HIGHWAY 380 MUNICIPAL MANAGEMENT DISTRICT NO. 1
UNLIMITED TAX ROAD BONDS

This addendum serves to notify that the fund balances discussed within "SELECTED FINANCIAL INFORMATION" and "DISTRICT DEBT" sections of the Official Statement were incorrect due to a bookkeeping error. The District's bookkeeper inadvertently transferred approximately \$770,000 in aggregate from the District's General Operating Fund into the District's Utility System Debt Service Fund and Road System Debt Service Fund.

As of September 12, 2024, the District's bookkeeper has transferred approximately \$297,328 from the Utility System Debt Service Fund and approximately \$472,672 from the Road System Debt Service Fund back into the General Operating Fund, and the updated fund balances are reflected in bold as follows:

Utility System Debt Service Fund Balance (as of September 12, 2024)	\$ 1,957,545
Road System Debt Service Fund Balance (as of September 12, 2024).....	\$ 3,156,301
