EACH SUCH DOCUMENT.*** Copies of such documents may be obtained upon request from the Issuer or its Financial Advisor, SAMCO Capital Markets, Inc., 1020 NE Loop 410, Suite 640, San Antonio, Texas 78209, via electronic mail or upon payment of reasonable copying, handling, and delivery charges.

All financial and other information presented in this Official Statement has been provided by the City from its records, except for information expressly attributed to other sources. The presentation of information, including tables of receipts from taxes and other sources, is intended to show recent historic information, and is not intended to indicate future or continuing trends in financial position or other affairs of the City. No representation is made that past experience, as is shown by financial and other information, will necessarily continue or be repeated in the future.

This Official Statement speaks only as to its date, and the information contained herein is subject to change. A copy of the Final Official Statement pertaining to the Certificates will be deposited with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access (“EMMA”) system. See “CONTINUING DISCLOSURE OF INFORMATION” herein for a description of the City’s undertaking to provide certain information on a continuing basis.

Infectious Disease Outbreak – COVID-19

The outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus, has been characterized as a pandemic (the “Pandemic”) by the World Health Organization and is currently affecting many parts of the world, including the United States and the State of Texas (the “State”). On January 31, 2020, the Secretary of the United States Health and Human Services Department declared a public health emergency for the United States and on March 13, 2020, the President of the United States declared the outbreak of COVID-19 in the United States a national emergency. Subsequently, the President’s Coronavirus Guidelines for America and the United States Centers for Disease Control and Prevention called upon Americans to take actions to slow the spread of COVID- 19 in the United States.

On March 13, 2020, the Governor of Texas (the “Governor”) declared a state of disaster for all counties in Texas in response to the Pandemic which has been subsequently extended and is still in effect. In addition, certain local officials, including the City and Moore County, have also declared a local state of disaster. Pursuant to Chapter 418 of the Texas Government Code, the Governor has broad authority to respond to disasters, including suspending any regulatory statute prescribing the procedures for conducting state business or any order or rule of a state agency that would in any way prevent, hinder, or delay necessary action in coping with the disaster, and issuing executive orders that have the force and effect of law. The Governor has issued a number of executive orders relating to COVID-19 preparedness and mitigation. However, on March 2, 2021, the Governor issued Executive Order GA-34, which supersedes most of the executive orders relating to COVID-19 and provides, generally, for the reopening of the State to 100%, ends the COVID-19 mask mandate, and supersedes any conflicting order issued by local officials in response to COVID-19, among other things and subject to certain limitations. Executive Order GA-34 will take effect on March 10, 2021. Executive Order GA-34 remains in place until amended, rescinded, or superseded by the Governor. Additional information regarding executive orders issued by the Governor is accessible on the website of the Governor at <https://gov.texas.gov/>. Neither the information on (nor accessed through) such website of the Governor is incorporated by reference, either expressly or by implication, into this Official Statement.

The City collects a sales and use tax on all taxable transactions within the City’s boundaries, revenue from the sale of gas, water and the collection of sewage, franchise fees based on private utility sales, hotel occupancy taxes upon the occupancy of any hotel or motel room in the City, and other excise taxes and fees that depend on business activity. Further actions may be taken to slow the Pandemic which may reduce economic activity within the City on which the City collects taxes, charges, and fees. A reduction in the collection of sales or other excise taxes, utility system revenue, hotel occupancy tax revenues, and utility franchise and other fees and charges may negatively impact the City’s operating budget and overall financial condition. In addition, the Pandemic has resulted in volatility of the value of investments in pension funds. Any prolonged continuation of the Pandemic could further weaken asset values or slow or prevent their recovery, which could require increased City contributions to fund or pay retirement and other post-employment benefits in the future.

*Preliminary, subject to change.

The full extent of the ongoing impact of COVID-19 on the City's longer-term operational and financial performance will depend on future developments, many of which are outside of its control, including the effectiveness of the mitigation strategies discussed above, the duration and spread of COVID-19, and future governmental actions, all of which are highly uncertain and cannot be predicted. The City continues to monitor the spread of COVID-19 and is working with local, state, and national agencies to address the potential impact of the Pandemic upon the City. While the potential impact of the Pandemic on City cannot be quantified at this time, the continued outbreak of COVID-19 could have an adverse effect on the City's operations and financial condition.

The Pandemic has negatively affected travel, commerce, and financial markets globally, and is widely expected to continue negatively affecting economic growth and financial markets worldwide. These negative impacts may reduce or negatively affect property values within the City. The financial and operating data contained herein are the latest available but are for the dates and the periods stated herein, which are for periods prior to the economic impact of the Pandemic and efforts to slow it. It is unclear at this time what effect, if any, COVID-19 and resulting economic disruption may have on future assessed values or the collection of taxes, either because of delinquencies or collection and valuation relief resulting from the declared emergency. The Certificates are secured by a limited ad valorem tax and a limited amount of Hotel Occupancy Tax Revenues, and a reduction in property values may require an increase in the ad valorem tax rate required to pay the Certificates as well as the City's share of operations and maintenance expenses payable from ad valorem taxes.

2021 Weather Event

General. From February 14, 2021 through February 19, 2021, the continental United States experienced a severe winter storm (the "2021 Event"). As a result of the 2021 Event, areas throughout Texas experienced widespread, record breaking cold.

Beginning February 12, 2021 and continuing over the next several days, the natural gas and real-time wholesale power markets experienced extreme price volatility. With multiple natural gas pipelines restricting gas flows and significant power demand increases, next day delivery natural gas spot prices at various delivery hubs skyrocketed from an average of less than \$3.00 per million British thermal unit (mBtu) to \$1,250 per (mBtu) at their peak. The price per megawatt hour (MWh) of electricity exceeded \$9,000, when it had settled at only \$30 on February 10, 2021.

Due to effects of the 2021 Event and a reduction in available gas supply, approximately 185 generating units in the Electric Reliability Council of Texas ("ERCOT") grid tripped offline, and the grid lost roughly 46,000 MW of generation. In order to limit demand and protect the integrity of the grid, ERCOT implemented widespread and prolonged blackouts. As a result, approximately 4 million Texas residents were without power for significant stretches of the week.

Extended subfreezing temperatures caused water pipes to freeze and burst, and combined with the lack of power, eventually led to multiple water system failures across the State that impacted water availability generally and, in some instances, required the issuance of water boil notices. Initial reports indicated that roughly 14 million Texans were under boil water notices as of February 19, 2021.

On February 19, 2021, the President of the United States issued a Major Disaster Declaration for 77 counties in Texas, which was subsequently expanded to cover an addition 31 counties. The Texas Governor, on February 18, 2021, declared a new emergency item for the current Texas legislative session (in session until May 31, 2021) in which he requested the Legislature to mandate the winterization of Texas' power system and to ensure the necessary funding for winterization.

Impact on the City. Currently, the City does not anticipate that the 2021 Event will have a material financial impact on the City, including its municipal gas utility system.

THE CERTIFICATES

General Description of the Certificates

The Certificates will be dated April 1, 2021 (the "Dated Date"), will mature on the dates and in the principal amounts and will bear interest at the rates set forth on page 2 of this Official Statement. The Certificates will be registered and issued in denominations of \$5,000 or any integral multiple thereof. The Certificates will bear interest from the Dated Date, or from the most recent date to which interest has been paid or duly provided for, and will be paid semiannually on March 1 and September 1 of each year, commencing March 1, 2022, until stated maturity or prior redemption. Principal of and interest on the Certificates are payable in the manner described herein under "BOOK-ENTRY-ONLY SYSTEM". In the event the Book-Entry-Only System is discontinued, the interest on the Certificates payable on an interest payment date will be payable to the registered owner as shown on the security register maintained by BOKF, NA, Dallas, Texas as the initial Paying Agent/Registrar, as of the Record Date (defined below), by check, mailed first-class, postage prepaid, to the address of such person on the security register or by such other method acceptable to the Paying Agent/Registrar requested by and at the risk and expense of the registered owner. In the event the Book-Entry-Only System is discontinued, principal of the Certificates will be payable at stated maturity or prior redemption upon presentation and surrender thereof at the corporate trust office of the Paying Agent/Registrar.

If the date for the payment of the principal of or interest on the Certificates is a Saturday, Sunday, a legal holiday or a day when banking institutions in the city where the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment will be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which banking institutions are authorized to close; and payment on such date will have the same force and effect as if made on the original date payment was due.

Authority for Issuance

The Certificates are being issued pursuant to the Constitution and general laws of the State of Texas (the "State") particularly Certificate of Obligation Act of 1971 (Sections 271.041 through 271.064 Texas Local Government Code, as amended), Chapter 1502, as amended, Texas

Government Code, an ordinance (the "Ordinance") to be adopted by the City Commission of the City (the "City Commission") on March 16, 2021, and the City's Home Rule Charter.

Security for Payment

Limited Pledge of Ad Valorem Taxes. The Certificates are general obligations of the City, payable from its collection of an ad valorem tax levied annually, within the legal limitations imposed by law, upon all taxable property located in the City. (See "AD VALOREM TAX PROCEDURES" and "TAX RATE LIMITATIONS" herein.)

Limited Revenue Pledge Benefiting the Certificates. Solely to comply with Texas law allowing the Certificates to be sold for cash, the Certificates are further secured by a lien on and pledge of the Pledged Revenues (being a limited amount of the Net Revenues derived from the operation of the Issuer's combined utility system (the "System") not to exceed \$1,000 during the entire period the Certificates or interest thereon remain outstanding, such lien and pledge, however, being subordinate and inferior to the lien on and pledge of the Net Revenues securing the payment of the currently outstanding Surplus Lien Obligations, and any Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations or Additional Surplus Lien Obligations (each as described and defined in the Ordinance) hereinafter issued by the Issuer. The City previously authorized the issuance of the currently outstanding Surplus Lien Obligations (as described and defined in the Ordinance) which are payable, in part, from and secured by a lien on and pledge of the surplus Net Revenues in the manner provided in the ordinances authorizing the issuance of the currently outstanding Surplus Lien Obligations. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, Additional Surplus Lien Obligations and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise.

Redemption Provisions of the Certificates

The Issuer reserves the right, at its sole option, to redeem Certificates stated to mature, on or after September 1, 2031, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof on September 1, 2030, or any date thereafter, at the par value thereof plus accrued interest to the date fixed for redemption. Two or more consecutive maturities of the Certificates may be grouped together as a "Term Certificate" by the Purchaser, and such "Term Certificates" would also be subject to mandatory sinking fund redemption. If less than all of the Certificates within a stated maturity are to be redeemed, the particular Certificates to be redeemed shall be selected by lot or by other customary random method by the Paying Agent/Registrar.

Notice of Redemption

At least 30 days prior to the date fixed for any redemption of any Certificates or portions thereof prior to stated maturity, the Issuer shall cause notice of such redemption to be sent by United States mail, first-class postage prepaid, to the registered owner of each Certificate or a portion thereof to be redeemed at its address as it appeared on the registration books of the Paying Agent/Registrar on the day such notice of redemption is mailed. By the date fixed for any such redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Certificates or portions thereof which are to be so redeemed. If such notice of redemption is given and if due provision for such payment is made, all as provided above, the Certificates or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment.

ANY NOTICE OF REDEMPTION SO MAILED SHALL BE CONCLUSIVELY PRESUMED TO HAVE BEEN DULY GIVEN IRRESPECTIVE OF WHETHER RECEIVED BY THE CERTIFICATEHOLDER, AND, PROVIDED THAT PROVISION FOR PAYMENT OF THE REDEMPTION PRICE IS MADE AND ANY OTHER CONDITIONS TO REDEMPTION ARE SATISFIED, INTEREST ON THE REDEEMED CERTIFICATES SHALL CEASE TO ACCRUE FROM AND AFTER SUCH REDEMPTION DATE NOTWITHSTANDING THAT A CERTIFICATE HAS NOT BEEN PRESENTED FOR PAYMENT.

The Paying Agent/Registrar and the Issuer, so long as a Book-Entry-Only System is used for the Certificates, will send any notice of redemption, notice of proposed amendment to the Ordinance or other notices with respect to the Certificates only to DTC. Any failure by DTC to advise any DTC participant, or of any DTC participant or indirect participant to notify the Beneficial Owner, will not affect the validity of the redemption of the Certificates called for redemption or any other action premised on any such notice. Redemption of portions of the Certificates by the Issuer will reduce the outstanding principal amount of such Certificates held by DTC. In such event, DTC may implement, through its Book-Entry-Only System, a redemption of such Certificates held for the account of DTC participants in accordance with its rules or other agreements with DTC participants and then DTC participants and indirect participants may implement a redemption of such Certificates from the Beneficial Owners. Any such selection of Certificates to be redeemed will not be governed by the Ordinance and will not be conducted by the Issuer or the Paying Agent/Registrar. Neither the Issuer nor the Paying Agent/Registrar will have any responsibility to DTC participants, indirect participants or the persons for whom DTC participants act as nominees, with respect to the payments on the Certificates or the providing of notice to DTC participants, indirect participants, or Beneficial Owners of the selection of portions of the Certificates for redemption. (See "BOOK-ENTRY-ONLY SYSTEM" herein.)

Selection of Certificates to be Redeemed

The Certificates of a denomination larger than \$5,000 may be redeemed in part (in increments of \$5,000 or any integral multiple thereof). The Certificates to be partially redeemed must be surrendered in exchange for one or more new Certificates for the unredeemed portion of the principal. If less than all of the Certificates are to be redeemed, the Issuer will determine the amounts to be redeemed and will direct the Paying Agent/Registrar (or DTC while the Certificates are in Book-Entry-Only form) to select, at random and by lot, the particular Certificates, or portion thereof, to be redeemed. If a Certificate (or any portion of the principal sum thereof) will have been called for redemption and notice or such redemption will have been given, such Certificate (or the principal amount thereof to be redeemed), will

become due and payable on such redemption date and interest thereon will cease to accrue from and after the redemption date, provided funds for the payment of the redemption price and accrued interest thereon are held by the Paying Agent/Registrar on the redemption date.

Use of Certificate Proceeds

Proceeds from the sale of the Certificates will be used for the purpose of paying contractual obligations of the City to be incurred for making permanent public improvements and for other public purposes, to-wit: (1) constructing, acquiring, purchasing, renovating, enlarging, and improving the City’s combined utility system, including, but not limited to, improvements to the City’s water system, Sewage Prime Lift Station, and Sewage Morton Lift Station; (2) constructing storm water, culvert, ditch, and related drainage improvements; (3) the purchase of materials, supplies, equipment, machinery, landscaping, land, and rights-of-way for authorized needs and purposes relating to the aforementioned capital improvements; and (4) payment for professional services relating to the design, construction, project management, and financing of the aforementioned projects.

Payment Record

The Issuer has never defaulted on the payment of its ad valorem tax-backed indebtedness.

Amendments

The Issuer may amend the Ordinance without the consent of or notice to any registered owners in any manner not detrimental to the interests of the registered owners, including the curing of any ambiguity, inconsistency, or formal defect or omission therein. In addition, the Issuer may, with the written consent of the holders of a majority in aggregate principal amount of the Certificates then outstanding affected thereby, amend, add to, or rescind any of the provisions of the Ordinance; except that, without the consent of the registered owners of all of the Certificates affected, no such amendment, addition, or rescission may (1) change the date specified as the date on which the principal of or any installment of interest on any Certificate is due and payable, reduce the principal amount thereof, or the rate of interest thereon, change the redemption price or amounts, change the place or places at or the coin or currency in which any Certificate or interest thereon is payable, or in any other way modify the terms of payment of the principal of or interest on the Certificates, (2) give any preference to any Certificate over any other Certificate, (3) extend any waiver of default to subsequent defaults, or (4) reduce the aggregate principal amount of Certificates required for consent to any amendment, change, modification, or waiver.

Defeasance

The Ordinance provides for the defeasance of the Certificates when payment of the principal amount of the Certificates plus interest accrued on the Certificates to their due date (whether such due date be by reason of stated maturity, redemption, or otherwise), is provided by irrevocably depositing with a paying agent, or other authorized escrow agent, in trust (1) money in an amount sufficient to make such payment, and/or (2) Government Securities (defined below), to mature as to principal and interest in such amounts and at such times to insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of the paying agent for the Certificates. The foregoing deposits shall be certified as to sufficiency by an independent accounting firm, the City’s Financial Advisor, the Paying Agent/Registrar, or such other qualified financial institution (as provided in the Ordinance). The City has additionally reserved the right, subject to satisfying the requirements of (1) and (2) above, to substitute other Government Securities originally deposited, to reinvest the uninvested moneys on deposit for such defeasance and to withdraw for the benefit of the City moneys in excess of the amount required for such defeasance. The Ordinance provides that “Government Securities” means any securities and obligations now or hereafter authorized by State law that are eligible to discharge obligations such as the Certificates. Current State law permits defeasance with the following types of securities: (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (b) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of the purchase thereof, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that on the date the governing body of the City adopts or approves the proceedings authorizing the financial arrangements have been refunded and are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, and (d) any additional securities and obligations hereafter authorized by State law as eligible for use to accomplish the discharge of obligations such as the Certificates. City officials are authorized to restrict such eligible securities as deemed appropriate. There is no assurance that the ratings for U.S. Treasury securities acquired to defease any Certificates, or those for any other Government Securities, will be maintained at any particular rating category. Further, there is no assurance that current State law will not be amended in a manner that expands or contracts the list of permissible defeasance securities (such list consisting of these securities identified in clauses (a) through (c) above), or any rating requirement thereon, that may be purchased with defeasance proceeds relating to the Certificates (“Defeasance Proceeds”), though the City has reserved the right to utilize any additional securities for such purpose in the event the aforementioned list is expanded. Because the

Ordinance does not contractually limit such permissible defeasance securities and expressly recognizes the ability of the City to use lawfully available Defeasance Proceeds to defease all or any portion of the Certificates, registered owners of Certificates are deemed to have consented to the use of Defeasance Proceeds to purchase such other defeasance securities, notwithstanding the fact that such defeasance securities may not be of the same investment quality as those currently identified under State law as permissible defeasance securities.

Upon such deposit as described above, such Certificates shall no longer be regarded to be outstanding or unpaid. After firm banking and financial arrangements for the discharge and final payment of the Certificates have been made as described above, all rights of the City to initiate proceedings to call the Certificates for redemption or take any other action amending the terms of the Certificates are extinguished; provided, however, the City has the option, to be exercised at the time of the defeasance of the Certificates, to call for redemption at an earlier date those Certificates which have been defeased to their maturity date, if the City (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Certificates for redemption, (ii) gives notice of the reservation of that right to the owners of the Certificates immediately following the making of the firm banking and financial arrangements, and (iii) directs that notice of the reservation be included in any redemption notices that it authorizes.

Default and Remedies

If the City defaults in the payment of principal, interest, or redemption price on the Certificates when due, or if it fails to make payments into any fund or funds created in the Ordinance, or defaults in the observation or performance of any other covenants, conditions, or obligations set forth in the Ordinance, the registered owners may seek a writ of mandamus to compel City officials to carry out their legally imposed duties with respect to the Certificates, if there is no other available remedy at law to compel performance of the Certificates or the Ordinance and the City's obligations are not uncertain or disputed. The issuance of a writ of mandamus is controlled by equitable principles, so rests with the discretion of the court, but may not be arbitrarily refused. There is no acceleration of maturity of the Certificates in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The Ordinance does not provide for the appointment of a trustee to represent the interest of the bondholders upon any failure of the City to perform in accordance with the terms of the Ordinance, or upon any other condition and accordingly all legal actions to enforce such remedies would have to be undertaken at the initiative of, and be financed by, the registered owners. The Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) that a waiver of sovereign immunity in a contractual dispute must be provided for by statute in "clear and unambiguous" language.

Furthermore, *Tooke*, and subsequent jurisprudence, held that a municipality is not immune from suit for torts committed in the performance of its proprietary functions, as it is for torts committed in the performance of its governmental functions (the "Proprietary-Governmental Dichotomy"). Governmental functions are those that are enjoined on a municipality by law and are given by the State as a part of the State's sovereignty, to be exercised by the municipality in the interest of the general public, while proprietary functions are those that a municipality may, in its discretion, perform in the interest of the inhabitants of municipality.

In *Wasson Interests, Ltd., v. City of Jacksonville*, 489 S.W.3d 427 (Tex. 2016) ("Wasson") the Texas Supreme Court (the "Court") addressed whether the distinction between governmental and proprietary acts (as found in tort-based causes of action) applies to breach of contract claims against municipalities. The Court analyzed the rationale behind the Proprietary-Governmental Dichotomy to determine that "a city's proprietary functions are not done pursuant to the 'will of the people'" and protecting such municipalities "via the [S]tate's immunity is not an efficient way to ensure efficient allocation of [S]tate resources". While the Court recognized that the distinction between government and proprietary functions is not clear, the Wasson opinion held that Proprietary-Governmental Dichotomy applies in contract-claims context. The Court reviewed *Wasson* again in June 2018 and clarified that to determine whether governmental immunity applies to a breach of contract claim, the proper inquiry is whether the municipality was engaged in a governmental or proprietary function when it entered into the contract, not at the time of alleged breach. Therefore, in regard to municipal contract cases (as in tort claims), it is incumbent on the courts to determine whether a function is proprietary or governmental based upon the statutory guidance and definitions found in the Texas Civil Practice and Remedies Code.

Notwithstanding the foregoing new case law issued by the Court, such sovereign immunity issues have not been adjudicated in relation to bond matters (specifically, in regard to the issuance of municipal debt). Each situation will be prospectively evaluated based on the facts and circumstances surrounding the contract in question to determine if a suit, and subsequently, a judgment, is justiciable against a municipality.

If a judgment against the City could be obtained, it could not be enforced by direct levy and execution against the City's property. Further, the registered owners cannot themselves foreclose on property within the City or sell property within the City to enforce the tax lien on taxable property to pay the principal of and interest on the Certificates. As noted above, the Ordinance provides that Certificate holders may exercise the remedy of mandamus to enforce the obligations of the City under the Ordinance. Neither the remedy of mandamus nor any other type of injunctive relief was at issue in *Tooke*, and it is unclear whether *Tooke* will be construed to have any effect with respect to the exercise of mandamus, as such remedy has been interpreted by Texas courts. In general, Texas courts have held that a writ of mandamus may be issued to require public officials to perform ministerial acts that clearly pertain to their duties. Texas courts have held that a ministerial act is defined as a legal duty that is prescribed and defined with a precision and certainty that leaves nothing to the exercise of discretion or judgment, though mandamus is not available to enforce purely contractual duties. However, mandamus may be used to require a public officer to perform legally imposed ministerial duties necessary for the performance of a valid contract to which the State or a political subdivision of the State is a party (including the payment of monies due under a contract). Furthermore, the City is eligible to seek relief from its creditors under Chapter 9 of the U.S. Bankruptcy Code ("Chapter 9"). Although Chapter 9 provides for the recognition of a security interest represented by a specifically pledged source of revenues, the pledge of ad valorem taxes in support of a general obligation of a bankrupt entity is not specifically recognized as a security interest under Chapter 9. Chapter 9 also includes an automatic stay provision that would prohibit, without Bankruptcy Court approval, the prosecution of any other legal action by creditors or bondholders of an entity which has sought protection under Chapter 9. Therefore, should the City avail itself of Chapter 9 protection from creditors, the ability to enforce would be subject to the approval of the Bankruptcy Court (which could require that the action be heard in Bankruptcy Court instead of other federal or state court); and the Bankruptcy Code provides for broad discretionary powers of a Bankruptcy Court in administering any proceeding brought before it. The opinion of Bond Counsel will note that all opinions relative to the enforceability of the Ordinance and the

Certificates are qualified with respect to the customary rights of debtors relative to their creditors and general principles of equity that permit the exercise of judicial discretion.

REGISTRATION, TRANSFER AND EXCHANGE

Paying Agent/Registrar

The initial Paying Agent/Registrar is BOKF, NA, Dallas, Texas. In the Ordinance, the Issuer retains the right to replace the Paying Agent/Registrar. If the Paying Agent/Registrar is replaced by the Issuer, the new Paying Agent/Registrar shall accept the previous Paying Agent/Registrar's records and act in the same capacity as the previous Paying Agent/Registrar. Any successor Paying Agent/Registrar, selected at the sole discretion of the Issuer, shall be a national or state banking association or corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, shall be subject to supervision or examination by federal or state authority, and registered as a transfer agent with the United States Securities and Exchange Commission. Upon a change in the Paying Agent/Registrar for the Certificates, the Issuer agrees to promptly cause written notice thereof to be sent to each registered owner of the Certificates affected by the change by United States mail, first-class, postage prepaid.

The Certificates will be issued in fully registered form in multiples of \$5,000 for any one stated maturity, and principal and semiannual interest will be paid by the Paying Agent/Registrar. Interest will be paid by check or draft mailed on each interest payment date by the Paying Agent/Registrar to the registered owner at the last known address as it appears on the Paying Agent/Registrar's books or by such other method, acceptable to the Paying Agent/Registrar, requested by and at the risk and expense of the registered owner. Principal will be paid to the registered owner at stated maturity or prior redemption upon presentation to the Paying Agent/Registrar; provided however, that so long as DTC's Book-Entry-Only System is used, all payments will be made as described under "BOOK-ENTRY-ONLY SYSTEM" herein. If the date for the payment of the principal or interest on the Certificates shall be a Saturday, Sunday, a legal holiday or a day when banking institutions in the city where the Paying Agent/ Registrar is located are authorized to close, then the date for such payment shall be the next succeeding day which is not such a day, and payment on such date shall have the same force and effect as if made on the date payment was due.

Record Date

The record date ("Record Date") for determining the party to whom interest is payable on a Certificate on any interest payment date means the fifteenth (15th) day of the month next preceding each interest payment date. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment will be established by the Paying Agent/Registrar. (See "REGISTRATION, TRANSFER, AND EXCHANGE - Special Record Date for Interest Payment" herein.)

Special Record Date for Interest Payment

In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date" which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each registered owner of a Certificate appearing on the registration books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

Future Registration

In the event the Certificates are not in the Book-Entry-Only System, the Certificates may be transferred, registered, and assigned on the registration books of the Paying Agent/Registrar only upon presentation and surrender thereof to the Paying Agent/Registrar, and such registration and transfer shall be without expense or service charge to the registered owner, except for any tax or other governmental charges required to be paid with respect to such registration and transfer. A Certificate may be assigned by the execution of an assignment form on the Certificate or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. A new Certificate or Certificates will be delivered by the Paying Agent/Registrar in lieu of the Certificates being transferred or exchanged at the corporate trust office of the Paying Agent/Registrar, or sent by United States registered mail to the new registered owner at the registered owner's request, risk and expense. New Certificates issued in an exchange or transfer of Certificates will be delivered to the registered owner or assignee of the registered owner in not more than three (3) business days after the receipt of the Certificates to be canceled in the exchange or transfer and the written instrument of transfer or request for exchange duly executed by the registered owner or his duly authorized agent, in form satisfactory to the Paying Agent/Registrar. New Certificates registered and delivered in an exchange or transfer shall be in denominations of \$5,000 for any one stated maturity or any integral multiple thereof and for a like aggregate principal amount and rate of interest as the Certificate or Certificates surrendered for exchange or transfer. (See "BOOK-ENTRY-ONLY SYSTEM" herein for a description of the system to be utilized in regard to ownership and transferability of the Certificates.)

Limitation on Transfer of Certificates

Neither the Issuer nor the Paying Agent/Registrar shall be required to make any such transfer, conversion or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date or (ii) with respect to any Certificate or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date; provided, however, that such limitation shall not apply to uncalled portions of a Certificate redeemed in part.

Replacement Certificates

The Issuer has agreed to replace mutilated, destroyed, lost, or stolen Certificates upon surrender of the mutilated Certificates to the Paying Agent/Registrar, or receipt of satisfactory evidence of such destruction, loss, or theft, and receipt by the Issuer and Paying Agent/Registrar

of security or indemnity as may be required by either of them to hold them harmless. The Issuer may require payment of taxes, governmental charges, and other expenses in connection with any such replacement. The person requesting the authentication of and delivery of a replacement Certificate must comply with such other reasonable regulations as the Paying Agent/Registrar may prescribe and pay such expenses as the Paying Agent/Registrar may incur in connection therewith.

BOND INSURANCE

The Issuer is considering qualifying the Certificates for municipal bond insurance and has made application to several bond insurance companies in connection with such consideration. No representation is hereby made that the Issuer will use municipal bond insurance in connection with the issuance of the Certificates. If the City accepts a bid for the Certificates that incorporates the acquisition of a municipal bond guaranty policy (the "Policy") from a qualified bond insurance company (the "Insurer"), the premium for the Policy will be paid by the Purchaser. The final Official Statement shall disclose, to the extent necessary, any relevant information relating to the Policy.

BOND INSURANCE GENERAL RISKS

General

The City has applied for a Policy to guarantee the Certificates. The City has yet to determine whether any insurance will be purchased with the Certificates, but the payment of the bond insurance premium will be the Purchaser's obligation. If a Policy is purchased as a result of the City accepting a bid for the Certificates that incorporate the acquisition of such a policy, the following are risk factors relating to the bond insurance.

In the event of default of the scheduled payment of principal of or interest on the Certificates when all or a portion thereof becomes due, any owner of the Certificates shall have a claim under the Policy for such payments. The payment of principal and interest in connection with mandatory or optional prepayment of the Certificates by the City which is recovered by the City from the Beneficial Owners as a voidable preference under applicable bankruptcy law is covered by the Policy; however, such payments will be made by the Insurer at such time and in such amounts as would have been due absent such prepayment by the City (unless the Insurer chooses to pay such amounts at an earlier date). Payment of principal of and interest on the Certificates is not subject to acceleration, but other legal remedies upon the occurrence of non-payment do exist (see "THE CERTIFICATES - Default and Remedies"). The Insurer may reserve the right to direct the pursuit of available remedies, and, in addition, may reserve the right to consent to any remedies available to and requested by the Beneficial Owners.

In the event the Insurer is unable to make payment of principal and interest as such payments become due under the Policy, the Certificates are payable from the ad valorem tax levied, within the limitations prescribed by law, on all taxable property located within the City and by a pledge of a limited amount of the Net Revenues derived from the operation of the System as further described under "THE CERTIFICATES – Security for Payment". In the event the Insurer becomes obligated to make payments with respect to the Certificates, no assurance is given that such event will not adversely affect the market price or the marketability (liquidity) of the Certificates.

If a Policy is acquired, the enhanced long-term rating on the Certificates will be dependent on the financial strength of the Insurer and its claims paying ability. The Insurer's financial strength and claims paying ability are predicated upon a number of factors which could change over time. No assurance can be given that the long-term ratings of the Insurer and of the rating on the Certificates, whether or not subject to the Policy, will not be subject to downgrade and such event could adversely affect the market price or the marketability (liquidity) for the Certificates. See the disclosure described in "OTHER PERTINENT INFORMATION – Ratings" herein.

The obligations of the Insurer under the Policy are general obligations of the Insurer and in an event of default by the Insurer, the remedies available may be limited by applicable bankruptcy law. None of the City, the Purchaser, or the City's Financial Advisor have made an independent investigation into the claims paying ability of the Insurer and no assurance or representation regarding the financial strength or projected financial strength of the Insurer is given.

Claims-Paying Ability and Financial Strength of Municipal Bond Insurers

Moody's Investor Services, Inc., S&P Global Ratings and Fitch Ratings, Inc. (the "Rating Agencies") have, in recent years, downgraded and/or placed on negative watch the claims-paying and financial strength of many providers of municipal bond insurance. Additional downgrades or negative changes in the rating outlook for all bond insurers are possible. In addition, recent events in the credit markets have had substantial negative effects on the bond insurance business. These developments could be viewed as having a material adverse effect on the claims-paying ability of such bond insurers, including any bond insurer of the Certificates. Thus, when making an investment decision, potential investors should carefully consider the ability of the City to pay principal and interest on the Certificates and the claims-paying ability of any such bond insurer, particularly over the life of the investment.

BOOK-ENTRY-ONLY SYSTEM

This section describes how ownership of the Certificates is to be transferred and how the principal of, premium, if any, and interest on the Certificates are to be paid to and credited by The Depository Trust Company ("DTC"), New York, New York, while the Certificates are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Official Statement. The City, the Financial Advisor, and the Purchaser believe the source of such information to be reliable, but take no responsibility for the accuracy or completeness thereof.

The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Certificates, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Certificates), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or (3) DTC will serve and act in the manner described in this Official Statement. The current rules applicable to DTC are on file with the

United States Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Certificates. The Certificates will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered bond certificate will be issued for the Certificates, in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a S&P Global Ratings rating of AA+. The DTC Rules applicable to its Participants are on file with the United States Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the Certificates on DTC's records. The ownership interest of each actual purchaser of each Certificate ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive physical certificates representing their ownership interests in Certificates, except in the event that use of the book-entry system for the Certificates is discontinued.

To facilitate subsequent transfers, all Certificates deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in Beneficial Ownership. DTC has no knowledge of the actual Beneficial Owners of the Certificates; DTC's records reflect only the identity of the Direct Participants to whose accounts such Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Certificates, such as redemptions, tenders, defaults, and proposed amendments to the Certificate documents. For example, Beneficial Owners of Certificates may wish to ascertain that the nominee holding the Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Certificates within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Certificates unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal, and interest payments on the Certificates will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Paying Agent/Registrar, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Paying Agent/Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Certificates at any time by giving reasonable notice to Issuer or Paying Agent/Registrar. Under such circumstances, in the event that a successor depository is not obtained, physical certificates are required to be printed and delivered. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, physical certificates will be printed and delivered to the holder of such Certificates and will be

subject to transfer, exchange and registration provisions as set forth in the Ordinance and summarized under “REGISTRATION, TRANSFER AND EXCHANGE” hereinabove.

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the City, the Financial Advisor, and the Purchaser believe to be reliable, but none of the City, the Financial Advisor, or the Purchaser take responsibility for the accuracy thereof.

So long as Cede & Co. is the registered owner of the Certificates, the Issuer will have no obligation or responsibility to the DTC. Participants or Indirect Participants, or the persons for which they act as nominees, with respect to payment to or providing of notice to such Participants, or the persons for which they act as nominees.

Use of Certain Terms in Other Sections of this Official Statement

In reading this Official Statement it should be understood that while the Certificates are in the Book-Entry-Only System, references in other sections of this Official Statement to registered owners should be read to include the person for which the Participant acquires an interest in the Certificates, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System, and (ii) except as described above, payment or notices that are to be given to registered owners under the Ordinance will be given only to DTC.

Effect of Termination of Book-Entry-Only System

In the event that the Book-Entry-Only System is discontinued by DTC or the use of the Book-Entry-Only System is discontinued by the City, printed certificates representing the Certificates will be issued to the holders and the Certificates will be subject to transfer, exchange and registration provisions as set forth in the Ordinance and summarized under “REGISTRATION, TRANSFER AND EXCHANGE – Future Registration.”

INVESTMENT POLICIES

The City invests its investable funds in investments authorized by State law and in accordance with investment policies approved and reviewed annually by the City Commission of the City. Both State law and the City’s investment policies are subject to change.

Legal Investments

Under State law and subject to certain limitations, the City is authorized to invest in (1) obligations of the United States or its agencies and instrumentalities; (2) direct obligations of the State of Texas or its agencies and instrumentalities; (3) collateralized mortgage obligations issued and secured by a federal agency or instrumentality of the United States; (4) other obligations unconditionally guaranteed or insured by the State of Texas or the United States or their respective agencies and instrumentalities; (5) “A” or better rated obligations of states, agencies, counties, cities, and other political subdivisions of any state; (6) bonds issued, assumed, or guaranteed by the State of Israel; (7) federally insured interest-bearing bank deposits, brokered pools of such deposits, and collateralized certificates of deposit and share certificates; (8) fully collateralized United States government securities repurchase agreements; (9) one-year or shorter securities lending agreements secured by obligations described in clauses (1) through (7) above or (11) through (14) below or an irrevocable letter of credit issued by an “A” or better rated state or national bank; (10) 270-day or shorter bankers’ acceptances, if the short-term obligations of the accepting bank or its holding company are rated at least “A-1” or “P-1”; (11) commercial paper rated at least “A-1” or “P-1”; (12) SEC-registered no-load money market mutual funds that are subject to SEC Rule 2a-7; (13) SEC-registered no-load mutual funds that have an average weighted maturity of less than two years; (14) “AAA” or “AAAm”-rated investment pools that invest solely in investments described above; and (15) in the case of bond proceeds, guaranteed investment contracts that are secured by obligations described in clauses (1) through (7) above and, except for debt service funds and reserves, have a term of 5 years or less.

The City may not, however, invest in (1) interest only obligations, or non-interest bearing principal obligations, stripped from mortgage-backed securities; (2) collateralized mortgage obligations that have a remaining term that exceeds 10 years; and (3) collateralized mortgage obligations that bear interest at an index rate that adjusts opposite to the changes in a market index. In addition, the City may not invest more than 15% of its monthly average fund balance (excluding bond proceeds and debt service funds and reserves) in mutual funds described in clause (13) above or make an investment in any mutual fund that exceeds 10% of the fund’s total assets.

Except as stated above or inconsistent with its investment policy, the City may invest in obligations of any duration without regard to their credit rating, if any. If an obligation ceases to qualify as an eligible investment after it has been purchased, the City is not required to liquidate the investment unless it no longer carries a required rating, in which case the City is required to take prudent measures to liquidate the investment that are consistent with its investment policy.

Investment Policies

Under State law, the City is required to adopt and annually review written investment policies and must invest its funds in accordance with its policies. The policies must identify eligible investments and address investment diversification, yield, maturity, and the quality and capability of investment management. For investments whose eligibility is rating dependent, the policies must adopt procedures to monitor ratings and liquidate investments if and when required. The policies must require that all investment transactions settle on a delivery versus payment basis. The City is required to adopt a written investment strategy for each fund group to achieve investment objectives in the following order of priority: (1) suitability, (2) preservation and safety of principal, (3) liquidity, (4) marketability, (5) diversification, and (6) yield.

State law requires the City’s investments be made “with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person’s own affairs, not for speculation, but for investment considering

the probable safety of capital and the probable income to be derived.” The City is required to perform an annual audit of the management controls on investments and compliance with its investment policies and provide regular training for its investment officers.

Current Investments ⁽¹⁾

TABLE 1

As of January 31, 2021, the City held investments as follows:

<u>Investment Type</u>	<u>Amount</u>	<u>Percentage</u>
Local Checking	\$5,170,959	70%
Texpool Accounts	525,840	7%
Certificates of Deposit	<u>1,676,807</u>	<u>23%</u>
Total	<u>\$7,373,606</u>	<u>100%</u>

As of such date, the market value of such investments (as determined by the Issuer by reference to published quotations, dealer bids, and comparable information) was approximately 100% of their book value. No funds of the Issuer are invested in derivative securities, *i.e.*, securities whose rate of return is determined by reference to some other instrument, index, or commodity.

⁽¹⁾ Unaudited.

AD VALOREM PROPERTY TAXATION

The following is a summary of certain provisions of State law as it relates to ad valorem taxation and is not intended to be complete. Prospective investors are encouraged to review Title I of the Texas Tax Code, as amended (the “Property Tax Code”), for identification of property subject to ad valorem taxation, property exempt or which may be exempted from ad valorem taxation if claimed, the appraisal of property for ad valorem tax purposes, and the procedures and limitations applicable to the levy and collection of ad valorem taxes.

Valuation of Taxable Property

The Property Tax Code provides for countywide appraisal and equalization of taxable property values and establishes in each county of the State an appraisal district and an appraisal review board (the “Appraisal Review Board”) responsible for appraising property for all taxing units within the county. The appraisal of property within the City is the responsibility of the Moore County Appraisal District (“Appraisal District”). Except as generally described below, the Appraisal District is required to appraise all property within the Appraisal District on the basis of 100% of its market value and is prohibited from applying any assessment ratios. In determining market value of property, the Appraisal District is required to consider the cost method of appraisal, the income method of appraisal and the market data comparison method of appraisal, and use the method the chief appraiser of the Appraisal District considers most appropriate. The Property Tax Code requires appraisal districts to reappraise all property in its jurisdiction at least once every three (3) years. A taxing unit may require annual review at its own expense, and is entitled to challenge the determination of appraised value of property within the taxing unit by petition filed with the Appraisal Review Board.

State law requires the appraised value of an owner’s principal residence (“homestead” or “homesteads”) to be based solely on the property’s value as a homestead, regardless of whether residential use is considered to be the highest and best use of the property. State law further limits the appraised value of a homestead to the lesser of (1) the market value of the property or (2) 110% of the appraised value of the property for the preceding tax year plus the market value of all new improvements to the property.

State law provides that eligible owners of both agricultural land and open-space land, including open-space land devoted to farm or ranch purposes or open-space land devoted to timber production, may elect to have such property appraised for property taxation on the basis of its productive capacity. The same land may not be qualified as both agricultural and open-space land.

The appraisal values set by the Appraisal District are subject to review and change by the Appraisal Review Board. The appraisal rolls, as approved by the Appraisal Review Board, are used by taxing units, such as the City, in establishing their tax rolls and tax rates (see “AD VALOREM PROPERTY TAXATION – City and Taxpayer Remedies”).

State Mandated Homestead Exemptions

State law grants, with respect to each taxing unit in the State, various exemptions for disabled veterans and their families, surviving spouses of members of the armed services killed in action and surviving spouses of first responders killed or fatally wounded in the line of duty.

Local Option Homestead Exemptions

The governing body of a taxing unit, including a city, county, school district, or special district, at its option may grant: (1) an exemption of up to 20% of the appraised value of all homesteads (but not less than \$5,000) and (2) an additional exemption of at least \$3,000 of the appraised value of the homesteads of persons sixty-five (65) years of age or older and the disabled. Each taxing unit decides if it will offer the local option homestead exemptions and at what percentage or dollar amount, as applicable. The exemption described in (2), above, may also be created, increased, decreased or repealed at an election called by the governing body of a taxing unit upon presentation of a petition for such creation, increase, decrease, or repeal of at least 20% of the number of qualified voters who voted in the preceding election of the taxing unit.

Local Option Freeze for the Elderly and Disabled

The governing body of a county, municipality or junior college district may, at its option, provide for a freeze on the total amount of ad valorem taxes levied on the homesteads of persons 65 years of age or older or of disabled persons above the amount of tax imposed in the year such residence qualified for such exemption. Also, upon voter initiative, an election may be held to determine by majority vote whether to establish such a freeze on ad valorem taxes. Once the freeze is established, the total amount of taxes imposed on such homesteads cannot be increased except for certain improvements, and such freeze cannot be repealed or rescinded.

Personal Property

Tangible personal property (furniture, machinery, supplies, inventories, etc.) used in the “production of income” is taxed based on the property’s market value. Taxable personal property includes income-producing equipment and inventory. Intangibles such as goodwill, accounts receivable, and proprietary processes are not taxable. Tangible personal property not held or used for production of income, such as household goods, automobiles or light trucks, and boats, is exempt from ad valorem taxation unless the governing body of a taxing unit elects to tax such property.

Freeport and Goods-In-Transit Exemptions

Certain goods that are acquired in or imported into the State to be forwarded outside the State, and are detained in the State for 175 days or less for the purpose of assembly, storage, manufacturing, processing or fabrication (“Freeport Property”) are exempt from ad valorem taxation unless a taxing unit took official action to tax Freeport Property before April 1, 1990 and has not subsequently taken official action to exempt Freeport Property. Decisions to continue taxing Freeport Property may be reversed in the future; decisions to exempt Freeport Property are not subject to reversal.

Certain goods, that are acquired in or imported into the State to be forwarded to another location within or without the State, stored in a location that is not owned by the owner of the goods and are transported to another location within or without the State within 175 days (“Goods-in-Transit”), are generally exempt from ad valorem taxation; however, the Property Tax Code permits a taxing unit, on a local option basis, to tax Goods-in-Transit if the taxing unit takes official action, after conducting a public hearing, before January 1 of the first tax year in which the taxing unit proposes to tax Goods-in-Transit. Goods-in-Transit and Freeport Property do not include oil, natural gas or petroleum products, and Goods-in-Transit does not include aircraft or special inventories such as manufactured housing inventory, or a dealer’s motor vehicle, boat, or heavy equipment inventory.

A taxpayer may receive only one of the Goods-in-Transit or Freeport Property exemptions for items of personal property.

Other Exempt Property

Other major categories of exempt property include property owned by the State or its political subdivisions if used for public purposes, property exempt by federal law, property used for pollution control, farm products owned by producers, property of nonprofit corporations used for scientific research or educational activities benefitting a college or university, designated historic sites, solar and wind-powered energy devices, and certain classes of intangible personal property.

Tax Increment Reinvestment Zones

A city or county, by petition of the landowners or by action of its governing body, may create one or more tax increment reinvestment zones (“TIRZ”) within its boundaries. At the time of the creation of the TIRZ, a “base value” for the real property in the TIRZ is established and the difference between any increase in the assessed valuation of taxable real property in the TIRZ in excess of the base value is known as the “tax increment”. During the existence of the TIRZ, all or a portion of the taxes levied against the tax increment by a city or county, and all other overlapping taxing units that elected to participate, are restricted to paying only planned project and financing costs within the TIRZ and are not available for the payment of other obligations of such taxing units.

Tax Abatement Agreements

Taxing units may also enter into tax abatement agreements to encourage economic development. Under the agreements, a property owner agrees to construct certain improvements on its property. The taxing unit, in turn, agrees not to levy a tax on all or part of the increased value attributable to the improvements until the expiration of the agreement. The abatement agreement could last for a period of up to 10 years.

City and Taxpayer Remedies

Under certain circumstances, taxpayers and taxing units, including the City, may appeal the determinations of the Appraisal District by timely initiating a protest with the Appraisal Review Board. Additionally, taxing units such as the City may bring suit against the Appraisal District to compel compliance with the Property Tax Code.

Owners of certain property with a taxable value in excess of the current year “minimum eligibility amount”, as determined by the State Comptroller, and situated in a county with a population of one million or more, may protest the determinations of an appraisal district directly to a three-member special panel of the appraisal review board, appointed by the chairman of the appraisal review board, consisting of highly qualified professionals in the field of property tax appraisal. The minimum eligibility amount is set at \$50 million for the 2020 tax year, and is adjusted annually by the State Comptroller to reflect the inflation rate.

The Property Tax Code sets forth notice and hearing procedures for certain tax rate increases by the District and provides for taxpayer referenda that could result in the repeal of certain tax increases. The Property Tax Code also establishes a procedure for providing notice to property owners of reappraisals reflecting increased property value, appraisals which are higher than renditions, and appraisals of property not previously on an appraisal roll.

Levy and Collection of Taxes

The City is responsible for the collection of its taxes, unless it elects to transfer such functions to another governmental entity. Taxes are due October 1, or when billed, whichever comes later, and become delinquent after January 31 of the following year. A delinquent tax incurs a penalty of six percent (6%) of the amount of the tax for the first calendar month it is delinquent, plus one percent (1%) for each additional month or portion of a month the tax remains unpaid prior to July 1 of the year in which it becomes delinquent. If the tax is not paid by July 1 of the year in which it becomes delinquent, the tax incurs a total penalty of twelve percent (12%) regardless of the number of months the tax has been delinquent and incurs an additional penalty of up to twenty percent (20%) if imposed by the City. The delinquent tax also accrues interest at a rate of one percent (1%) for each month or portion of a month it remains unpaid. The Property Tax Code also makes provision for the split payment of taxes, discounts for early payment and the postponement of the delinquency date of taxes for certain taxpayers. Furthermore, the City may provide, on a local option basis, for the split payment, partial payment, and discounts for early payment of taxes under certain circumstances.

City's Rights in the Event of Tax Delinquencies

Taxes levied by the City are a personal obligation of the owner of the property. On January 1 of each year, a tax lien attaches to property to secure the payment of all state and local taxes, penalties, and interest ultimately imposed for the year on the property. The lien exists in favor of each taxing unit, including the City, having power to tax the property. The City's tax lien is on a parity with tax liens of such other taxing units. A tax lien on real property takes priority over the claim of most creditors and other holders of liens on the property encumbered by the tax lien, whether or not the debt or lien existed before the attachment of the tax lien; however, whether a lien of the United States is on a parity with or takes priority over a tax lien of the City is determined by applicable federal law. Personal property, under certain circumstances, is subject to seizure and sale for the payment of delinquent taxes, penalty, and interest.

At any time after taxes on property become delinquent, the City may file suit to foreclose the lien securing payment of the tax, to enforce personal liability for the tax, or both. In filing a suit to foreclose a tax lien on real property, the City must join other taxing units that have claims for delinquent taxes against all or part of the same property.

Collection of delinquent taxes may be adversely affected by the amount of taxes owed to other taxing units, adverse market conditions, taxpayer redemption rights, or bankruptcy proceedings which restrain the collection of a taxpayer's debt.

Federal bankruptcy law provides that an automatic stay of actions by creditors and other entities, including governmental units, goes into effect with the filing of any petition in bankruptcy. The automatic stay prevents governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In many cases, post-petition taxes are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

Public Hearing and Maintenance and Operations Tax Rate Limitations

The following terms as used in this section have the meanings provided below:

“adjusted” means lost values are not included in the calculation of the prior year's taxes and new values are not included in the current year's taxable values.

“de minimis rate” means the maintenance and operations tax rate that will produce the prior year's total maintenance and operations tax levy (adjusted) from the current year's values (adjusted), plus the rate that produces an additional \$500,000 in tax revenue when applied to the current year's taxable value, plus the debt service tax rate.

“no-new-revenue tax rate” means the combined maintenance and operations tax rate and debt service tax rate that will produce the prior year's total tax levy (adjusted) from the current year's total taxable values (adjusted).

“special taxing unit” means a city for which the maintenance and operations tax rate proposed for the current tax year is 2.5 cents or less per \$100 of taxable value.

“unused increment rate” means the cumulative difference between a city's voter-approval tax rate and its actual tax rate for each of the tax years 2020 through 2022, which may be applied to a city's tax rate in tax years 2021 through 2023 without impacting the voter-approval tax rate.

“voter-approval tax rate” means the maintenance and operations tax rate that will produce the prior year’s total maintenance and operations tax levy (adjusted) from the current year’s values (adjusted) multiplied by 1.035, plus the debt service tax rate, plus the “unused increment rate”.

The City’s tax rate consists of two components: (1) a rate for funding of maintenance and operations expenditures in the current year (the “maintenance and operations tax rate”), and (2) a rate for funding debt service in the current year (the “debt service tax rate”). Under State law, the assessor for the City must submit an appraisal roll showing the total appraised, assessed, and taxable values of all property in the City to the City Commission by August 1 or as soon as practicable thereafter.

A city must annually calculate its voter-approval tax rate and no-new-revenue tax rate in accordance with forms prescribed by the State Comptroller and provide notice of such rates to each owner of taxable property within the city and the county tax assessor-collector for each county in which all or part of the city is located. A city must adopt a tax rate before the later of September 30 or the 60th day after receipt of the certified appraisal roll, except that a tax rate that exceeds the voter-approval tax rate must be adopted not later than the 71st day before the next occurring November uniform election date. If a city fails to timely adopt a tax rate, the tax rate is statutorily set as the lower of the no-new-revenue tax rate for the current tax year or the tax rate adopted by the city for the preceding tax year.

As described below, the Property Tax Code provides that if a city adopts a tax rate that exceeds its voter-approval tax rate or, in certain cases, its de minimis rate, an election must be held to determine whether or not to reduce the adopted tax rate to the voter-approval tax rate.

A city may not adopt a tax rate that exceeds the lower of the voter-approval tax rate or the no-new-revenue tax rate until each appraisal district in which such city participates has delivered notice to each taxpayer of the estimated total amount of property taxes owed and the city has held a public hearing on the proposed tax increase.

For cities with a population of 30,000 or more as of the most recent federal decennial census, if the adopted tax rate for any tax year exceeds the voter-approval tax rate, that city must conduct an election on the next occurring November uniform election date to determine whether or not to reduce the adopted tax rate to the voter-approval tax rate.

For cities with a population less than 30,000 as of the most recent federal decennial census, if the adopted tax rate for any tax year exceeds the greater of (i) the voter-approval tax rate or (ii) the de minimis rate, the city must conduct an election on the next occurring November uniform election date to determine whether or not to reduce the adopted tax rate to the voter-approval tax rate. However, for any tax year during which a city has a population of less than 30,000 as of the most recent federal decennial census and does not qualify as a special taxing unit, if a city’s adopted tax rate is equal to or less than the de minimis rate but greater than both (a) the no-new-revenue tax rate, multiplied by 1.08, plus the debt service tax rate or (b) the city’s voter-approval tax rate, then a valid petition signed by at least three percent of the registered voters in the city would require that an election be held to determine whether or not to reduce the adopted tax rate to the voter-approval tax rate.

Any city located at least partly within an area declared a disaster area by the Governor of the State or the President of the United States during the current year may calculate its voter-approval tax rate using a 1.08 multiplier, instead of 1.035, until the earlier of (i) the second tax year in which such city’s total taxable appraised value exceeds the taxable appraised value on January 1 of the year the disaster occurred, or (ii) the third tax year after the tax year in which the disaster occurred.

State law provides cities and counties in the State the option of assessing a maximum one-half percent (1/2%) sales and use tax on retail sales of taxable items for the purpose of reducing its ad valorem taxes, if approved by a majority of the voters in a local option election. If the additional sales and use tax for ad valorem tax reduction is approved and levied, the no-new-revenue tax rate and voter-approval tax rate must be reduced by the amount of the estimated sales tax revenues to be generated in the current tax year. See “APPENDIX A – Municipal Sales Tax”.

The calculations of the no-new-revenue tax rate and voter-approval tax rate do not limit or impact the City’s ability to set a debt service tax rate in each year sufficient to pay debt service on all of the City’s tax-supported debt obligations, including the Certificates.

Reference is made to the Property Tax Code for definitive requirements for the levy and collection of ad valorem taxes and the calculation of the various defined tax rates.

Debt Tax Rate Limitations

All taxable property within the City is subject to the assessment, levy and collection by the City of a continuing, direct annual ad valorem tax sufficient to provide for the payment of principal of and interest on all ad valorem tax-supported debt within the limits prescribed by law. Article XI, Section 5, of the Texas Constitution is applicable to the City, and limits its maximum ad valorem tax rate to \$2.50 per \$100 of taxable assessed valuation. Administratively, the Attorney General of the State of Texas will permit allocation of \$1.50 of the \$2.50 maximum tax rate for all debt service on ad valorem tax-supported debt, as calculated at the time of issuance.

2021 Legislation

On January 12, 2021, the 87th Texas Legislature convened in general session which is scheduled to adjourn on May 31, 2021. Thereafter, the Texas Governor may call one or more additional special sessions. During this time, the Texas Legislature may enact laws that materially change current law as it relates to the City and its finances. The City makes no representation regarding any actions the Texas Legislature may take but intends to monitor proposed legislation for any developments applicable to the City.

The Property Tax Code as Applied to the City

The City grants an exemption to the market value of the residence homestead of persons 65 years of age or older of \$60,000.

The City has not granted an additional exemption of 20% of the market value of residence homesteads; minimum exemption of \$5,000.

The City has not elected to grant a \$20,000 homestead exemption.

The City has adopted the tax freeze for citizens who are disabled or are 65 years of age or older.

Ad valorem taxes are not levied by the City against the exempt value of residence homesteads for the payment of debt.

The City does not tax nonbusiness personal property; and Moore County Appraisal District does not collect taxes for the City.

The City does permit split payments, and discounts are not allowed.

The City does not tax freeport property.

The City does not tax goods-in-transit.

The City does collect an additional one-half of one percent sales tax for reduction of ad valorem taxes.

The City has not adopted a tax abatement policy.

The City does not participate in any tax increment financing zones.

TAX MATTERS

Tax Exemption

The delivery of the Certificates is subject to the opinion of Norton Rose Fulbright US LLP, Bond Counsel, to the effect that interest on the Certificates for federal income tax purposes (1) is excludable from the gross income, as defined in section 61 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code"), of the owners thereof pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof. The statute, regulations, rulings, and court decisions on which such opinion is based are subject to change. A form of Bond Counsel's opinion is reproduced as APPENDIX C.

In rendering the foregoing opinions, Bond Counsel will rely upon the representations and certifications of the Issuer made in a certificate of even date with the initial delivery of the Certificates pertaining to the use, expenditure, and investment of the proceeds of the Certificates and will assume continuing compliance with the provisions of the Ordinance by the Issuer subsequent to the issuance of the Certificates. The Ordinance contains covenants by the Issuer with respect to, among other matters, the use of the proceeds of the Certificates and the facilities financed or refinanced therewith by persons other than state or local governmental units, the manner in which the proceeds of the Certificates are to be invested, if required, the calculation and payment to the United States Treasury of any arbitrage "profits" and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Certificates to be includable in the gross income of the owners thereof from the date of the issuance of the Certificates.

Except as described above, Bond Counsel will express no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Certificates. Bond Counsel's opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the Issuer described above. No ruling has been sought from the Internal Revenue Service (the "IRS") with respect to the matters addressed in the opinion of Bond Counsel, and Bond Counsel's opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on municipal obligations. If an audit of the Certificates is commenced, under current procedures the IRS is likely to treat the Issuer as the "taxpayer," and the owners of the Certificates would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Certificates, the Issuer may have different or conflicting interests from the owners of the Certificates. Public awareness of any future audit of the Certificates could adversely affect the value and liquidity of the Certificates during the pendency of the audit, regardless of its ultimate outcome.

Tax Changes

Existing law may change to reduce or eliminate the benefit to Certificate holders of the exclusion of interest on the Certificates from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value

and marketability of the Certificates. Prospective purchasers of the Certificates should consult with their own tax advisors with respect to any proposed or future changes in tax law.

Ancillary Tax Consequences

Prospective purchasers of the Certificates should be aware that the ownership of tax-exempt obligations such as the Certificates may result in collateral federal tax consequences to, among others, financial institutions (see “TAX MATTERS – Qualified Tax-Exempt Obligations” herein), property and casualty insurance companies, life insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, owners of an interest in a financial asset securitization investment trust (“FASIT”), individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

Tax Accounting Treatment of Discount Certificates

The initial public offering price to be paid for certain Certificates may be less than the amount payable on such Certificates at maturity (the “Discount Certificates”). An amount equal to the difference between the initial public offering price of a Discount Certificate (assuming that a substantial amount of the Discount Certificates of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Certificates. A portion of such original issue discount, allocable to the holding period of a Discount Certificate by the initial purchaser, will be treated as interest for federal income tax purposes, excludable from gross income on the same terms and conditions as those for other interest on the Certificates. Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Certificate, taking into account the semiannual compounding of accrued interest, at the yield to maturity on such Discount Certificate and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during his taxable year.

However, such interest may be required to be taken into account in determining the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions (see “TAX MATTERS – Qualified Tax-Exempt Obligations” herein), life insurance companies, property and casualty insurance companies, S corporations with “subchapter C” earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Certificate by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Certificate in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Certificate was held) is includable in gross income.

Owners of Discount Certificates should consult with their own tax advisors with respect to the determination for federal income tax purposes of accrued interest upon disposition of Discount Certificates and with respect to the state and local tax consequences of owning Discount Certificates. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on the Discount Certificates may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

Tax Accounting Treatment of Premium Certificates

The initial public offering price to be paid for certain Certificates may be greater than the stated redemption price on such Certificates at maturity (the “Premium Certificates”). An amount equal to the difference between the initial public offering price of a Premium Certificate (assuming that a substantial amount of the Premium Certificates of that maturity are sold to the public at such price) and its stated redemption price at maturity constitutes premium to the initial purchaser of such Premium Certificates. The basis for federal income tax purposes of a Premium Certificate in the hands of such initial purchaser must be reduced each year by the amortizable Certificate premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable Certificate premium with respect to the Premium Certificates. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Certificate. The amount of premium which is amortizable each year by an initial purchaser is determined by using such purchaser’s yield to maturity.

Purchasers of the Premium Certificates should consult with their own tax advisors with respect to the determination of amortizable Certificate premium on Premium Certificates for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Certificates.

Qualified Tax-Exempt Obligations

Section 265 of the Code provides, in general, that interest expense to acquire or carry tax-exempt obligations is not deductible from the gross income of the owner of such obligations. In addition, section 265 of the Code generally disallows 100% of any deduction for interest expense which is incurred by “financial institutions” described in such section and is allocable, as computed in such section, to tax-exempt interest on obligations acquired after August 7, 1986. Section 265(b) of the Code provides an exception to this interest disallowance rule for interest expense allocable to tax-exempt obligations (other than private activity Certificates that are not qualified 501(c)(3) bonds) which are designated by an issuer as “qualified tax-exempt obligations.” An issuer may designate obligations as “qualified tax-exempt obligations” only if the amount of the issue of which they are a part, when added to the amount of all other tax-exempt obligations (other than private activity bonds that are not qualified 501(c)(3) obligations and other than certain refunding bonds) issued or reasonably anticipated to be issued by the issuer during the same calendar year, does not exceed \$10,000,000.

Potential purchasers should be aware that the issue price to the public may exceed \$10,000,000, although the par amount of the Certificate shall not exceed \$10,000,000, and there is a reasonable basis to conclude that the payment of a “de minimus” amount of premium in excess of \$10,000,000 is disregarded; however, the Internal Revenue Service could take a contrary view. If the Internal Revenue Service takes the position that the amount of such premium is not disregarded, then such obligations might fail to satisfy the \$10,000,000 limitation and the Certificates would not be “qualified tax-exempt obligations.”

The City will designate the Certificates as “qualified tax-exempt obligations” and will certify its expectation that the above-described \$10,000,000 ceiling will not be exceeded. Accordingly, it is anticipated that financial institutions which purchase the Certificates will not be subject to the 100% disallowance of interest expense allocable to interest on the Certificates under section 265(b) of the Code. However, the deduction for interest expense incurred by a financial institution which is allocable to the interest on the Certificates will be reduced by 20% pursuant to section 291 of the Code.

CONTINUING DISCLOSURE OF INFORMATION

The City in the Ordinance has made the following agreement for the benefit of the holders and beneficial owners of the Certificates. The City is required to observe the agreement for so long as it remains obligated to advance funds to pay the Certificates. Under the agreement, the City will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified events, to the Municipal Securities Rulemaking Board (“MSRB”). This information will be available to the public free of charge from the MSRB via the Electronic Municipal Market Access (“EMMA”) system at www.emma.msrb.org, as further described below under “Availability of Information”.

Annual Reports

Under Texas law, including, but not limited to, Chapter 103, as amended, Texas Local Government Code, the Issuer must keep its fiscal records in accordance with generally accepted accounting principles, must have its financial accounts and records audited by a certified public accountant and must file each audit report within 180 days after the close of the Issuer's fiscal year. The Issuer's fiscal records and audit reports are available for public inspection during the regular business hours, and the Issuer is required to provide a copy of the Issuer's audit reports to any bondholder or other member of the public within a reasonable time on request upon payment of charges prescribed by the Texas General Services Commission.

The City shall provide annually to the MSRB (1) within six months after the end of each fiscal year of the City beginning in the year 2020, financial information and operating data with respect to the City of the general type included in the body of this Official Statement under “INVESTMENT POLICIES - Current Investments – Table 1” and in Tables 1, 2, 3, 9, 10, 11, 12, 13, 17 and 18 of “Appendix A - Financial Information of the Issuer” to this Official Statement (the “Annual Financial Information”), and (2) within six months after the end of each fiscal year of the City beginning in the year 2021, the audited financial statements of the City (the “Audited Financial Statements”). If the audit of such financial statements is not complete within six (6) months after any such fiscal year end, then the City shall file unaudited financial statements by the required time and audited financial statements for the applicable fiscal year, when and if the audit report becomes available. Any financial statements to be provided shall be prepared in accordance with the accounting principles described in APPENDIX D to this Official Statement, or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and shall be in substantially the form included in this Official Statement as APPENDIX D.

The Issuer may provide updated information in full text or may incorporate by reference certain other publicly available documents, as permitted by SEC Rule 15c2-12 (the “Rule”). The updated information will include audited financial statements for the Issuer, if the Issuer commissions an audit and it is completed by the required time. If audited financial statements are not available by that time, the Issuer will provide by the required time unaudited financial statements for the applicable fiscal year to the MSRB with the financial information and operating data and will file the annual audit report when and if the same becomes available. Any such financial statements will be prepared in accordance with the accounting principles described in the Issuer's annual financial statements or such other accounting principles as the Issuer may be required to employ from time to time pursuant to state law or regulation.

The Issuer's current fiscal year end is September 30. Accordingly, it must provide updated information by the end of March in each year following end of its fiscal year, unless the Issuer changes its fiscal year. If the Issuer changes its fiscal year, it will notify the MSRB through EMMA of the change.

Notice of Certain Events

The City will also provide timely notices of certain events to the MSRB. The City will provide notice of any of the following events with respect to the Certificates to the MSRB in a timely manner (but not in excess of ten business days after the occurrence of the event): (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Certificates, or other material events affecting the tax status of the Certificates, as the case may be; (7) modifications to rights of holders of the Certificates, if material; (8) Certificate calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Certificates, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership, or similar event of the City, which shall occur as described below; (13) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; (14) appointment of a successor or additional paying agent/registrars or the change of name of a paying agent/registrars, if material; (15) incurrence of a Financial Obligation of the City, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of any such Financial Obligation of the City, any of which affect security holders, if material; and (16) default, event of acceleration, termination

event, modification of terms, or other similar events under the terms of any such Financial Obligation of the City, any of which reflect financial difficulties. In the Ordinance, the City will adopt policies and procedures to ensure timely compliance of its continuing disclosure undertakings. In addition, the City will provide timely notice of any failure by the City to provide annual financial information in accordance with their agreement described above under “Annual Reports.” Neither the Certificates nor the Ordinance make provision for credit enhancement (although the City is soliciting bids for bond insurance), liquidity enhancement, or debt service reserves.

For these purposes, (a) any event described in clause (12) in the immediately preceding paragraph is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City, and (b) the City intends the words used in the immediately preceding clauses (15) and (16) and in the definition of Financial Obligation above to have the meanings ascribed to them in SEC Release No. 34-83885 dated August 20, 2018.

Availability of Information

All information and documentation filing required to be made by the City in accordance with its undertaking made for the Certificates will be made with the MSRB in electronic format in accordance with MSRB guidelines. Access to such filings will be provided, without charge to the general public, by the MSRB.

Limitations and Amendments

The City has agreed to update information and to provide notices of certain specified events only as described above. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Certificates at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its agreement or from any statement made pursuant to its agreement, although holders or Beneficial Owners of Certificates may seek a writ of mandamus to compel the City to comply with its agreement.

The City may amend its continuing disclosure agreement to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, if the agreement, as amended, would have permitted an underwriter to purchase or sell Certificates in the offering described herein in compliance with the Rule and either the holders of a majority in aggregate principal amount of the outstanding Certificates consent or any person unaffiliated with the City (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the holders or beneficial owners of the Certificates. If the City amends its agreement, it must include with the next financial information and operating data provided in accordance with its agreement described above under “Annual Reports” an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of information and data provided. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent any Purchasers from lawfully purchasing or selling Certificates, respectively, in the primary offering of the Certificates.

Compliance with Prior Agreements

During the past five years, the City has complied in all material respects in accordance with SEC Rule 15c2-12.

LEGAL MATTERS

Legal Opinions and No-Litigation Certificate

The Issuer will furnish the Purchaser with a complete transcript of proceedings incident to the authorization and issuance of the Certificates, including the unqualified approving legal opinion of the Attorney General of the State of Texas to the effect that the Initial Certificate is a valid and legally binding obligation of the Issuer, and based upon examination of such transcript of proceedings, the approval of certain legal matters by Bond Counsel, to the effect that the Certificates, issued in compliance with the provisions of the Ordinance, are valid and legally binding obligations of the Issuer and, subject to the qualifications set forth herein under "TAX MATTERS", the interest on the Certificates is exempt from federal income taxation under existing statutes, published rulings, regulations, and court decisions. Though it represents the Financial Advisor from time to time in matters unrelated to the issuance of the Certificates, Bond Counsel was engaged by, and only represents, the City in connection with the issuance of the Certificates. In its capacity as Bond Counsel, Norton Rose Fulbright US LLP, Austin and San Antonio, Texas has reviewed (except for numerical, statistical or technical data) the information under the captions “THE CERTIFICATES” (except under the subcaptions “Use of Certificate Proceeds”, “Sources and Uses” “Payment Record”, and “Default and Remedies”, as to which no opinion is expressed), “REGISTRATION, TRANSFER AND EXCHANGE”, “TAX MATTERS”, “CONTINUING DISCLOSURE OF INFORMATION” (except under the subheading “Compliance with Prior Undertakings” as to which no opinion is expressed), “LEGAL MATTERS—Legal Investments and Eligibility to Secure Public Funds in Texas”, and “OTHER PERTINENT INFORMATION—Registration and Qualification of Certificates for Sale” in the Official Statement and such firm is of the opinion that the information relating to the Certificates and the Ordinance contained under such captions is a fair and accurate summary of the information purported to be shown and that the information and descriptions contained under such captions relating to the provisions of applicable state and federal laws are correct as to matters of law. The customary closing papers, including a certificate to the effect that

no litigation of any nature has been filed or is then pending to restrain the issuance and delivery of the Certificates or which would affect the provision made for their payment or security, or in any manner questioning the validity of the Certificates will also be furnished. The legal fees to be paid Bond Counsel for services rendered in connection with the issuance of Certificates are contingent on the sale and initial delivery of the Certificates. The legal opinion of Bond Counsel will accompany the Certificates deposited with DTC or will be printed on the definitive Certificates in the event of the discontinuance of the Book-Entry-Only System.

The various legal opinions to be delivered concurrently with the delivery of the Certificates express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of the expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction, nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

Litigation

In the opinion of various officials of the Issuer, there is no litigation or other proceeding pending against or, to their knowledge, threatened against the Issuer in any court, agency, or administrative body (either state or federal) wherein an adverse decision would materially adversely affect the financial condition of the Issuer.

At the time of the initial delivery of the Certificates, the City will provide the Purchaser with a certificate to the effect that no litigation of any nature has been filed or is then pending challenging the issuance of the Certificates or that affects the payment and security of the Certificates or in any other manner questioning the issuance, sale, or delivery of the Certificates.

Legal Investments and Eligibility to Secure Public Funds in Texas

Section 1201.041 of the Public Securities Procedures Act (Chapter 1201, Texas Government Code) and Section 271.051, as amended, Texas Local Government Code, each, provide that the Certificates are negotiable instruments governed by Chapter 8, as amended, Texas Business and Commerce Code, and are legal and authorized investments for insurance companies, fiduciaries, and trustees, and for the sinking funds of municipalities or other political subdivisions or public agencies of the State of Texas. For political subdivisions in Texas which have adopted investment policies and guidelines in accordance with the Public Funds Investment Act, Chapter 2256, as amended, Texas Government Code, the Certificates must have to be assigned a rating of at least "A" or its equivalent as to investment quality by a national rating agency before such obligations are eligible investments for sinking funds and other public funds. (See "OTHER PERTINENT INFORMATION – Ratings" herein.) In addition, various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Certificates are legal investments for state banks, savings banks, trust companies with at least \$1 million of capital, and savings and loan associations.

The City has made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities or which might limit the suitability of the Certificates for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Certificates for such purposes. The City has made no review of laws in other states to determine whether the Certificates are legal investments for various institutions in those states.

FORWARD LOOKING STATEMENTS

The statements contained in this Official Statement, and in any other information provided by the City, that are not purely historical, are forward-looking statements, including statements regarding the City's expectations, hopes, intentions, or strategies regarding the future. Readers should not place undue reliance on forward-looking statements. All forward-looking statements included in this Official Statement are based on information available to the City on the date hereof, and the City assumes no obligation to update any such forward-looking statements. It is important to note that the City's actual results could differ materially from those in such forward-looking statements.

The forward-looking statements herein are necessarily based on various assumptions and estimates and are inherently subject to various risks and uncertainties, including risks and uncertainties relating to the possible invalidity of the underlying assumptions and estimates and possible changes or developments in social, economic, business, industry, market, legal, and regulatory circumstances and conditions and actions taken or omitted to be taken by third parties, including customers, suppliers, business partners and competitors, and legislative, judicial and other governmental authorities and officials. Assumptions related to the foregoing involve judgments with respect to, among other things, future economic, competitive, and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the control of the City. Any of such assumptions could be inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this Official Statement will prove to be accurate.

OTHER PERTINENT INFORMATION

Registration and Qualification of Certificates for Sale

The sale of the Certificates has not been registered under the Securities Act of 1933, as amended, in reliance upon exemptions provided in such Act; the Certificates have not been qualified under the Securities Act of Texas in reliance upon exemptions contained therein; nor have the Certificates been qualified under the securities acts of any other jurisdiction. The Issuer assumes no responsibility for qualification of the Certificates under the securities laws of any jurisdiction in which they may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Certificates shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions.

It is the obligation of the Purchaser to register or qualify the sale of the Certificates under the securities laws of any jurisdiction which so requires. The City agrees to cooperate, at the Purchaser's written request and sole expense, in registering or qualifying the Certificates or in obtaining an exemption from registration or qualification in any state where such action is necessary; provided, however, that the City shall not be required to qualify as a foreign corporation or to execute a general consent to service of process in any jurisdiction.

Ratings

A municipal bond rating application for the Certificates has been made to S&P Global Ratings (“S&P”). The outcome of the result will be made available as soon as possible. An explanation of the significance of such a rating may be obtained from S&P. The rating of the Certificates by S&P reflects only the view of S&P at the time the rating is given, and the Issuer makes no representations as to the appropriateness of the rating. There is no assurance that the rating will continue for any given period of time, or that the rating will not be revised downward or withdrawn entirely by S&P, if, in the judgment of S&P, circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Certificates.

Authenticity of Financial Information

The financial data and other information contained herein have been obtained from the Issuer's records, audited financial statements and other sources which are believed to be reliable. All of the summaries of the statutes, documents and Ordinances contained in this Official Statement are made subject to all of the provisions of such statutes, documents and Ordinances. These summaries do not purport to be complete statements of such provisions and reference is made to such documents for further information. All information contained in this Official Statement is subject, in all respects, to the complete body of information contained in the original sources thereof and no guaranty, warranty or other representation is made concerning the accuracy or completeness of the information herein. In particular, no opinion or representation is rendered as to whether any projection will approximate actual results, and all opinions, estimates and assumptions, whether or not expressly identified as such, should not be considered statements of fact.

Financial Advisor

SAMCO Capital Markets, Inc. is employed as a Financial Advisor to the Issuer in connection with the issuance of the Certificates. In this capacity, the Financial Advisor has compiled certain data relating to the Certificates and has drafted this Official Statement. The Financial Advisor has not independently verified any of the data contained herein or conducted a detailed investigation of the affairs of the Issuer to determine the accuracy or completeness of this Official Statement. Because of its limited participation, the Financial Advisor assumes no responsibility for the accuracy or completeness of any of the information contained herein. The fees for the Financial Advisor are contingent upon the issuance, sale and initial delivery of the Certificates.

The Financial Advisor has provided the following sentence for inclusion in this Official Statement. The Financial Advisor has reviewed the information in this Official Statement in accordance with its responsibilities to the City and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Financial Advisor does not guarantee the accuracy or completeness of such information.

Winning Bidder

After requesting competitive bids for the Certificates, the City accepted the bid of _____ (previously defined as the “Purchaser” or the “Initial Purchaser”) to purchase the Certificates at the interest rates shown on the page 2 of this Official Statement at a price of par, plus a [net] reoffering premium of \$ _____, less a Purchaser’s discount of \$ _____, plus accrued interest on the Certificates from their Dated Date to their date of initial delivery. The City can give no assurance that any trading market will be developed for the City after their sale by the City to the Purchaser. The City has no control over the price at which the Certificates are subsequently sold and the initial yield at which the Certificates will be priced and reoffered will be established by and will be the responsibility of the Purchaser.

Certification of the Official Statement

At the time of payment for and delivery of the Initial Certificates, the Purchaser will be furnished a certificate, executed by proper officials of the City, acting in their official capacities, to the effect that to the best of their knowledge and belief: (a) the descriptions and statements of or pertaining to the City contained in its Official Statement, and any addenda, supplement or amendment thereto, for the Certificates, on the date of such Official Statement, on the date of sale of said Certificates and the acceptance of the best bid therefor, and on the date of the delivery thereof, were and are true and correct in all material respects; (b) insofar as the City and its affairs, including its financial affairs, are concerned, such Official Statement did not and does not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; (c) insofar as the descriptions and statements including financial data, of or pertaining to entities, other than the City, and their activities contained in such Official Statement are concerned, such statements and data have been obtained from sources which the City believes to be reliable and the City has no reason to believe that they are untrue in any material respect, and (d) there has been no material adverse change in the financial condition of the City, since September 30, 2019, the date of the last financial statements of the City appearing in the Official Statement.

Information from External Sources

References to web site addresses presented herein are for informational purposes only and may be in the form of a hyperlink solely for the reader’s convenience. Unless specified otherwise, such web sites and the information or links contained therein are not incorporated into, and are not part of, this Official Statement for purposes of, and as that term is defined in, SEC Rule 15c2-12.

Concluding Statement

No person has been authorized to give any information or to make any representations other than those contained in this Official Statement, and if given or made, such other information or representations must not be relied upon as having been authorized by the City. This Official Statement does not constitute an offer to sell or solicitation of an offer to buy in any state in which such offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such offer of solicitation.

The information set forth herein has been obtained from the City's records, audited financial statements and other sources which the City considers to be reliable. There is no guarantee that any of the assumptions or estimates contained herein will ever be realized. All of the summaries of the statutes, documents and the Ordinance contained in this Official Statement are made subject to all of the provisions of such statutes, documents, and the Ordinance. These summaries do not purport to be complete statements of such provisions and reference is made to such summarized documents for further information. Reference is made to official documents in all respects.

The Ordinance authorizing the issuance of the Certificates will also approve the form and content of this Official Statement and any addenda, supplement or amendment thereto and authorize its further use in the re-offering of the Certificates by the Purchaser.

This Official Statement will be approved by the Commission for distribution in accordance with the provisions of the SEC's rule codified at 17 C.F.R. Section 240.15c2-12, as amended.

The Estimated General Fund Balance for Fiscal Year Ending September 30, 2020 (Unaudited) was approximately \$1,431,704

(a) Reflects interfund transfers from the City's propriety funds to the City's general fund. Pursuant to the City's practice of maintaining a low ad valorem tax rate, the City transfers surplus revenues from the operation of the City's gas system, water system and wastewater system to the City's general fund for primary governmental use. The City, at its option, may change the dollar amounts of such interfund transfers or discontinue such interfund transfers in the future.

APPENDIX B

**GENERAL INFORMATION REGARDING THE CITY OF DUMAS
AND MOORE COUNTY, TEXAS**

(this page intentionally left blank)

**GENERAL INFORMATION REGARDING THE CITY OF DUMAS
AND MOORE COUNTY, TEXAS**

This APPENDIX contains a brief discussion of certain economic and demographic characteristics of the area in which the City is located. Information in this Appendix has been obtained from the sources noted. They are believed to be reliable, although no investigation has been made to verify the accuracy of such information. Additionally, the following information is qualified by the impact from the effects of the COVID-19 pandemic. Within the body of the Official Statement, under caption "INTRODUCTION – Infectious Disease Outbreak – COVID-19," the City described this event, as well as its initial impact and possible effects. The City has not attempted to update the descriptions included in this APPENDIX B to account for the effects of COVID-19, as the specific results of this event are evolving and their extent unknown; rather, the City makes reference to the aforementioned section of the body of the Official Statement and directs the reader thereto for a general discussion of the COVID-19 event as of the date of the Official Statement.

General Information:

The City of Dumas (the "City") is the county seat and principal industrial and commercial center of Moore County. It is located at the junction of U.S. Highways 87 and 287. The City's 2010 census was 14,691, increasing 6.87% since 2000. The current estimated population 15,500. The economy is made up principally of natural gas and petroleum operations, with agriculture income derived from cattle, sorghums, wheat and corn.

Higher education opportunities within commuting distance of the City include Amarillo College, Frank Phillips College, West Texas A&M University and Panhandle State University. Community facilities include eight parks, a museum, a library and a county art center.

Population:

Census Report	City of Dumas	Moore County
2021 Estimate	15,500	22,120

MOORE COUNTY

Moore County (the "County") is a Texas panhandle county traversed by U.S. Highways 87 and 287. The economy is based on natural gas and petroleum operations. Sources of agricultural income include cattle, corn, wheat, sorghum, cotton, soybeans, and sunflowers. Minerals produced include gas, oil, and helium. Both the Alibates Flint Quarries National Monument and Lake Meredith National Recreation Area (a 22 mile drive from Dumas) are partially within the County. The 2010 census for the County was 21,691, an increase of 7.43% since 2000. The current population estimate for 22,120.

DRAFT

IN REGARD to the authorization and issuance of the “City of Dumas, Texas Combination Tax and Limited Pledge Revenue Certificates of Obligation, Series 2021” (the *Certificates*), dated April 1, 2021 in the aggregate principal amount of \$_____. We have reviewed the legality and validity of the issuance thereof by the City Commission of the City of Dumas, Texas (the *Issuer*). The Certificates are issuable in fully registered form only in denominations of \$5,000 or any integral multiple thereof (within a Stated Maturity). The Certificates have Stated Maturities of September 1 in each of the years 20__ through 20__, unless redeemed prior to Stated Maturity in accordance with the terms stated on the face of the Certificates. Interest on the Certificates accrues from the dates, at the rates, in the manner, and is payable on the dates as provided in the ordinance (the *Ordinance*) authorizing the issuance of the Certificates. Capitalized terms used herein without definition shall have the meanings ascribed thereto in the Ordinance.

WE HAVE SERVED AS BOND COUNSEL for the Issuer solely to pass upon the legality and validity of the issuance of the Certificates under the laws of the State of Texas and with respect to the exclusion of the interest on the Certificates from the gross income of the owners thereof for federal income tax purposes and for no other purpose. We have not been requested to investigate or verify, and have not independently investigated or verified, any records, data, or other material relating to the financial condition or capabilities of the Issuer or the Issuer’s combined utility system and have not assumed any responsibility with respect to the financial condition or capabilities of the Issuer or the disclosure thereof in connection with the sale of the Certificates. We express no opinion and make no comment with respect to the sufficiency of the security for or the marketability of the Certificates. Our role in connection with the Issuer’s Official Statement prepared for use in connection with the sale of the Certificates has been limited as described therein.

WE HAVE EXAMINED the applicable and pertinent laws of the State of Texas and the United States of America. In rendering the opinions herein we rely upon (1) original or certified copies of the proceedings of the City Commission of the Issuer in connection with the issuance of the Certificates, including the Ordinance; (2) customary certifications and opinions of officials of the Issuer; (3) certificates executed by officers of the Issuer relating to the expected use and investment of proceeds of the Certificates and certain other funds of the Issuer and to certain other facts solely within the knowledge and control of the Issuer; and (4) such other documentation, including an examination of the Certificate executed and delivered initially by the Issuer and such matters of law as we deem relevant to the matters discussed below. In such examination, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified copies, and the accuracy of the statements and information contained in such certificates. We express no opinion

Norton Rose Fulbright US LLP is a limited liability partnership registered under the laws of Texas.

Norton Rose Fulbright US LLP, Norton Rose Fulbright LLP, Norton Rose Fulbright Australia, Norton Rose Fulbright Canada LLP and Norton Rose Fulbright South Africa Inc are separate legal entities and all of them are members of Norton Rose Fulbright Verein, a Swiss verein. Norton Rose Fulbright Verein helps coordinate the activities of the members but does not itself provide legal services to clients. Details of each entity, with certain regulatory information, are available at nortonrosefulbright.com.

Legal Opinion of Norton Rose Fulbright US LLP, Austin and San Antonio, Texas, in connection with the authorization and issuance of “CITY OF DUMAS, TEXAS COMBINATION TAX AND LIMITED PLEDGE REVENUE CERTIFICATES OF OBLIGATION, SERIES 2021”

concerning any effect on the following opinions which may result from changes in law effected after the date hereof.

BASED ON OUR EXAMINATION, IT IS OUR OPINION that the Certificates have been duly authorized and issued in conformity with the laws of the State of Texas now in force and that the Certificates are valid and legally binding obligations of the Issuer enforceable in accordance with the terms and conditions described therein, except to the extent that the enforceability thereof may be affected by bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting creditors' rights or the exercise of judicial discretion in accordance with general principles of equity. The Certificates are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property within the Issuer and are additionally payable from and secured by a lien on and pledge of the Pledged Revenues, being a limited amount of the Net Revenues derived from the operation of the Issuer's combined utility system (the *System*), such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge thereof providing for the payment and security of the currently outstanding Surplus Lien Obligations and any Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, or Additional Surplus Lien Obligations hereafter issued by the Issuer. The Issuer has previously authorized the issuance of the Surplus Lien Obligations that are payable in part from and secured by a lien on and pledge of the surplus Net Revenues of the System in accordance with the ordinances authorizing the issuance of the currently outstanding Surplus Lien Obligations. In the Ordinance, the Issuer reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, Additional Surplus Lien Obligations, and Additional Limited Pledge Obligations without limitation as to principal amount but subject to any terms, conditions, or restrictions as may be applicable thereto under law or otherwise.

BASED ON OUR EXAMINATION, IT IS FURTHER OUR OPINION that, assuming continuing compliance after the date hereof by the Issuer with the provisions of the Ordinance and in reliance upon the representations and certifications of the Issuer made in a certificate of even date herewith pertaining to the use, expenditure, and investment of the proceeds of the Certificates, under existing statutes, regulations, published rulings, and court decisions (1) interest on the Certificates will be excludable from the gross income, as defined in section 61 of the Internal Revenue Code of 1986, as amended to the date hereof (the *Code*), of the owners thereof for federal income tax purposes, pursuant to section 103 of the Code, and (2) interest on the Certificates will not be included in computing the alternative minimum taxable income of the owners thereof.

WE EXPRESS NO OTHER OPINION with respect to any other federal, state, or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Certificates. Ownership of tax-exempt obligations such as the Certificates may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, owners of an interest in a financial asset securitization

Legal Opinion of Norton Rose Fulbright US LLP, Austin and San Antonio, Texas, in connection with the authorization and issuance of “CITY OF DUMAS, TEXAS COMBINATION TAX AND LIMITED PLEDGE REVENUE CERTIFICATES OF OBLIGATION, SERIES 2021”

investment trust, individual recipients of Social Security or Railroad Retirement Benefits, individuals otherwise qualifying for the earned income credit, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

OUR OPINIONS ARE BASED on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above.

FINANCIAL SECTION

To The Honorable Mayor and
Members of the City Commission
City of Dumas, Texas

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, the major fund, and the aggregate remaining fund information of the City of Dumas, Texas, as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, the major fund, and the aggregate remaining fund information of the City of Dumas, Texas as of September 30, 2019, and the respective changes in financial position, and where applicable, cash flows thereof, for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplemental information (pages 47 – 50), as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The City has omitted the Management's Discussion and Analysis (MD&A) that accounting principles generally accepted in the United States of America require to be presented by the Government Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. The independent auditors' opinion is not affected by the omission of the MD&A.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Dumas, Texas's basic financial statements. The introductory section and combining non-major fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining non-major fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated May 15, 2020, on our consideration of the City of Dumas, Texas's, internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Dumas, Texas's internal control over internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be in conjunction with this report in considering the results of our audit.

CITY OF DUMAS, TEXAS
RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL
FUNDS TO THE STATEMENT OF NET POSITION
SEPTEMBER 30, 2019

Amounts reported for governmental activities in the Statement of Net Position are different because:

Total fund balance - governmental funds	\$	2,661,563
Capital assets used in governmental activities are not current financial resources and therefore are not reported in this fund financial statement, but are reported in the governmental activities of the Statement of Net Position.		6,901,020
Certain accounts receivable are not available to pay for current-period expenditures and, therefore, are shown as unavailable revenues in the fund financial statements		273,343
Pension and OPEB losses, deficient earnings, and assumption changes are shown as deferred outflows of resources in the government-wide financial statements.		
Pension deficient earnings		613,109
Pension assumption changes		3,335
OPEB assumption changes		9,995
Pension and OPEB contributions paid after the measurement date, December 31, 2018, and before September 30, 2019 are expensed in the governmental funds and shown as deferred outflows of resources in the government-wide financial statements.		
Pension contributions		155,884
OPEB contributions		1,691
Pension gains and excess earnings are shown as deferred inflows of resources in the government-wide financial statements.		
Pension economic/demographic gains		(237,578)
OPEB economic/demographic gains		(7,825)
OPEB assumption changes		(10,659)
Long-term liabilities are not due and payable in the current period, and therefore, are not reported in the funds:		
Bonds, capital leases, and notes payable		(4,127,893)
Deferred charge on refunding		227,501
Accrued interest payable		(25,481)
Compensated absences		(162,837)
Other post employment benefit liability		(192,895)
Net pension liability		(997,964)
The assets and liabilities of internal service funds are not included in the fund financial statement, but are included in the governmental activities of the Statement of Net Position. (netted for capital assets reported above and the portion allocated to business-type activities)		883,455
Net position - governmental activities	\$	<u>5,967,764</u>

CITY OF DUMAS, TEXAS
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES
IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2019

Amounts reported for Governmental Activities in the Statement of Activities are different because:

Net change in fund balances - total governmental funds:	\$ (362,543)
<p>Governmental funds report outlays for capital assets as expenditures because such outlays use current financial resources. In contrast, the Statement of Activities reports only a portion of the outlay as expense. The outlay is allocated over the assets' estimated useful lives as depreciation expense for the period.</p> <p>This is the amount by which capital outlays, \$2,784,405 exceeded depreciation, \$660,312 in the current period.</p>	
	2,124,093
<p>Governmental funds do not report transfers of capital assets between the governmental and business-type activities as an other financing use. In contrast, the Statement of Activities records the transferring of all assets as general revenues.</p>	
	(405,780)
<p>Revenues in the Statement of Activities that do not provide current financial resources are fully deferred in the Statement of Revenues, Expenditures and Changes in Fund Balances. This amount represents the change in unavailable revenue.</p>	
	68,917
<p>In the Statement of Net Position, incurring debt increases long-term liabilities and does not affect the Statement of Activities. Similarly, repayments of principal is an expenditure in the governmental funds, but reduces the liability in the Statement of Net Position.</p>	
Debt issued or incurred	(271,290)
Amortization of premiums on bonds issued	14,273
Amortization of deferred charge on bond refunding	(16,749)
Principal repayments	558,711
Accrued interest payable, net change	(16,654)
<p>Changes in pension and OPEB related liabilities, outflows, and inflows reported in the government-wide Statement of Activities are not reported in the governmental funds as revenues or expenditures.</p>	
	(83,614)
<p>Accrued compensated absences are not reported as an expenditure in the governmental funds. This is the change in the accrual amounts for the year reported in the government-wide Statement of Activities.</p>	
	16,376
<p>Internal service funds are used by management to charge the costs of maintenance to individual funds. The net revenue of certain activities of the internal service fund is reported with governmental activities. The total change in net position of the internal service fund (\$607,937) less the amount charged to business-type activities (\$7,285) is the amount of the internal service fund charged to governmental activities.</p>	
	615,222
Change in net position - governmental activities	\$ 2,240,962

The notes to the financial statements are an integral part of this statement.

The notes to the financial statements are an integral part of this statement.

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. General Description of Reporting Entity

The City of Dumas, Texas (the “City”) is a municipality operating under the applicable laws and regulations of the State of Texas. It is governed by a five member City Commission (the “Commission”) elected by registered voters of the City. The City prepares its basic financial statements in conformity with generally accepted accounting principles promulgated by the Government Accounting Standards Board; and it complies with the requirements of contracts and grants of agencies from which it receives funds. The City provides the following services: police and fire protection, streets, culture and recreation, conservation and development, code enforcement, and general administrative services. In addition, the City maintains a waste management operation, as well as gas, water and wastewater utility systems and operates a municipal golf course. The more significant of the City’s accounting policies are described below.

The Commission is elected by the public and it has the authority to make decisions, appoint administrators and management, and significantly influence operations. It also has the primary accountability for fiscal matters. Therefore, the City is a financial reporting entity as defined by the Governmental Accounting Standards Board (“GASB”) in its Statement No. 61, “*The Financial Reporting Entity – Omnibus – An Amendment of GASB Statement No. 14 and No. 34.*”

Discretely Presented Component Unit: The Dumas Economic Development Corporation (DEDC) is a component unit due to the fact that the Commission appoints the DEDC board and also approves the annual budget. The DEDC has issued separately audited financial statements. Copies of the DEDC audit report for the fiscal year ended September 30, 2019 may be obtained by contacting the management of the DEDC at the following address:

Dumas Economic Development Corporation
900 N. Dumas Ave
Dumas, Texas 79029

B. Basis of Presentation – Government-wide Financial Statements

While separate government-wide and fund financial statements are presented, they are inter-related. The statement of net position and the statement of activities include the financial activities of the overall government. The government activities column incorporates data from governmental funds, and the internal service fund, while business-type activities incorporate data from the City’s enterprise funds. Separate financial statements are provided for governmental funds and proprietary funds.

As discussed earlier, the City has one discretely presented component unit. While it is not considered to be a major component unit, it is nevertheless shown in a separate column in the government-wide financial statements.

As a general rule, the effect of inter-fund activity has been eliminated from the government-wide financial statements. An exception to this general rule would be charges between enterprise funds and the various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continuation

B. Basis of Presentation – Government-wide Financial Statements – Continuation

The statement of activities presents a comparison between direct expenses and program revenues for the different business-type activities of the City and for each function of the City's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. The City does not allocate indirect expenses in the statement of activities. Program revenues include (a) fees, fines, and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

C. Basis of Presentation - Fund Financial Statements

The fund financial statements provide information about the City's funds. Separate statements are presented for each fund category, governmental and proprietary. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as non-major funds.

These statements distinguish between the governmental and business-type activities of the City. Governmental activities generally are financed through taxes, fees, fines, intergovernmental revenues, and other non-exchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues, such as subsidies and investment earnings, result from non-exchange transactions or ancillary activities.

The City reports the following major governmental funds:

The General Fund is the City's primary operating fund. It accounts for and reports all financial resources of the City except those required to be accounted for and reported in another fund.

The Debt Service Fund accounts for the accumulation and disbursement of resources associated with the City's debt obligations. Property taxes and interest income provide the resources necessary to pay the annual principal and interest payments.

The Capital Replacement Fund is used to pay for capital expenditures of the City. The operating departments transfer to the fund an amount equal to the department's capital expenditures budget. All capital expenditures, as well as some expenditures for major repairs and supplies, are made out of the capital replacement fund. The capital expenditure is then recorded in the appropriate fund by showing it as transfer out of the capital replacement fund and a transfer into the fund for which the purchase was made.

The City reports the following major proprietary funds:

The Waste Management Fund accounts for the billing, collection, transportation, and disposal of garbage, refuse, and other waste products of the City.

The Gas Utility Fund accounts for the gas supply, distribution, billing and maintenance activities of the City.

Continued

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continuation

C. Basis of Presentation – Fund Financial Statements – Continuation

The Water Utility Fund accounts for the water supply, distribution, billing, and maintenance activities of the City.

The Wastewater Utility Fund accounts for the wastewater billings, collections, and maintenance activities of the City.

The Pheasant Trails Golf Course Fund accounts for the operation of the municipal golf course.

The City reports the following internal service funds:

The Health Insurance Fund is used to account for revenues and expenses related to services provided to parties inside the City. This fund facilitates the distribution of costs to the users of self-insured health insurance coverage on a cost-reimbursement basis. Because the principal users of the internal services are the City's governmental activities, this fund type is included in the "Governmental Activities" column of the government-wide financial statements.

Special Revenue Funds: These funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects.

During the course of operations the government has activity between funds for various purposes. Any residual balances outstanding at year end are reported as due to/due from other funds. While these balances are reported in fund financial statements, certain eliminations are made in the preparation of the government-wide financial statements. Balances between funds included in governmental activities are eliminated so that only the net amount is included as internal balances in the governmental activities column. Similarly, balances between the funds included in business-type activities are eliminated so that only the net amount is included as internal balances in the business-type activities column.

Further, certain activity occurs during the year involving transfers of resources between funds. In fund financial statements these amounts are reported at gross amounts as transfers in/out. While reported in fund financial statements, certain eliminations are made in the preparation of the government-wide financial statements. Transfers between the funds included in government activities are eliminated so that only the net amount is included as transfers in the government activities column. Similarly, balances between the funds included in business-type activities are eliminated so that only the net amount is included as transfers in the business-type activities column.

D. Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment is determined by the applicable measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as *current financial resources* or *economic resources*. The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

The government-wide and proprietary fund financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Non-exchange transactions, in which the City gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. Property taxes are recognized in the fiscal year for which the taxes are levied. Grants, entitlements, and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Continued

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continuation

D. Measurement Focus and Basis of Accounting – Continuation

The governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as they are both measurable and available. The City considers all revenues reported in the governmental funds to be available if the revenues are collected within sixty days after year-end. Revenues from local sources consist primarily of property taxes. Property tax revenues and revenues received from the State are recognized under the susceptible-to-accrual concept. Miscellaneous revenues are recorded as revenue when received in cash because they generally are not measurable until actually received. Investment earnings are recorded as earned, since they are both measurable and available.

Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they are due. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

When the City incurs an expenditure or expense for which both restricted and unrestricted resources may be used, it is the City's policy to use restricted resources first, then unrestricted resources.

E. Budgetary Information

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for the General Fund, and all of the Enterprise Funds.

The appropriate budget is prepared by fund and function, which is the legal level of budgetary control.

Appropriations in all budgeted funds lapse at the end of the fiscal year even if they have related encumbrances. Encumbrances are commitments related to unperformed contracts for goods and services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. While all appropriations and encumbrances lapse at year end, valid outstanding encumbrances (those for which performance under the executory contract is expected in the next year) are re-appropriated and become part of the subsequent year's budget.

For the fiscal year, expenditures exceeded appropriations for capital outlay, and debt service principal and interest functions in the General Fund. These overspendings were covered by utilizing a carryover of prior year fund balance and transfers from other funds.

F. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance

a. Cash and Cash Equivalents

The City's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

b. Investments

Investments in certificate of deposit are valued at cost as they are nonparticipating investments in which the value does not vary with market interest rate changes.

**CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continuation

F. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance – Continuation

c. Receivable and Payable Balances

Receivables include trade, delinquent taxes, and municipal court fees and fines, all of which are shown net of an allowance for estimated uncollectible amounts. As of September 30, 2019, the allowance for estimated uncollectible delinquent taxes was \$28,521 and the allowance for estimated uncollectible municipal court fees and fines was \$2,362,487.

Payables consist of vendor obligations for goods and services and funds payable to others when the criteria for their release have been met.

d. Inventories

All inventories are valued at cost using the first-in/first-out (FIFO) method and consist of expendable supplies in the water and sewer fund and goods for sale in the golf course fund. The cost of such inventories is recorded as expenditures/expenses when consumed rather than when purchased.

e. Capital Assets

Capital assets, which include land, buildings, equipment and infrastructure assets, are reported in the applicable governmental or business-type activities column in the government-wide financial statements. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized. Capital assets are defined by the City as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of two years.

Land is not depreciated. Buildings, improvements, equipment, and infrastructure assets of the primary government are depreciated using the straight-line method over the following estimated useful lives:

<u>Asset Class</u>	<u>Estimated Useful Lives</u>
Buildings	15 - 50 years
Vehicles	3 - 15 years
Furniture and equipment	3 - 15 years
Infrastructure	10 - 50 years
Water rights	40 years

f. Inter-fund Activity

Inter-fund activity results from loans, services provided, reimbursements or transfers between funds. Loans are reported as inter-fund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures or expenses. Reimbursements occur when one fund incurs a cost, charges the appropriate benefitting fund and reduces its related cost as a reimbursement. All other inter-fund transactions are treated as transfers. Transfers In and Transfers Out are netted and presented as a single "Transfers" line on the government-wide statement of activities. Similarly, inter-fund receivables and payables are netted and presented as a single "Internal Balances" line on the government-wide statement of net position.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continuation

F. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance – Continuation

g. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

h. Long-term Obligations

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed as incurred.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs withheld from the actual debt proceeds received are reported as debt service expenditures.

i. Deferred Outflows/Inflows of Resources

The statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The deferred charge on refunding is reported in the government-wide statement of net position and the proprietary fund statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The City also reports the applicable amounts as deferred outflows as they relate to the implementation of GASB 68 and 75 for contributions paid after the measurement date, deficiency of earnings, economic losses, and assumption changes in the plans after the measurement date of the pension and OPEB plans.

The statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has two items that qualify for reporting in this category. One item, *unavailable revenue*, is reported only in the governmental funds balance sheet. The City reports unavailable revenues from property taxes and municipal court receivables. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. The other items are related to the City's pension and other postemployment benefit plans reported in the government-wide statement of net position.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continuation

F. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance – Continuation

j. Pensions and Other Post-Employment Benefits

For purposes of measuring the net pension asset or liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the City’s Texas Municipal Retirement System Plan and the Texas Emergency Services Retirement System, and additions to/deductions from the Plans’ fiduciary net position have been determined on the same basis as they are reported by the Plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

For purposes of measuring the other post-employment benefit (OPEB) asset or liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the City’s Texas Municipal Retirement System Supplemental Death Plan and additions to/deductions from the Plans’ fiduciary net position have been determined on the same basis as they are reported by the Plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

k. Net Position

In government-wide financial statements, net position is classified and displayed in three categories:

Net Investment in Capital Assets – this amount consists of capital assets net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvements of those assets and adding back unspent proceeds.

Restricted – this amount is restricted by external creditors, grantors, contributors, laws or regulations of other governments, enabling legislation, or constitutional provisions.

Unrestricted – this amount includes all amounts that comprise net position that do not meet the definition of “net investment in capital assets” or “restricted”.

At times, the City will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted – net position and unrestricted – net position in the government-wide and proprietary fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the government’s policy to consider restricted – net position to have been depleted before unrestricted – net position is applied.

l. Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the City is bound to observe constraints imposed upon the use of the resources in the governmental funds. The classifications are as follows:

Non-spendable fund balance – (inherently not spendable)

Includes amounts that will never convert to cash or will not convert to cash in the current period, such as inventory, supplies, long-term portion of loans and non-financial assets held for resale or principal of an endowment.

Continued

**CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continuation

F. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position/Fund Balance – Continuation

1. Fund Balance – Continuation

Restricted fund balance – (externally enforceable limitations on use)

Includes amounts that can be spent only for specific purposes stipulated by external resource providers either constitutionally or through enabling legislation. Examples include grants, court receipt restrictions (municipal technology fund) or charter restrictions.

Committed fund balance – (self-imposed limitations)

Includes amounts that can be used for the specific purposes determined by a formal action of the Commission in form of a resolution. Commitments may be changed or lifted only by taking the same formal action that imposed the constraints originally.

Unassigned fund balance – (residual net resources)

This is the excess of total fund balance over non-spendable, restricted, committed, and assigned fund balance. Unassigned amounts are technically available for any purpose.

Fund balance flow assumptions:

When multiple categories of fund balances are available for expenditure (for example, a construction project is funded partly by grant money, funds set aside by the Commission, and unassigned fund balance) the City will start with the most restricted category first until depleted before moving to the next category with available funds. Spendable fund categories in order of most restricted to least restricted are: Restricted, Committed, Assigned, and Unassigned.

G. Revenues and Expenditures/Expenses

a. Program Revenues

Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or program and 2) grants and contributions that are restricted to meeting operational or capital requirements of a particular function or program. All taxes are reported as general revenues rather than as program revenues.

b. Property Taxes

Property taxes are levied by October 1 on the assessed value listed as of the prior January 1 for all real and business personal property in conformity with Subtitle E, Texas Property Tax Code. Taxes are due on receipt of the tax bill and are delinquent if not paid before February 1 of the year following the year in which imposed. On January 1 of each year, a tax lien attaches to property to secure the payment of all taxes, penalties, and interest ultimately imposed.

Allowances for uncollectible tax receivables within the General Fund are based upon historical experience in collecting property taxes. Uncollectible personal property taxes are periodically reviewed and written off, but the City is prohibited from writing off real property taxes without specific statutory authority from the Texas Legislature.

Continued

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continuation

G. Revenues and Expenditures/Expenses

c. Compensated Absences

Employees of the City are entitled to paid vacation, paid sick days and personal days off, depending on full-time status, length of service greater than 6 months, and other factors. After five years of employment, an employee shall be awarded twelve days of vacation, after ten years fifteen days of vacation, and after twenty years twenty days of vacation. A maximum accrual for sick leave of 90 days can be carried over each year. However, employees shall be allowed to receive reimbursement for a portion of any unused sick leave in excess of the 90 days at the beginning of the new year. Employees are eligible for payment of one-third of their accrued sick leave upon termination or retirement only upon completion of eight years of service.

d. Proprietary Funds Operating and Non-operating Revenues and Expenses

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues, such as subsidies and investment earnings, result from non-exchange transactions or ancillary activities.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for sales and services. The City also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expense not meeting this definition are reported as non-operating revenues and expenses.

H. Compliance and Accountability

a. Finance-Related Legal and Contractual Provisions

In accordance with GASB Statement No. 38, "Certain Financial Statement Note Disclosures," violations of finance-related legal and contractual provisions, if any, are reported below, along with actions taken to address such violations:

Violation

Expenditures exceeded the budget in various functional areas in the General Fund

Action Taken

These overspendings were covered by utilizing a carryover of prior year fund balance and transfers from other funds.

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 2 – DEPOSITS AND INVESTMENTS

Following is a reconciliation of the City’s cash and deposit balances as of September 30, 2019:

Cash and deposit balances consist of:

Petty cash funds	\$	2,414
Bank deposits		4,294,379
Texas LOGIC		519,374
		519,374
Total	\$	4,816,167

Cash and deposit balances are reported in the basic financial statements as follows:

Government-wide Statement of Net Position:

Unrestricted	\$	4,203,885
Restricted for customer deposits		428,244
Component unit - unrestricted		184,038
		184,038
Total	\$	4,816,167

Custodial credit risk – deposits. This is the risk that in the event of a bank failure, the City's deposits may not be returned to it. As of September 30, 2019 the City’s deposits (cash, interest bearing accounts and certificates of deposit) with financial institutions was \$5,422,696 and the bank balance was \$5,172,763. Of the bank balance, \$750,000 was insured through the Federal Depository Insurance Corporation (FDIC) and the remaining \$4,422,763 was collateralized with securities held by the pledging of institution’s agent in the City’s name.

Following is a reconciliation of the City’s investment balances as of September 30, 2019:

Investment Type	Fair Value	Weighted Average Maturity (Days)
Certificates of deposit		
Business-Type activities (interest rates at .015 - .598%)	\$ 1,128,317	
Total fair value	\$ 1,128,317	
Portfolio weighted average maturity		284

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. As of September 30, 2019 the carrying amount of the City’s investments (certificates of deposit) with financial institutions was \$1,128,317, and was insured by the FDIC and collateralized with securities held by the pledging institution’s agent in the City’s name as described above with the City’s deposits.

Continued

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 2 – DEPOSITS AND INVESTMENTS – Continuation

As of September 30, 2019, the City had \$519,374 invested with Texas LOGIC. The Interlocal Cooperation Act, chapter 791 of the Texas Government Code, and the Public Funds Investment Act, chapter 2256 of the Texas Government Code, provide for the creation of public funds investment pools, such as Texas LOGIC, through which political subdivisions and other entities may invest public funds. The State Comptroller of Public Accounts exercises oversight responsibility over the fund. Oversight includes the ability to significantly influence operations, designation of management and accountability for fiscal matters. Additionally the State Comptroller has established an advisory board composed of both participants of the pools and other persons who do not have a business relationship with the pool. The advisory board members review the investment policy and management fee structure.

The investment pool uses amortized cost to value portfolio assets and follows the criteria for GASB Statement No. 79 for use of amortized cost. Texas LOGIC does not place any limitations or restrictions such as notice periods or maximum transaction amounts, on withdrawals. Texas LOGIC has a credit rating of AAA from Standard & Poor's Financial Services. Local government investment pools in this rating category meet the highest standards for credit quality, conservative investment policies, and safety of principle. Texas LOGIC invest in a quality portfolio of debt securities investments that are legally permissible for local governments in the state.

Interest rate risk is the risk that adverse changes in interest rates will result in an adverse effect on the fair value of an investment. The City manages its exposure to interest rate risk by limiting the weighted average maturity of its investment portfolio to three years or less.

Credit risk is the risk that an insurer or other counterparty to an investment will not fulfill its obligations. State law and City policy limit investments in local government pools to those rated to no lower than AAA or an equivalent rating by at least on nationally recognized rating service.

Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer. As of September 30, 2019, 91.2% of the City's funds were being held at the City's depository and were adequately secured as described above.

Investment Accounting Policy

The City's general policy is to report money market investments and short-term participating interest-earning investment contracts using a cost-based measure. However, if the fair value of an investment is significantly affected by the impairment of the credit standing of the issuer or by the other factors, it is reported at fair value. The term "short-term" refers to investments which have a remaining term of ninety days or less at time of purchase. The term "nonparticipating" means that the investments value does not vary with market interest rate changes. Nonnegotiable certificates of deposit are examples of nonparticipating interest-earning investment contracts. The City's investments include certificates of deposit.

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 3 – CAPITAL ASSETS

Capital asset activity for the year ended September 30, 2019 was as follows:

Primary Government:

<u>Governmental activities:</u>	<u>Beginning Balances</u>	<u>Increases</u>	<u>Decreases</u>	<u>Transfers / Reclassifications</u>	<u>Ending Balances</u>
Capital assets not being depreciated:

The primary purpose of inter-fund transfers is to move resources necessary for the payment of long-term debt to the funds where the debt is recorded.

NOTE 5 – LONG-TERM DEBT

1. Long-Term Debt Activity

Advance Refunding

During the year September 30, 2015, the City issued \$2,375,000 of General Obligation Refunding Bonds, Series 2015 with an interest rates ranging between 2.00% and 3.00%. The City issued the bonds to advance refund a portion of the outstanding series 2008 Certificates of Obligation with interest rates ranging between 3.00% and 4.75%. The net proceeds were deposited in an irrevocable trust with an escrow agent to provide funds for the future debt service payment on the refunded bonds. As a result, a portion of the Certificates of Obligation, Series 2008 are considered defeased and the liability for those bonds has been removed from the statement of net position.

The reacquisition price was less than the net carrying amount of the old debt by \$256,921. This amount is being netted against the new debt and amortized over the remaining life of the refunded debt. The City advanced refunded the Certificates of Obligation, Series 2008 to reduce its total debt service payments over 14 years by \$184,861 and to obtain an economic gain.

NOTE 5 – LONG-TERM DEBT – Continuation

In November 2011, the City issued \$5,800,000 of Tax and Solid Waste System Surplus Revenue Certificates of Obligation, Series 2011, (the “2011 Obligations”). Proceeds from the sale of the 2011 Obligations will be used to pay contractual obligations to be incurred for the construction of solid waste disposal system improvements. The 2011 Obligations are due and payable between September 1, 2012 and September 1, 2031, and carry variable interest rates between 2.00% and 4.00%.

In August 2012, the City issued \$8,500,000 of Tax and Waterworks and Sewer System Surplus Revenue Certificates of Obligation, Series 2012, (the “2012 Obligations”). Proceeds from the sale of the 2012 Obligations will be used to pay contractual obligations to be incurred for the construction and improvement of water and wastewater system properties and facilities. The 2012 Obligations are due and payable between March 1, 2013 and September 1, 2032, and carry variable interest rates between 2.25% and 4.25%.

In 2013, the City issued \$5,255,000 of Tax and Waterworks and Sewer System Surplus Revenue Certificates of Obligation, Series 2013, (the “2013 Obligations”). Proceeds from the sale of the 2013 Obligations will be used to pay contractual obligations to be incurred for the construction and improvement of water and wastewater system properties and facilities. The 2013 Obligations are due and payable between March 1, 2014 and September 1, 2033, and carry variable interest rates between 2.00% and 4.00%.

In March 2014, the City issued \$4,250,000 of Tax and Waterworks and Sewer System Surplus Revenue Certificates of Obligation, Series 2014, (the “2014 Obligations”). Proceeds from the sale of the 2014 Obligations will be used to pay contractual obligations to be incurred for the construction and improvement of water and wastewater system properties and facilities. The 2012 Obligations are due and payable between March 1, 2015 and September 1, 2034, and carry variable interest rates between 2.00% and 4.50%.

In August 2018, the City issued \$1,535,000 of Tax and Limited Pledge Revenue Certificates of Obligation, Series 2018, (the “2018 Obligations”). Proceeds from the sale of the 2018 Obligations will be used to pay contractual obligations to be incurred for the construction of public works, relocation of utility lines in connection with highway and road improvements. The 2018 Obligations are due and payable between March 1, 2020 and September 1, 2025, and carry an interest rate of 2.83%.

Changes in long-term obligations for the year ended September 30, 2019, are as follows:

Primary Government:

Governmental Activities:	Beginning Balance	Additions	Reductions	Ending Balance	Due Within One Year
Bonds Payable					
2015 General Obligation					
Refunding Bonds	\$ 2,290,000	\$ -	\$ (120,000)	\$ 2,170,000	\$ 125,000

Accumulated Depreciation	371,905	458,105
Net Leased Equipment	<u>\$ 268,441</u>	<u>\$ 242,838</u>

NOTE 7 – RISK MANAGEMENT

The City is exposed to various risks of loss related to torts, theft, damage or destruction of assets, errors and omissions, injuries to employees, and natural disasters. During the fiscal year ended 2019, the City obtained general liability coverage at a cost that is considered to be economically justifiable by joining together with other governmental entities in the State as a member of the Texas Municipal League Intergovernmental Risk Pool (“TML”). TML is a self-funded pool operating as a common risk management and insurance program. The City pays an annual premium to TML for its insurance coverage described above. The agreement for the formation of TML provides that TML will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of acceptable risk levels; however, each category of coverage has its own level of reinsurance. The City continues to carry commercial insurance for other risks of loss. There were no significant reductions in commercial insurance coverage in the past fiscal year and settled claims resulting from these risks have not exceeded in any of the past three fiscal years.

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 8 – EMPLOYEE RETIREMENT BENEFITS

A. AGENT MULTIPLE – EMPLOYER PLAN

Plan Description:

The City provides pension benefits for all of its full-time employees through a non-traditional, joint contributory, hybrid defined benefit plan in the state-wide Texas Municipal Retirement System (TMRS), an agent multiple-employer public retirement system. The plan provisions that have been adopted by the City are within the options available in the governing state statutes of TMRS.

TMRS issues a publicly available comprehensive annual financial report that includes financial statements and required supplementary information (RSI) for TMRS; the report also provides detailed explanations of the contributions, benefits, and actuarial methods and assumptions used by the System. This report may be obtained from TMRS' website at www.TMRS.com.

Benefits Provided:

The plan provisions are adopted by the governing body of the City (employer), within the options available in the Texas state statutes governing TMRS. Members can retire at ages 60 and above with 5 or more years of service (10 years in some cities) or with 20-25 years of service regardless of age (depending on the city's plan chosen). Members are vested after 5 years of service (10 years for some cities).

Benefit amounts are determined by the sum of the employee's contributions to the plan, with interest, and employer-financed monetary credits. The level of these monetary credits is adopted by the governing body of the City within the actuarial constraints imposed by TMRS so that the resulting benefits can be expected to be adequately financed by the employer's commitment to contribute. At retirement, death, or disability, the benefit is calculated by converting the sum of the employee's accumulated contributions and the employer-financed monetary credits to a monthly annuity using annuity purchase rates prescribed by TMRS.

Employees Covered by Benefit Terms:

At December 31, 2018, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	65
Inactive employees entitled to but not yet receiving benefits	87
Active employees	111

**CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019**

NOTE 8 – EMPLOYEE RETIREMENT BENEFITS - Continuation

Contributions:

Under the state law governing TMRS, the contribution rate for each city is determined annually by the actuary, using the Entry Age Normal (EAN) cost method (EAN was first used in the December 31, 2014 valuation; previously, the Projected Unit Credit actuarial cost method had been used). This rate consists of the normal cost contribution rate and the prior service cost contribution rate, which is calculated to be a level percent of payroll from year to year. The normal cost contribution rate for an employee is the contribution rate which, if applied to a member’s compensation throughout their period of anticipated covered service with the municipality, would be sufficient to meet all benefits payable on their behalf. The salary-weighted average of the individual rates is the total normal cost rate. The prior service contribution rate amortizes the unfunded (overfunded) actuarial liability (asset) over the applicable period for that city. Both the normal cost and prior service contribution rates include recognition of the projected impact of annually repeating benefits, such as Updated Service Credits and Annuity Increases.

The City contributes to TMRS Plan at an actuarially determined rate. Both the employees and the City make contributions monthly. Since the City needs to know its contribution rate in advance for budgetary purposes, there is a one-year delay between the actuarial valuation that serves as the basis for the rate and the calendar year when the rate goes into effect (i.e., the December 31, 2014 valuation will determine the contribution rate beginning January 1, 2016).

The City contributed using the actuarially determined rate of 6.08% for the months of the accounting year in 2018 and 5.53% for the months of the accounting year in 2019. The contribution rate payable by the employee members is 5.0% for fiscal year 2019 as adopted by the governing body of the City. The employee contribution rate and the employer contribution rate may be changed by the governing body of the City.

Net Pension Liability:

The City’s net pension liability was measured as of December 31, 2018, and the total pension liability used to calculate the net pension liability or asset was determined by an actuarial valuation as of that date.

Actuarial Assumptions:

The total pension liability in the December 31, 2018 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.50%
Salary increases	3.5% to 10.5% including inflation
Investment rate of return	6.75%
Cost-of-living adjustments	None

Mortality rates were based on the RP-2000 Combined Mortality Table with Blue Collar Adjustment with male rates multiplied by 109% and female rates multiplied by 103% and projected on a fully generational basis with scale BB.

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. Actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future.

Continued

CITY OF DUMAS, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

NOTE 8 – EMPLOYEE RETIREMENT BENEFITS - Continuation

Actuarial calculations are based on the benefits provided under the terms of the substantive plan in effect at the time of each valuation, and reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

The actuarial assumptions that determined the total pension liability as of December 31, 2018 were based on the results of an actuarial experience study for the period January 1, 2009 – December 31, 2012, except where required to be different by GASB 68.

Discount Rate:

The discount rate used to measure the total pension liability was 6.75%. The discount rate is the single rate of return that, when applied to all projected benefit payments results in an actuarial present value of projected benefit payments equal to the total of the following:

1. The actuarial present value of benefit payments projected to be made in future periods in which (a) the amount of the pension plan's fiduciary net position is projected to be greater than the benefit payments that are projected to be made in that period and (b) pension plan assets up to that point are expected to be invested using a strategy to achieve the long-term rate of return, calculated using the long-term expected rate of return on pension plan investments.
2. The actuarial present value of projected benefit payments not included in (1), calculated using the municipal bond rate.

Therefore, if plan investments in a given future year are greater than projected benefit payments in that year and are invested such that they are expected to earn the long-term rate of return, the discount rate applied to projected benefit payments in that year should be the long-term expected rate of return on plan investments. If future years exist where this is not the case, then an index rate reflecting the yield on a 20-year, tax-exempt municipal bond should be used to discount the projected benefit payments for those years.

The determination of a future date when plan investments are not sufficient to pay projected benefit payments is often referred to as a depletion date projection. A depletion date projection compares projections of the pension plan's fiduciary net position to projected benefit payments and aims to determine a future date, if one exists, when the fiduciary net position is projected to be less than projected benefit payments. If an evaluation of the sufficiency of the projected fiduciary net position compared to projected benefit payments can be made with sufficient reliability without performing a depletion date projection, alternatives methods to determine sufficiency may be applied.

In order to determine the discount rate to be used by the employer we have used an alternative method to determine the sufficiency of the fiduciary net position in all future years. Our alternative method reflects the funding requirements under the employer's funding policy and the legal requirements under TMRS.

1. TMRS has a funding policy where the Unfunded Actuarial Accrued Liability (UAAL) shall be amortized as a level percent of pay over 20-year closed layered periods.
2. Under TMRS, the employer is legally required to make the contribution specified in the funding policy.
3. The employer's assets are projected to exceed its accrued liabilities in 20 years or less. When this point is reached, the employer is still required to contribute at least the normal cost.

NOTE 8 – EMPLOYEE RETIREMENT BENEFITS - Continuation

4. Any increased cost due to the adoption of a COLA is required to be funded over a period of 15 years, if applicable.

Based on the above, the projected fiduciary net position is determined to be sufficient compared to projected benefit payments. Based on the expected level of cash flows and investment returns to the system, the fiduciary net position as a percentage of total pension liability is projected to increase from its current level in future years.

Since the projected fiduciary net position is projected to be sufficient to pay projected benefit payments in all future years, the discount rate for purposes of calculating the total pension liability and net pension liability of the employer is equal to the long-term assumed rate of return on investments. This long-term assumed rate of return should be net of investment expenses, but gross of administrative expenses for GASB 68 purposes. Therefore, we have used a discount rate of 7.00%.

NOTE 9 – OTHER POST EMPLOYMENT BENEFIT (OPEB) OBLIGATIONS

Plan Description

The City also participates in the cost sharing multiple-employer defined benefit group-term life insurance plan operated by the Texas Municipal Retirement System (TMRS) known as the Supplemental Death Benefits Fund (SDBF). The city elected, by ordinance, to provide group-term life insurance coverage to both current and retired employees. The City may terminate coverage under and discontinue participation in SDBF by adopting an ordinance before November 1 of any year to be effective the following January 1.

Plan Benefits

The death benefit for active employees provides a lump-sum payment approximately equal to the employee’s annual salary (calculated based on the employee’s actual earnings, for the 12-month period preceding the month of death). The death benefit for retirees is considered an other postemployment benefit (“OPEB”) and is a fixed amount of \$7,500. As the SDBF covers both active and retiree participants, with no segregation of assets, the SDBF is considered to be an unfunded OPEB plan (i.e. no assets are accumulated). The member city contributes to the SDBF at a contractually required rate as determined by an annual actuarial valuation. The rate is equal to the cost of providing one-year term life insurance. The funding policy for the SDBF program is to assure that adequate resources are available to meet all death benefit payments for the upcoming year. The intent is not to pre-fund retiree term life insurance during employees’ entire careers.

NOTE 9 – OTHER POST EMPLOYMENT BENEFIT (OPEB) OBLIGATIONS – Continuation

Employees Covered by Benefit Terms

At December 31, 2018, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	40
Inactive employees entitled to but not yet receiving benefits	13
Active employees	111

Total OPEB Liability

The City's total OPEB liability was measured as of December 31, 2018, and was determined by an actuarial valuation as of that date.

Actuarial Assumptions:

The total OPEB liability in the December 31, 2018 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement.

All actuarial assumptions that determined the total OPEB liability as of December 31, 2018 were developed primarily from the actuarial investigation of the experience of TMRS over the four year period from December 31, 2010 to December 31, 2014. They were adopted in 2015 and first used in the December 31, 2015 actuarial valuation. The post-retirement mortality assumption for healthy annuitants and Annuity Purchase Rate (APRs) are based on the Mortality Experience Investigation Study covering 2009 through 2011 and dated December 31, 2013.

For calculating the OPEB liability and the OPEB contribution rates, the Gender-distinct RP2000 Combined Healthy Mortality Tables with Blue Collar Adjustment are used with male rates multiplied by 109% and female rates multiplied by 103%. Based on the size of the city, rates are multiplied by an additional factor of 100.0%. The rates are projected on a fully generational basis by scale BB to account for future mortality improvements.

Discount Rate

The SDBF covers both active and retiree benefits with no segregation of assets, and therefore doesn't meet the definition of a trust under GASB No. 75, paragraph 4b, (i.e., no assets are accumulated for OPEB). As such the SDBF is considered to be a single-employer unfunded OPEB plan (and not a cost sharing plan) with benefit payments treated as being equal to employer's yearly contributions for retirees. In accordance with paragraph 155, the applicable discount rate for an unfunded OPEB is based on an index of tax exempt 20-year municipal bond rates rated AA or higher. As of December 31, 2018, the discount rate used in development of the Total OPEB Liability was 3.71% compared to 3.31% as of December 31, 2017.

NOTE 10 – ACCOUNTING FOR MUNICIPAL SOLID WASTE LANDFILL CLOSURE AND POST-CLOSURE CARE COSTS

State and federal laws and regulations require that most cities place a final cover on its landfill when closed and perform certain maintenance and monitoring functions at the landfill site for thirty years after closure as required under Subtitle D.

The City has three landfill sites permitted as follows: MSW 2279, MSW 2285, and MSW 211B. In addition to operating expenses related to current activities of the landfills, an expense provision and related liability are being recognized based on estimated future closure and post closure care costs that will be incurred near or after the date that the landfills no longer accepts solid waste. The estimated total current cost of the landfill closure and post closure care of \$2,358,064 is based on the amount that would be paid if all equipment, facilities, and services required to close, monitor, and maintain the landfill were acquired as of September 30, 2019. The recognition of the estimate total current cost is based on the amount of the landfills used during the year. The estimated liability for closure and post closure cost accrued on the City’s books for the year ended September 30, 2019 was \$62,741, which is based on accumulated usage of landfill area. It is estimated that an additional \$22,832,108 will be recognized as closure and post closure expenses between the balance sheet date and the date that the landfills are filled to capacity. As of September 30, 2019, the City has used approximately 2.62% of the available landfill capacity for the permit MSW 2279, and 42.23% of the permits MSW 2285. MSW 211B was closed during the fiscal year 2014. No post-closure charges were charged against the closure and post-closure care cost accrued liability for MSW 211B during the fiscal year 2019. The City expects to close MSW 2279 in the year 2130, and MSW 2285 in the year 2022. However, the actual cost of closure and post closure care is subject to change due to inflation, changes in technology, or changes in landfill laws and regulations.

The City of Dumas has demonstrated financial assurance for closure post closure care cost associated with the landfill by satisfying the financial test specified in Sub-chapter K of 31 Texas Administrative Code 330,285(g).

NOTE 11 – INSURANCE FUND

The City has established the Insurance Fund (a proprietary fund type; internal service fund) to account for its health insurance program. The purpose of this fund is to finance and pay for the uninsured medical claims of the City employees and their covered dependents and minimize the total costs of insurance to the City and its employees. Dependent coverage is funded by charges to employees. The City’s liability is limited to \$65,000 per covered person per year under the present 12/12 plan. The City has obtained insurance through a private insurance carrier for claims in excess of the above coverage. The carrier processes all the claims and bills the City for processed claims that are within the coverage of the fund. Settlement amounts have not exceeded insurance coverage for the current year.

The premium amounts were based on calculations by the insurance carrier using experience factors to estimate what would be needed to cover claims and to establish a reserve for losses. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. Changes in the City’s claims liability amount were:

	Beginning Balance	Claims and Changes in Estimates	Claim Payments	Ending Balance
For Year Ended:				
September 30, 2019	\$ 75,093	\$ 1,551,495	\$ (1,563,100)	\$ 63,488

DEDC Commitments:

During the fiscal year ended September 30, 2017, the Dumas Economic Development Corporation committed funding in an amount not to exceed \$30,000 to Alimentos Integrados, LLC for renovation of a restaurant location at 1700 S. Dumas Ave. As of September 30, 2019, the remaining commitment is \$5,000.

During the fiscal year ended September 30, 2018, the Dumas Economic Development Corporation committed funding in an amount not to exceed \$50,000 to The Dumas Family Fun Center. The purpose of the committed funds is to provide an incentive for the business to operate within the city limits, at 314 E. 1st Street for a period of 5 years. The commitment is to be paid out in five (5) annual installments of \$10,000 so long as the business is operational. As of September 30, 2019, the remaining commitment is \$30,000.

During the fiscal year ended September 30, 2019, the Dumas Economic Development Corporation committed funding in the amount of \$25,000 to Moore County Health Foundation for the renovation of the Moore County Hospital facilities located at 224 E. 2nd Street. The commitment is to be paid out in five (5) annual installments of \$5,000. As of September 30, 2019, the remaining commitment is \$20,000.
