OFFICIAL NOTICE OF SALE

\$15,000,000

NORTH PARKWAY MUNICIPAL MANAGEMENT DISTRICT NO. 1

(A political subdivision of the State of Texas located within Collin County)

SINGLE FAMILY DEFINED AREA NO. 1 UNLIMITED TAX ROAD BONDS, SERIES 2026

BONDS OFFERED FOR SALE AT COMPETITIVE BID: The Board of Directors (the “Board”) of North Parkway Municipal Management District No. 1 (the “District”) is offering for sale at competitive bid \$15,000,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2026 (the “Bonds”).

METHODS FOR SUBMISSION OF BIDS AND BID FORMS: Bids for the Bonds may be submitted by any one of the following methods:

1. Submit bids in writing as described below under “WRITTEN BIDDING PROCEDURE.”
2. Submit bids electronically as described below under “ELECTRONIC BIDDING PROCEDURE.”

All bids must be submitted by 9:00 A.M., Central Time, on Tuesday, October 13, 2026. Any prospective bidder must also submit, by 9:00 A.M., Central Time, on Tuesday, October 13, 2026, signed Official Bid Form(s) to the District’s municipal advisor, SAMCO Capital Markets, Inc. (the “Municipal Advisor”), as more fully described below. Any bid or bid form submitted after such scheduled time for bid receipt will not be accepted and will be returned unopened. The District will not accept bids by facsimile. See “CONDITIONS OF SALE – REQUIRED DISCLOSURE OF INTERESTED PARTIES” for additional requirements concerning submission of bids by certain entities.

WRITTEN BIDDING PROCEDURE: A prospective bidder that intends to submit its bid in writing must do so in accordance with this paragraph. Two (2) sealed bids, which must be submitted on the Official Bid Form without alteration or interlineation and plainly marked “Bid for Bonds,” are to be addressed to “President and Board of Directors, North Parkway Municipal Management District No. 1.” The two (2) sealed bids must be submitted on signed Official Bid Forms and delivered, by 9:00 A.M., Central Time, on Tuesday, October 13, 2026, to the office of the Municipal Advisor, as follows: SAMCO Capital Markets, Inc., Attn: Chris Lane, 6805 North Capital of Texas Highway, Suite 350, Austin, Texas 78731. For purposes of the written bidding procedure, the time as maintained by PARITY (described below) shall constitute the official time.

ELECTRONIC BIDDING PROCEDURE: Any prospective bidder intending to submit an electronic bid must do so through the facilities of PARITY and must have first timely and properly submitted signed incomplete bid forms, as provided in Written Bidding Procedure, above. Subscription to i-Deal’s BIDCOMP Competitive Bidding System (“BIDCOMP”) is required in order to submit an electronic bid through PARITY. By submitting an electronic bid, the bidder is representing that it is a duly authorized subscriber of BIDCOMP and that the District is and shall be an expressed third party beneficiary of such bidder’s subscription agreement with DALCOMP, a division of Thomson Information Services, Inc. (“DALCOMP”), and the bidder agrees for the benefit of DALCOMP, the District and its Municipal Advisor that its bid submitted through BIDCOMP and PARITY shall be merged with its signed incomplete Official Bid Form and, as merged, shall constitute an irrevocable, valid and enforceable offer to purchase the Bonds on the terms and conditions provided therein and in this Official Notice of Sale, without further signature or action by

the bidder. The District will neither confirm any subscription nor be responsible for the failure of any prospective bidder to subscribe.

Electronic bids must be submitted via PARITY in accordance with this Official Notice of Sale, by 9:00 A.M., Central Time, on Tuesday, October 13, 2026, and no bid will be accepted or considered after such time. To the extent any instructions or directions set forth in PARITY conflict with this Official Notice of Sale, the terms of this Official Notice of Sale shall control. For further information about PARITY, potential bidders may contact the Municipal Advisor to the District or DALCOMP at i-Deal, 1359 Broadway, 2nd Floor, New York, New York 10018, telephone (212) 849-5021.

For purposes of both the written bidding procedure and the electronic bidding procedure, the time as maintained by PARITY shall constitute the official time. For information purposes only, bidders are requested to state in their electronic bids the net interest cost to the District, as described under “CONDITIONS OF SALE – BASIS OF AWARD” below. All electronic bids shall be deemed to incorporate the provisions of this Official Notice of Sale and the Official Bid Form. Please see “CONDITIONS OF SALE – REQUIRED DISCLOSURE OF INTERESTED PARTIES” for additional requirements concerning submission of bids.

LATE BIDS AND IRREGULARITIES: SAMCO Capital Markets, Inc. is not authorized and will not be responsible for the submission of any bids made after the time prescribed, nor does the District or SAMCO Capital Markets, Inc., assume any responsibility or liability with respect to any irregularities associated with the submission, delivery, or electronic transmission of any bid. **The District and the Board reserve the right to reject any and all bids and to waive any irregularities, except time of filing.**

AWARD AND SALE OF THE BONDS: The District will take action to adopt an order (the “Bond Order”) authorizing the issuance and awarding sale of the Bonds or will reject all bids promptly after the opening of bids at 1:00 P.M., Central Time, on Tuesday, October 13, 2026. The Board reserves the right to reject any or all bids and to waive any irregularities, except time of filing. Please note that all bids must comply with the requirement listed in “CONDITIONS OF SALE – REQUIRED DISCLOSURE OF INTERESTED PARTIES.”

THE BONDS

DESCRIPTION OF CERTAIN TERMS OF THE BONDS: The Bonds will be dated November 1, 2026 and interest on the Bonds will accrue from the date of their delivery (the “Delivery Date”), with interest payable on March 1, 2027, and on each September 1 and March 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or prior redemption. The Bonds will be issued only in fully registered form. Principal is payable to the registered owner(s) of the Bonds (the “Registered Owner(s)”) upon presentation and surrender at the principal corporate trust office of BOKF, NA, Dallas, Texas, the initial paying agent/registrar (the “Paying Agent/Registrar”). Interest on the Bonds will be payable by check dated as of the Interest Payment Date and mailed by the Paying Agent/Registrar to registered owners as shown on the records of the Paying Agent/Registrar at the close of business on the 15th calendar day of the month next preceding each Interest Payment Date.

The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, (“DTC”), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds, but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which will, in turn, remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

The Bonds will mature on September 1 in each of the following years in the following amounts: *

Maturity (September 1)	Principal Amount	Maturity (September 1)	Principal Amount
2029	\$ 245,000	2043	\$ 525,000
2030	220,000	2044	555,000
2031	280,000	2045	580,000
2032	305,000	2046	610,000
2033	325,000	2047	640,000
2034	345,000	2048	680,000
2035	370,000	2049	710,000
2036	390,000	2050	745,000
2037	405,000	2051	785,000
2038	420,000	2052	825,000
2039	440,000	2053	860,000
2040	455,000	2054	1,120,000
2041	480,000	2055	1,180,000
2042	505,000		

*Preliminary, subject to change (see “CONDITIONS OF SALE – Post Bid Modifications of Principal Amounts”).

SERIAL BONDS AND/OR TERM BONDS: Bidders may provide that all the Bonds be issued as serial bonds or may provide that any two or more consecutive annual principal amounts may be combined into one or more term bonds.

REDEMPTION PROVISIONS: The Bonds maturing on and after September 1, 2032, are subject to redemption and payment, at the option of the District, in whole or, from time to time, in part, on September 1, 2031 or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If fewer than all the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if fewer than all of the Bonds within a maturity are to be redeemed, the Paying Agent/Registrar shall select by lot or other customary method of random selection the Bonds within such maturity to be redeemed. The holder of any Bond, all or a portion of which has been called for redemption, will be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of such Bond called for redemption and for the issuance of an exchange Bond in a principal amount equal to the portion of the Bond not so redeemed.

SOURCE OF PAYMENT: The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied upon all taxable property within the Single Family Defined Area No. 1 (the “Defined Area”).

OTHER TERMS AND COVENANTS: Other terms of the Bonds and the various covenants of the District contained in the Bond Order are described in the Preliminary Official Statement, to which reference is made for all purposes.

MUNICIPAL BOND INSURANCE AND RATINGS: An application has been made to municipal bond insurance companies for the qualification of the Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the Initial Purchaser and at the Initial Purchaser’s expense. The District has not applied for an investment grade rating. See “INVESTMENT CONSIDERATIONS—Risk Factors Related to the Purchase of Municipal Bond Insurance” in the Preliminary Official Statement.

MANDATORY SINKING FUND REDEMPTION: If the Initial Purchaser designates principal amounts to be combined into one or more term bonds, each such term bond shall be subject to mandatory sinking fund redemption commencing on September 1 of the first year which has been combined to form such term bond and continuing on September 1 in each year thereafter until the stated maturity date of that term bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth on the inside cover page of the PRELIMINARY

OFFICIAL STATEMENT under the caption “MATURITIES, PRINCIPAL AMOUNTS, INTEREST RATES AND INITIAL REOFFERING YIELDS.” Bonds to be redeemed in any year by mandatory sinking fund redemption shall be redeemed at par by lot or other customary method. The principal amount of Term Bonds to be mandatorily redeemed is subject to proportionate reduction by the amount of any prior optional redemption.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Bonds will be sold in one block on an “all or none” basis at a price of not less than 97% of the principal amount thereof. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%, and the highest rate bid may not exceed the lowest rate bid by more than 2.5% in rate. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate, as calculated pursuant to Chapter 1204 of the Texas Government Code, as amended, on the Bonds may not exceed 2.5% above the Daily Bond Buyer’s weekly “20 Bond Index” published over the one-month period preceding the sale date of the Bonds. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

ADVANCE MODIFICATION OF PRINCIPAL AMOUNTS PER MATURITY: The Maturity Schedule for the Bonds set forth above represents an estimate of the principal amount of Bonds to be sold. The District hereby reserves the right to change the Maturity Schedule, based on market conditions prior to the sale. In the event that the District elects to change the Maturity Schedule prior to the sale it will provide notice to potential bidders through PARITY. Such notice shall be considered an amendment to this Notice of Sale and Bidding Instructions.

POST BID MODIFICATION OF PRINCIPAL AMOUNTS PER MATURITY: After selecting the winning bid, the aggregate principal amount of the Bonds per maturity and the principal amortization schedule may be adjusted as determined by the District and its Municipal Advisor in \$5,000 increments to reflect the actual interest rates and to create a substantially level debt service schedule for the District. Such adjustments will not change the aggregate principal amount of the Bonds and will not change the aggregate principal amount per maturity by more than 15% from the amount set forth herein. The dollar amount bid for the Bonds by the winning bidder will be adjusted proportionately to reflect any increase or decrease in the aggregate principal amount of the Bonds finally determined to be issued. The District will use its best efforts to communicate to the winning bidder any such adjustments within four (4) hours after the opening of bids. Purchaser’s compensation will be based upon the final par amount after any adjustments thereto, subsequent to the receipt and tabulation of the winning bid, within the aforementioned parameters.

In the event of any adjustment of the maturity schedule for the Bonds as described above, no rebidding or recalculation of the proposals submitted will be required or permitted. The bid price for such an adjustment will reflect changes in the dollar amount per maturity of the par amount of the Bonds from the selling compensation that would have been received based on the purchase price in the winning bid and the initial reoffering terms. Any such adjustments of the aggregate principal amount of the Bonds per maturity and/or of the maturity schedule for the Bonds made by the District or its Municipal Advisor shall be subsequent to the award of the Bonds to the winning bidder as determined pursuant to conditions herein and shall not affect such determination. The winning bidder may not withdraw its bid as a result of any changes made within the aforementioned limits.

BASIS OF AWARD: For the purpose of awarding sale of the Bonds, the interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount bid, if any. Subject to the District’s right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the “Initial Purchaser”) whose bid, under the above computation, produces the lowest net interest cost to the District, subject to compliance with Texas Government Code Sections 2252 and 2271. **The Board reserves the right to reject any or all bids.** In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be governed solely by the interest rate(s) bid.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier’s check payable to the order of “North Parkway Municipal Management District No. 1” in the amount of \$300,000 which is 2% of the par value of the Bonds (the “Good Faith Deposit”). Only “**Bank Cashier’s Checks**” will be accepted; no “**Official Checks**” will be accepted. The check will be considered as a Good Faith Deposit, and the check of the Underwriter will be retained

uncashed by the District pending the Underwriter's compliance with the terms of the Official Bid Form and this Official Notice of Sale. The Good Faith Deposit may accompany the Official Bid Form or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn to authorize its use as a Good Faith Deposit by the bidder, who shall be named in such instructions. The Good Faith Deposit will be returned immediately after full payment has been made by the Underwriter to the District in federal or immediately available funds in the amount of the purchase price plus accrued interest thereon. In the event the Underwriter should fail or refuse to accept delivery of and pay for the Bonds in accordance with such terms, or if it is determined after the acceptance of its bid by the District that the Underwriter was found not to satisfy the requirements below under "Standing Letter Requirement" herein and as a result the Texas Attorney General will not deliver its approving opinion of the Bonds, then the Good Faith Deposit shall be cashed and the proceeds accepted by the District as full and complete liquidated damages against the Underwriter.

STANDING LETTER REQUIREMENT: In submitting a bid, bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Council of Texas that conforms to the requirements set forth in the All Bond Counsel Letters of the Attorney General dated November 1, 2023 and supplemented November 16, 2023, and December 29, 2023, and any All Bond Counsel Letters subsequently issued (the "All Bond Counsel Letters"), (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed on the Official Bid Form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts related to its inclusion on any list of financial companies boycotting energy companies. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General. The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. By submitting a bid, each bidder agrees, should it be the winning bidder, to cooperate with the District and take any action necessary to further verify and confirm compliance with state law by the bidder and each syndicate member listed on the Official Bid Form.

The District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. In the event that a bidder does not have such standing letter on file at the time of submission of a bid, the bidder agrees to file such standing letter with the Municipal Advisory Council of Texas and the Texas Attorney General's Office by the earlier of: (a) two (2) hours after submitting its bid, and (b) the deadline for bids for the Bonds. If requested by the District, the Initial Purchaser agrees to provide such further representations, certifications or assurances regarding the matters described under the heading "Compliance with Laws Prohibiting Contracts with Companies," as applicable, as of the Date of Delivery of the Bonds or such other date requested by the District.

A bidder who is currently under review by the Texas Attorney General for being a potential discriminator or boycotter under (i) Section 2271.002 of the Texas Government Code, (ii) Section 2252.151 of the Texas Government Code, (iii) Section 2276.002 of the Texas Government Code, or (iv) Section 2274.002 of the Texas Government Code, agrees to provide, prior to the Date of Delivery of the Bonds, a bring-down certification that the Texas Attorney General can continue to rely on the bidder's standing letter and the statutory representations and covenants, in accordance with the requirements set forth in the All Bond Counsel Letters.

Notwithstanding anything contained herein, the representations and covenants contained in "Compliance with Laws Prohibiting Contracts with Companies Boycotting Israel And Certain Companies Engaged in Business with Iran, Sudan or Foreign Terrorist Organizations," "Compliance with Laws Prohibiting Contracts with Companies That Boycott Certain Energy Companies," "Compliance with Laws Prohibiting Contracts with Companies That Discriminate Against a Firearm Entity or Trade Association," and "Standing Letter Requirement" shall survive termination of the agreement until the statute of limitations has run, and liability for breach of any verification in such sections during such period shall not be liquidated or otherwise limited by any provision herein, notwithstanding anything in herein to the contrary.

REQUIRED DISCLOSURE OF INTERESTED PARTIES: Pursuant to Texas Government Code § 2252.908 (the "Interested Party Disclosure Act" or the "Act"), the District may not award the Bonds to a bidder that is a privately held entity unless the bidder, and each privately held syndicate member listed on the Official Bid Form, has provided

to the District a completed and signed Texas Ethics Commission Form 1295 (“TEC Form 1295”) and a “Certification of Filing” as generated by the Texas Ethics Commission (the “TEC”). Pursuant to the rules prescribed by the TEC, the TEC Form 1295 must be completed online through the TEC’s website at <https://www.ethics.state.tx.us/tec/1295-Infor.htm>. The TEC Form 1295, must then be printed and signed, and provided to the District along with the Certification of Filing generated by the TEC (c/o the District’s Municipal Advisor, SAMCO Capital Markets, Inc., Attn: Chris Lane, clane@samcocapital.com). In the event that the bidder’s bid for the Bonds is the best bid received, the District, acting through its Municipal Advisor, will promptly notify the bidder. That notification will serve as the conditional verbal acceptance of the bid, and will obligate the bidder to file promptly a completed TEC Form 1295, in order to complete the award. TEC Form 1295 must be received by the District prior to the formal acceptance of the winning bid. The TEC Form 1295 and Certificate of Filing may be provided to the District via facsimile or electronically, however, the original signed TEC Form 1295 and Certification of Filing must be physically delivered to the District (c/o Winstead P.C., 2728 N. Harwood Street, Suite 500, Dallas, Texas 75201) within two business days of the award. Following the award of the Bonds, the District will notify the TEC of the receipt of each completed TEC Form 1295 and Certification of Filing. The District reserves the right to reject any bid that does not comply with the requirements prescribed herein. For purposes of completing the TEC Form 1295, box two is the District’s formal name North Parkway Municipal Management District No. 1 and box three is Contract ID number is NPMMD – Ser26 - Rd. Neither the District nor its consultants have the ability to verify the information included in a TEC Form 1295, and neither have an obligation nor undertake responsibility for advising any bidder with respect to the proper completion of the TEC Form 1295. Consequently, an entity intending to bid on the Bonds should consult its own advisors to the extent it deems necessary and be prepared to submit the completed form promptly upon notification from the District that it bid is the apparent winning bid.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES BOYCOTTING ISRAEL AND CERTAIN COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATIONS: By submission of a bid for the Bonds, the bidder represents and verifies that, pursuant to Chapter 2271 of the Texas Government Code, at the time of execution and delivery of a bid and through the end of the applicable statute of limitations, neither the bidder nor a syndicate member listed on the OFFICIAL BID FORM, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same, boycotts or will boycott Israel. The terms “boycotts Israel” and “boycott Israel” as used in this paragraph have the meanings assigned to the term “boycott Israel” in Section 808.001 of the Texas Government Code, as amended.

Additionally, by submitting a bid, the bidder also represents and certifies that, pursuant to Chapter 2252 of the Texas Government Code, at the time of execution and delivery of this bid, and through the end of the applicable statute of limitations, neither the bidder nor a syndicate member listed on the OFFICIAL BID FORM, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same (i) engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapters 806 or 807 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (ii) is a company listed by the Texas Comptroller of Public Accounts under Sections 806.051, 807.051, or 2252.153 of the Texas Government Code. The term “foreign terrorist organization” in this paragraph has the meaning assigned to such term in Section 2252.151, as amended, Texas Government Code.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES THAT BOYCOTT ENERGY COMPANIES: By submission of a bid for the Bonds, the bidder represents and verifies that, pursuant to Chapter 2276 of the Texas Government Code, neither the bidder nor any syndicate member listed on the OFFICIAL BID FORM, nor the parent company, wholly- or majority- owned subsidiaries, and other affiliates, if any, of the bidder or any syndicate member listed on the OFFICIAL BID FORM boycott energy companies and such entities will not boycott energy companies through the end of the applicable statute of limitations. The foregoing verification is made pursuant to Section 2276.002, Texas Government Code, as amended. As used in the foregoing verification, “boycott energy companies” has the meaning assigned to such term in Section 909.001, Texas Government Code, as amended, which currently means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above. As used in this verification, the bidder and any syndicate member listed on the OFFICIAL BID FORM understand ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the bidder or syndicate member listed on the

OFFICIAL BID FORM, as applicable, within the meaning of SEC Rule 405, 17. C.F.R. § § 230.405, and exists to make a profit.

COMPLIANCE WITH LAWS PROHIBITING CONTRACTS WITH COMPANIES THAT DISCRIMINATE AGAINST A FIREARM ENTITY OR TRADE ASSOCIATION: By submission of a bid for the Bonds, the bidder represents and verifies that, pursuant to Chapter 2274 of the Texas Government Code, neither bidder nor any syndicate member listed on the OFFICIAL BID FORM, nor the parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, of the bidder or any syndicate member listed on the OFFICIAL BID FORM

- 1) have a practice, policy, guidance or directive that discriminates against a firearm entity or firearm trade association; and
- 2) will through the end of the applicable statute of limitations discriminate against a firearm entity or firearm trade association.

The foregoing verification is made pursuant to Section 2274.002, Texas Government Code, as amended. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning assigned to it in Section 2274.001(3), Texas Government Code, as amended, which currently, (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company’s refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity’s or association’s status as a firearm entity or firearm trade association. As used in the foregoing verification, “firearm entity” has the meaning assigned to it in Section 2274.001(6), Texas Government Code, as amended, which currently means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (defined in Section 2274.001(4) as weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (defined in Section 2274.001(5) as devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (defined in Section 2274.001(1) as a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code). As used in the foregoing verification, “firearm trade association” has the meaning assigned to it in Section 2274.001(7), Texas Government Code, as amended, which currently, means any person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code. As used in this verification, the bidder and any syndicate member listed on the OFFICIAL BID FORM understand ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the bidder or syndicate member listed on the OFFICIAL BID FORM, as applicable, within the meaning of SEC Rule 405, 17. C.F.R. § § 230.405, and exists to make a profit.

IMPACT OF BIDDING SYNDICATE ON AWARD: For purposes of contracting for the sale of the Bonds, the entity signing the bid form as the Initial Purchaser shall be solely responsible for the payment of the purchase price of the Bonds. The Initial Purchaser may serve as a syndicate manager and contract under a separate agreement with other syndicate members. However, the District is not a party to that agreement and any information provided regarding syndicate managers would be for informational purposes only.

OFFICIAL STATEMENT

To assist the Initial Purchaser in complying with Rule 15c2-12 (the “Rule”) of the United States Securities and Exchange Commission (“SEC”), the District and the Initial Purchaser contract and agree, by the submission and acceptance of the winning bid, as follows:

FINAL OFFICIAL STATEMENT: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Initial Purchaser and other similar information, terms and provisions to be specified in the competitive bidding process. The Initial Purchaser shall be responsible for promptly informing the District of the initial offering yields of the Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Initial Purchaser and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Initial Purchaser on or after the sale date, the District intends the same to be final as of such date, within the meaning of the Rule. Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption “OFFICIAL STATEMENT – Certification as to Official Statement.”

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, as described below under “DELIVERY AND ACCOMPANYING DOCUMENTS – CONDITIONS TO DELIVERY,” the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the District to do so will terminate when the District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District’s obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

DELIVERY OF OFFICIAL STATEMENTS: The District shall furnish to the Initial Purchaser (and to each participating underwriter of the Bonds, within the meaning of the Rule, designated by the Initial Purchaser), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Initial Purchaser a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Initial Purchaser may request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Initial Purchaser shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

DELIVERY OF INITIAL BOND: Initial delivery of the Bonds (“Delivery”) will be as set forth below. Unless otherwise agreed with the Initial Purchaser, delivery will be at the corporate trust office of the Paying Agent/Registrar in Dallas, Texas. Payment for the Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Initial Purchaser will be given five (5) business days’ notice of the time fixed for delivery of the Bonds. It is anticipated that Delivery can be made on or about November 12, 2026, and subject to the aforesaid notice, it is understood and agreed that the Initial Purchaser will accept delivery and make payment for the Bonds by 9:00 a.m., Central Time, on November 12, 2026, or thereafter on the date the Bonds are tendered for delivery, up to and including December 18, 2026. If for any reason the District is unable to make delivery

on or before December 18, 2026, then the District immediately shall contact the Initial Purchaser and offer to allow the Initial Purchaser to extend its offer for an additional thirty (30) days. If the Initial Purchaser does not elect to extend its offer within six (6) days thereafter, then the Good Faith Deposit will be returned, and both the District and the Initial Purchaser shall be relieved of any further obligation.

EXCHANGE ON DELIVERY DATE: The Paying Agent/Registrar will, on the delivery date, exchange one initial Bond, in the principal amount of \$15,000,000, delivered by the District for Bonds consisting of one Bond per maturity, registered in the name of Cede & Co., as nominee for DTC, in integral multiples of \$5,000, maturing as set out in this Official Notice of Sale and bearing interest in accordance with the terms of the Initial Purchaser's bid.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Initial Purchaser to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; however, payment of the CUSIP Global Services charge for the assignment of the numbers shall be the responsibility of the Initial Purchaser.

CONDITIONS TO DELIVERY: The obligation to take up and pay for the Bonds is subject to the following conditions: the issuance of an approving opinion of the Attorney General of Texas, the Initial Purchaser's receipt of the Bonds, the Initial Purchaser's receipt of the legal opinion of Bond Counsel, and the no-litigation certificate, and the non-occurrence of the events described below under the caption "NO MATERIAL ADVERSE CHANGE," all as described below. In addition, if the District fails to comply with its obligations described under "OFFICIAL STATEMENT" above, the Initial Purchaser may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) days thereafter.

ESTABLISHING THE ISSUE PRICE FOR THE BONDS: The District intends to rely on Treasury Regulation section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of municipal bonds), which require, among other things, that the District receives bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirement").

In the event that the bidding process does not satisfy the Competitive Sale Requirement, bids will not be subject to cancellation and the winning bidder (i) agrees to promptly report to the District the first prices at which at least 10% of each maturity of the Bonds (the "First Price Maturity") have been sold to the Public on the Sale Date (the "10% Test") and (ii) agrees to hold the offering price of each maturity of the Bonds that does not satisfy the 10% Test ("Hold-the-Price Maturity"), as described below.

In order to provide the District with information that enables it to comply with the establishment of the issue price of the Bonds under the Internal Revenue Code of 1986, as amended, the Initial Purchaser (as defined in this section) agrees to complete, execute, and timely deliver to the District or to the Municipal Advisor, a certification as to the Bonds' "issue price" (the "Issue Price Certificate") substantially in the form and to the effect accompanying this Official Notice of Sale, within 5 business days of the Closing Date (as defined herein). In the event the Initial Purchaser will not reoffer any maturity of the Bonds for sale to the Public (as defined herein) by the Closing Date, the Issue Price Certificate may be modified in a manner approved by the District. It will be the responsibility of the Initial Purchaser to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain such facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel (identified in the Preliminary Official Statement).

For purposes of this section of this Official Notice of Sale:

- (i) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Initial Purchaser or a Related Party to the Initial Purchaser,
- (ii) "Initial Purchaser" means (A) any person that agrees pursuant to a written contract with the District (or with the lead initial purchaser to form an initial purchaser syndicate) to participate in the initial

sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public),

- (iii) “Related Party” means any two or more persons (including an individual, trust, estate, partnership, association, company, or corporation) that are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other),
- (iv) “Sale Date” means the date that the Bonds are awarded by the District to the winning bidder, and
- (v) “Closing Date” means November 12, 2026.

All actions to be taken by the District under this Official Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s Municipal Advisor, and any notice or report to be provided to the District may be provided to the District’s Municipal Advisor.

The District will consider any bid submitted pursuant to this Official Notice of Sale to be a firm offer for the purchase of the Bonds, as specified in the bid and, if so stated, in the Official Bid Form.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Initial Purchaser, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, (A) to report the prices at which it sells to the Public the unsold Bonds of each maturity allocated to it until either all such Bonds have been sold or it is notified by the winning bidder that either the 10% Test has been satisfied as to the Bonds of that maturity, (B) to promptly notify the winning bidder of any sales of Bonds that, to its knowledge, are made to a purchaser who is a Related Party to the Initial Purchaser, and (C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder will assume that based on such agreement each order submitted by the underwriter, dealer or broker-dealer is a sale to the Public; and (ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each Initial Purchaser that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each underwriter or dealer that is a party to such third-party distribution agreement to report the prices at which it sells to the Public the unsold Bonds of each maturity allocated to it until either all such Bonds have been sold or it is notified by the winning bidder or such Initial Purchaser that either the 10% Test has been satisfied as to the Bonds of that maturity. Sales of any Bonds to any person that is a Related Party to the Initial Purchaser shall not constitute sales to the public for purposes of this Notice of Sale.

By submitting a bid, the winning bidder agrees, on behalf of each Initial Purchaser participating in the purchase of the Bonds, that each Initial Purchaser will neither offer nor sell any Hold-the-Price Maturity to any person at a price that is higher than the initial offering price to the Public during the period starting on the Sale Date and ending on the earlier of: (1) the close of the fifth (5th) business day after the Sale Date; or (2) the date on which the Initial Purchaser has sold at least 10% of that Hold-the-Price Maturity to the Public at a price that is no higher than the initial offering price to the Public. The winning bidder shall promptly advise the District when the Initial Purchaser has sold 10% of a Hold-the-Price Maturity to the Public at a price that is no higher than the initial offering price to the Public, if that occurs prior to the close of the fifth (5th) business day after the Sale Date.

LEGAL OPINIONS: The District will furnish without cost to the Initial Purchaser a transcript of certain certified proceedings held incident to the authorization and issuance of the Bonds, including a certified copy of the unqualified approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Bonds are validly issued under the Constitution and laws of the State of Texas, payable solely from the proceeds of a continuing direct annual ad valorem tax, levied upon all taxable property within the Defined Area without legal limitation as to rate or amount, and, based upon an examination of such transcript of proceedings, the approving legal opinion of Bond Counsel to a like effect and to the effect that the interest on the Bonds is excludable from gross income for purposes of federal income taxation and not subject to the alternative minimum tax on individuals. See “LEGAL MATTERS” in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

DTC DEFINITIVE BONDS: After delivery, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the registered owners of the Bonds shall mean Cede & Co. and not the Beneficial Owners (as defined in the Preliminary Official Statement) of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without registered Bonds) in the denomination of \$5,000 of principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See “THE BONDS – Book-Entry-Only System” in the Preliminary Official Statement.

QUALIFIED TAX-EXEMPT OBLIGATIONS: The District has **not** designated the Bonds as “qualified tax-exempt obligations” under Section 265 of the Internal Revenue Code of 1986, as amended.

NO-LITIGATION CERTIFICATE: The District will furnish the Initial Purchaser a certificate, executed by both the authorized members of the Board, and dated as of the date of delivery of the Bonds, to the effect that no litigation of any nature is pending or threatened, either in state, or federal courts, contesting or attacking the Bonds; restraining or enjoining the levy, assessment and collection of ad valorem taxes to pay the interest on or the principal of the Bonds; in any manner questioning the authority or proceedings for the issuance, execution or delivery of the Bonds; or affecting the validity of the Bonds or the title of the present officers of the District.

NO MATERIAL ADVERSE CHANGE: The obligations of the Initial Purchaser to take up and pay for the Bonds, and of the District to deliver the Bonds, are subject to the condition that, up to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of sale from that set forth in the Preliminary Official Statement, as it may have been finalized, supplemented or amended through the date of delivery.

RULE G-32 REQUIREMENTS: It is the responsibility of the Underwriter to comply with the Municipal Securities Rule Making Board’s Rule G-32 within the required time frame. The Underwriter must send two copies of the Official Statement along with two complete Form G-32’s to the appropriate address.

GENERAL CONSIDERATIONS

INVESTMENT CONSIDERATIONS: On the date of delivery of the initial Bonds to the Initial Purchaser, the Bonds are subject to certain investment risks as set forth in the Preliminary Official Statement. Prospective purchasers should review the entire Preliminary Official Statement before making their investment decision. See “INVESTMENT CONSIDERATIONS” in the Preliminary Official Statement.

Municipal Bond Insurance and Ratings: An application has been made to municipal bond insurance companies for the qualification of the Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the Initial Purchaser and at the Initial Purchaser’s expense. The District has not applied for an investment grade rating. See “INVESTMENT CONSIDERATIONS—Risk Factors Related to the Purchase of Municipal Bond Insurance” in the Preliminary Official Statement.

RESERVATION OF RIGHTS: The District reserves the right to reject all bids or any bid not conforming with the terms hereof and the right to waive any and all irregularities, except time of filing.

NOT AN OFFER TO SELL: This Official Notice of Sale does not alone constitute an offer to sell the Bonds but is merely notice of sale of the Bonds. The invitation for bids on the Bonds is being made by means of this Official Notice of Sale, the Preliminary Official Statement, and the Official Bid Form.

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Initial Purchaser represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Initial Purchaser will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Initial Purchaser's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary, provided that the District shall not be required to file a general consent to service of process in any jurisdiction.

CONTINUING DISCLOSURE AGREEMENT: The District will agree in the Bond Order to provide certain periodic information and notices of certain events in accordance with the Rule, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Initial Purchaser's obligation to accept and pay for the Bonds is conditioned upon delivery to the Initial Purchaser or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

ADDITIONAL COPIES: Additional copies of this Official Notice of Sale, the Official Bid Form, and the Preliminary Official Statement may be obtained from SAMCO Capital Markets, Inc., 6805 North Capital of Texas Highway, Suite 350, Austin, Texas 78731.

ISSUE PRICE CERTIFICATE

(Sales where at least 3 bids are received)

The undersigned, is the initial purchaser or the manager of the syndicate of initial purchasers ("Initial Purchaser"), which has purchased at competitive sale of the \$_____ Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2026 (the "Bonds") issued by North Parkway Municipal Management District No. 1 ("District") hereby certifies and represents, based on its records and information, as follows:

(a) On the first day on which there was a binding contract in writing for the purchase of the Bonds by the Initial Purchaser, the Initial Purchaser's reasonably expected initial offering prices of each maturity of the Bonds with the same credit and payment terms (the "Expected Offering Prices") to a person (including an individual, trust, estate, partnership, association, company, or corporation) are as set forth in the pricing wire or equivalent communication for the Bonds, as attached to this Issue Price Certificate as "SCHEDULE A." The Expected Offering Prices are the prices for the Bonds used by the Initial Purchaser in formulating its bid to purchase the Bonds.

(b) The Initial Purchaser had an equal opportunity to bid to purchase the Bonds, and was not given the opportunity to review other bids that was not equally given to all other bidders (i.e., no last look).

(c) The bid submitted by the Initial Purchaser constituted a firm bid to purchase the Bonds.

(d) The Initial Purchaser [has/has not] purchased bond insurance for the Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$_____ (net of any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. Such fee does not exceed a reasonable, arms-length charge for the transfer of credit risk. The present value of the debt service savings expected to be realized as a result of such insurance exceeds the amount of the fee set forth above. For this purpose, present value is computed using the yield on the Bonds, determined by taking into account the amount of the fee set forth above, as the discount rate. No portion of the fee payable to the Insurer is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such fee that has not been earned.

The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Federal Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Winstead P.C., in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds. Notwithstanding anything set forth herein, the Initial Purchaser is not engaged in the practice of law and makes no representation as to the legal sufficiency of the factual matters set forth herein.

ISSUE PRICE CERTIFICATE

(Sales where 3 bids are not received)

The undersigned, is the initial purchaser or the manager of the syndicate of initial purchasers ("Initial Purchaser"), which has purchased at competitive sale of the \$_____ Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2026 (the "Bonds") issued by North Parkway Municipal Management District No. 1 ("District") hereby certifies and represents, based on its records and information, as follows:

(a) Other than the Bonds maturing in _____ ("Hold-the-Price Maturities"), if any, the first prices at which at least ten percent ("Substantial Amount") of the principal amount of each maturity of the Bonds having the same credit and payment terms ("Maturity") was sold on the date of sale of the Bonds (the "Sale Date") to a person (including an individual, trust, estate, partnership, association, company, or corporation) (the "Public") are their respective initial offering prices (the "Initial Offering Prices"), as listed in the pricing wire or equivalent communication for the Bonds that is attached to this Issue Price Certificate as "SCHEDULE A."

(b) On or before the Sale Date, the Initial Purchaser offered to the Public each Maturity of the Hold-the-Price Maturities at their respective Initial Offering Prices, as set forth in "SCHEDULE A" hereto.

(c) As set forth in the Official Notice of Sale, the Initial Purchaser agreed in writing to neither offer nor sell any of the Hold-the-Price Maturities to any person at any higher price than the Initial Offering Price for such Hold-the-Price Maturity until the earlier of the close of the fifth (5th) business day after the Sale Date or the date on which the Initial Purchaser sells a Substantial Amount of a Hold-the-Price Maturity of the Bonds to the Public at no higher price than the Initial Offering Price for such Hold-the-Price Maturity.

(d) The Initial Purchaser [has/has not] purchased bond insurance for the Bonds. The bond insurance has been purchased from _____ (the "Insurer") for a fee of \$_____ (net of any nonguarantee cost, e.g., rating agency fees). The amount of such fee is set forth in the Insurer's commitment and does not include any payment for any direct or indirect services other than the transfer of credit risk, unless the compensation for those other services is separately stated, reasonable, and excluded from such fee. OFFICIAL BID FORM

October 13, 2026

President and Board of Directors
North Parkway Municipal Management District No. 1
c/o SAMCO Capital Markets, Inc.
Attn: Chris Lane
6805 North Capital of Texas Highway, Suite 350
Austin, Texas 78731

Board Members:

We have read in detail the Official Notice of Sale and Preliminary Official Statement, which are hereby made a part hereof, of North Parkway Municipal Management District No. 1 (the "District") relating to its \$15,000,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2026 (the "Bonds"). We realize that the Bonds involve certain investment risks and that the ability of the District to service the Bonds depends, in part, on the risk factors set forth in the Preliminary Official Statement dated _____, 2026. We have made such inspections and investigations as we deem necessary relating to the investment quality of the Bonds. Accordingly, we offer to purchase the Bonds for a cash price of \$_____ (which represents _____ % of the principal amount thereof), plus accrued interest to the date of delivery of the Bonds to us, provided such Bonds bear interest at the following rates:

Maturity September 1	Principal Amount	Interest Rate	Maturity September 1	Principal Amount	Interest Rate
2029	\$ 245,000	_____ %	2043(c)	\$ 525,000	_____ %
2030	220,000	_____ %	2044(c)	555,000	_____ %
2031	280,000	_____ %	2045(c)	580,000	_____ %
2032(c)	305,000	_____ %	2046(c)	610,000	_____ %
2033(c)	325,000	_____ %	2047(c)	640,000	_____ %
2034(c)	345,000	_____ %	2048(c)	680,000	_____ %
2035(c)	370,000	_____ %	2049(c)	710,000	_____ %
2036(c)	390,000	_____ %	2050(c)	745,000	_____ %
2037(c)	405,000	_____ %	2051(c)	785,000	_____ %
2038(c)	420,000	_____ %	2052(c)	825,000	_____ %
2039(c)	440,000	_____ %	2053(c)	860,000	_____ %
2040(c)	455,000	_____ %	2054(c)	1,120,000	_____ %
2041(c)	480,000	_____ %	2055(c)	1,180,000	_____ %
2042(c)	505,000	_____ %			

- (a) Of such principal maturities set forth above, we have created term bonds as indicated in the following table (which may include multiple term bonds, one term bond, or no term bonds if none is indicated). For those years which have been combined into a term bond, the principal amount shown in the table above shall be the mandatory sinking fund redemption amounts in such years. The term bonds created are as follows:

Term Bond Maturity Date (September 1)	Year of First Mandatory Redemption	Principal Amount of Term Bonds	Interest Rate
_____	_____	\$ _____	_____ %
_____	_____	_____	_____ %
_____	_____	_____	_____ %
_____	_____	_____	_____ %
_____	_____	_____	_____ %
_____	_____	_____	_____ %

- (b) The District reserves the right to redeem prior to maturity those Bonds maturing on and after September 1, 2032, in whole or, from time to time in part, on September 1, 2031, or on any date thereafter at a price of par plus accrued interest from the most recent interest payment date to the date fixed for redemption.

As part of our bid, we agree ☐/disagree ☐ to pay the premium in the amount of \$ _____ for the municipal bond guaranty insurance issued by _____ and the rating agency fee(s) of _____ in the amount of \$ _____.

Our calculation (which is not a part of this bid) of the interest cost from the above is:

Total Interest Cost from _____, 2026.....	\$ _____
Plus: Dollar Amount of Discount <u>OR</u> Less: Dollar Amount of Premium	\$ _____
NET INTEREST COST	\$ _____
NET EFFECTIVE INTEREST RATE	_____ %

We will require ____ copies of the final Official Statement for dissemination to potential purchasers of the Bonds (not to exceed 250 copies). By our submission of this bid, we agree to provide such copies of the final Official Statement and of any amendments or supplements thereto in accordance with the Official Notice of Sale, and to undertake the obligations of the Initial Purchaser described therein, as contemplated by Rule 15c2-12 of the United States Securities and Exchange Commission.

By executing this Official Bid Form, the undersigned hereby represents and certifies that the bidder [is] [is not] a publicly traded business entity or a wholly owned subsidiary of a publicly traded business entity or a wholly owned subsidiary of a publicly traded business entity for the purposes of Texas Government Code Section 2252.908. The undersigned acknowledges and understands that the District may not accept this bid until it has received from the bidder, if that bidder is a privately held business entity, a completed and signed Texas Ethics Commission Form 1295 complete with a certificate number assigned by the Texas Ethics Commission ("TEC"), pursuant to Texas Government Code § 2252.908 and the rules promulgated thereunder by the TEC. The undersigned understands that failure to provide said form complete with a certificate number assigned by the TEC as provided for in the Official Notice of Sale will result in a non-conforming bid and will prohibit the District from considering this bid for acceptance.

The initial Bonds shall be registered in the name of Cede & Co. We will advise DTC of registration instructions at least five business days prior to the date for Delivery.

Cashier's Check No. _____, issued by _____, _____, Texas, and payable to your order in the amount of \$ _____ (is attached hereto) (has been made available to you prior to the opening of this bid) as a Good Faith Deposit for disposition in accordance with the terms and conditions set forth in the Official Notice of Sale. Should we fail or refuse to make payment for the Bonds in accordance with the terms and conditions stated in the Official Notice of Sale, this check shall be cashed and the proceeds retained by the District as complete liquidated damages against the Initial Purchaser. The Good Faith Deposit will be returned to the Initial Purchaser uncashed on the date of delivery of the Bonds.

We agree to accept delivery of and make payment for the initial Bond in immediately available funds at the corporate trust office of BOKF, NA, Dallas, Texas, not later than 10:00 a.m., Central Time, on November 12, 2026, or thereafter, on the date the Bonds are tendered for delivery pursuant to the terms set forth in the Official Notice of Sale.

The undersigned agrees to complete, execute and deliver to the District, by the date of delivery of the Bonds, a certificate relating to the "issue price" of the Bonds in the form accompanying the Official Notice of Sale, with such changes thereto as may be acceptable to the District.

We hereby represent that sale of the Bonds in jurisdictions other than Texas will be made only pursuant to exemptions from registration or qualification and that, where necessary, we will register or qualify the Bonds in accordance with the securities laws and regulations of the jurisdictions in which the Bonds are offered or sold.

Notwithstanding anything contained herein, the representations and covenants contained in the next four paragraphs shall survive termination of the agreement until the statute of limitations has run.

By executing this Official Bid Form, the bidder represents and verifies that, pursuant to Chapter 2271 of the Texas Government Code, at the time of execution and delivery of this bid and through the end of the applicable statute of limitations, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority owned subsidiary, parent company or affiliate of the same, boycotts or will boycott Israel. The terms "boycotts Israel" and "boycott Israel" as used in this paragraph have the meanings assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended.

Additionally, by executing this Official Bid Form, the bidder also represents and certifies that, pursuant to Chapter 2252 of the Texas Government Code, at the time of execution and delivery of this bid and through the end of the applicable statute of limitations, neither the bidder nor a syndicate member listed on the Official Bid Form, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same (i) engages in business with Iran, Sudan, or any foreign terrorist organization, or (ii) is a company listed by the Texas Comptroller of Public Accounts under Sections 2270.0201 or 2252.153 of the Texas Government Code. The term "foreign terrorist organization" in this paragraph has the meaning assigned to such term in Section 2252.151 of the Texas Government Code. The term "bidder" as used in this paragraph has the same meaning as the term "company" as set forth in Section 2270.0001 of the Texas Government Code, as amended.

The undersigned further verifies that, pursuant to Chapter 2276, Texas Government Code, it, and any wholly or majority-owned subsidiary, parent company or affiliate, does not and agrees it will not boycott "energy companies" (as defined by Section 2276.001, Texas Government Code, as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session) and agrees it will not boycott energy companies through the applicable statute of limitations. The term "bidder" as used in this paragraph has the same meaning as the term "company" set forth in Section 2276.001, Texas Government Code, as amended.

Additionally, the undersigned certifies that it, and any wholly or majority-owned subsidiary, parent company or affiliate, does not and agrees it will not discriminate against firearm entities or firearm trade associations (as defined by Section 2274.001, Texas Government Code as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session) and agrees it will not through the applicable statute of limitations. At the request of the District, the undersigned agrees to execute further written certifications as may be necessary or convenient for the District to establish compliance with these laws. The term "bidder" as used in this paragraph has the same meaning as the term "company" set forth in Section 2274.001, Texas Government Code, as amended.

By executing this Bid Form, bidder represents to the District that it and each syndicate member listed on the Official Bid Form, if any, (i) has filed a standing letter with the Attorney General and the Municipal Advisory Council of Texas that conforms to the requirements of the Attorney General, (ii) has no reason to believe that the District may not be entitled to rely on such standing letters, and (iii) neither bidder, any syndicate member listed in the Official Bid Form, nor any parent company, subsidiaries, or affiliates of the same, have received a letter from the Texas Comptroller of Public Accounts related to its inclusion on any list of financial companies boycotting energy companies. Bidder agrees that it will not rescind its standing letter at any time before the delivery of the Bonds unless same is immediately replaced with a standing letter that meets the requirements of the Attorney General. By executing this Bid Form, Bidder acknowledges that the District reserves the right, in its sole discretion, to reject any bid from a bidder that does not have such standing letter on file as of the deadline for bids for the Bonds. By submitting a bid, each bidder agrees, should it be the winning bidder, to cooperate with the District and take any action necessary to further verify and confirm compliance with state law by the bidder and each syndicate member listed in the Bid Form.

Additionally, by executing this Official Bid Form, the bidder also verifies on behalf of itself and each syndicate member listed on the Official Bid Form that, to the extent the Official Bid Form represents a contract for goods or services within the meaning of Section 552.371 of the Texas Government Code, as amended, the bidder and each syndicate member listed on the Official Bid Form will (i) preserve all contracting information related to the bid as

provided by the records retention requirements applicable to the District through the delivery date of the Bonds, (ii) promptly provide to the District any contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member on request of the District, and (iii) upon delivery of the Bonds to the bidder, either (a) provide at no cost to the District all contracting information related to the bid that is in the custody or possession of the bidder or any syndicate member or (b) preserve the contracting information related to the bid as provided by the records retention requirements applicable to the District. The term "contracting information" as used in this paragraph has the meaning assigned to such term in Section 552.003 of the Texas Government Code.

At the request of the District, the undersigned agrees to execute further written certifications as may be necessary or convenient for the District to establish compliance with these laws.

Respectfully submitted,

By:

PRELIMINARY OFFICIAL STATEMENT DATED OCTOBER 5, 2026

This Preliminary Official Statement is subject to completion and amendment, as provided in the Official Notice of Sale, and is intended for the solicitation of initial bids to purchase the Bonds (hereinafter defined). Upon the sale of the Bonds, the Official Statement will be completed and delivered to the Initial Purchaser (hereinafter defined).

In the opinion of Bond Counsel (herein defined), under existing law, assuming continuing compliance by the District (defined herein) after the date of initial delivery of the Bonds described below (the “Bonds”) with certain covenants contained in the Bond Order (defined below) authorizing the Bonds and subject to the matters set forth under “TAX MATTERS” herein, interest on the Bonds for federal income tax purposes under existing statutes, regulations, published rulings, and court decisions (1) will be excludable from the gross income of the owners thereof pursuant to section 103 of the Internal Revenue Code of 1986, as amended to the date of initial delivery of the Bonds (the “Code”), and (2) will not be an item of tax preference for purposes of the alternative minimum tax; however, such interest may be taken into account in determining the “annual adjusted financial statement income” (as defined in section 56A of the Code) of “applicable corporations” (as defined in section 59(k) of the Code) for the purpose of computing the alternative minimum tax imposed on corporations. See “TAX MATTERS” herein.

The Bonds will not be designated as “qualified tax-exempt obligations” for financial institutions. See “TAX MATTERS—Qualified Tax-Exempt Obligations.”

NORTH PARKWAY MUNICIPAL MANAGEMENT DISTRICT NO. 1

(A political subdivision of the State of Texas, located within Collin County)

\$15,000,000

SINGLE FAMILY DEFINED AREA NO. 1 UNLIMITED TAX ROAD BONDS, SERIES 2026

Dated: November 1, 2026

Due: September 1, as shown on inside cover

Interest Accrues from Date of Delivery

The \$15,000,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2026 (the “Bonds”) are obligations solely of North Parkway Municipal Management District No. 1 (the “District”), secured solely by ad valorem taxes levied on property located only within the Single Family Defined Area No. 1 (the “Defined Area”), which is located within the District, and are not obligations of the State of Texas; Collin County, Texas (the “County”); the City of Celina, Texas (the “City”); or any political subdivision or entity other than the District. Neither the full faith and credit nor the taxing power of the State of Texas; the County; the City; or any entity other than the District is pledged to the payment of the principal of or the interest on the Bonds.

Principal of the Bonds is payable upon presentation at the principal payment office of the paying agent/registrar, initially, BOKF, NA, Dallas, Texas (the “Paying Agent/Registrar”). Interest on the Bonds accrues from the initial date of delivery, expected to be on or about November 12, 2026 (the “Date of Delivery”), and is payable March 1, 2027, and on each September 1 and March 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or redemption. Interest on the Bonds will be payable by check dated as of the Interest Payment Date and mailed by the Paying Agent/Registrar to registered owners as shown on the records of the Paying Agent/Registrar at the close of business on the 15th calendar day of the month next preceding each Interest Payment Date. The Bonds are fully registered bonds in principal denominations of \$5,000 or any integral multiple thereof.

The Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company (“DTC”), which will act as securities depository for the Bonds. Beneficial owners of the Bonds will not receive physical certificates representing the Bonds but will receive a credit balance on the books of the nominees of such beneficial owners. So long as Cede & Co. is the registered owner of the Bonds, the principal of and interest on the Bonds will be paid by the Paying Agent/Registrar directly to DTC, which, in turn, will remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. See “THE BONDS—Book-Entry-Only System.”

See “MATURITIES, PRINCIPAL AMOUNTS, INTEREST RATES, INITIAL REOFFERING YIELDS AND CUSIPS” on inside cover.

The Bonds constitute the third series of unlimited tax bonds issued by the District for the purpose of acquiring or constructing a road system to serve the Defined Area (the “Defined Area Road System”), and, when issued, will constitute valid and binding obligations of the District payable from the proceeds of a continuing direct annual ad valorem tax, without legal limitation as to rate or amount, levied upon all taxable property within the Single Family Defined Area No. 1. After issuance of the Bonds, \$207,722,730 principal amount of unlimited tax bonds for the Defined Area Road System will remain authorized but unissued. See “THE BONDS—Source of Payment.”

Investment in the Bonds is subject to special investment considerations as described herein. Prospective purchasers should review this entire Preliminary Official Statement, including particularly the section of this Preliminary Official Statement entitled “INVESTMENT CONSIDERATIONS,” before making an investment decision.

The Bonds are offered, when, as and if issued by the District to the winning bidder of the Bonds (the “Initial Purchaser”) subject, among other things, to the approval of the Attorney General of Texas and the opinion of Winstead PC, Bond Counsel. Certain legal matters will be passed upon for the District by Orrick, Herrington & Sutcliffe LLP, Houston, Texas, Disclosure Counsel. Delivery of the Bonds through the facilities of DTC is expected on or about November 12, 2026.

This Preliminary Official Statement and the information contained herein are subject to completion or amendment. These securities may not be sold nor may offers to buy be accepted prior to the time this Official Statement is delivered in final form. Under no circumstances shall this Preliminary Official Statement constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

- (a) The initial reoffering yield has been provided by the Initial Purchaser (herein defined) and represents the initial offering price to the public of a substantial amount of the Bonds for each maturity. Such initial reoffering yield may be changed for subsequent purchasers. The initial reoffering yields indicated above represent the lower of the yields resulting when priced to maturity or to the first call date.
- (b) CUSIP numbers have been assigned to the Bonds by CUSIP Global Services, managed by FactSet Research Systems, Inc. on behalf of the American Bankers Association and are included solely for the convenience of the owners of the Bonds. None of the District, Municipal Advisor (herein defined) or Initial Purchaser shall be responsible for the selection or the correctness of the CUSIP numbers.
- (c) Bonds maturing on September 1, 2032 and thereafter, are subject to redemption prior to maturity at the option of the District, in whole or from time to time in part, on September 1, 2031, or any date thereafter at a price equal to the principal amount thereof, plus accrued interest to the date fixed for redemption. See “THE BONDS—Redemption Provisions.”
- (d) The Initial Purchaser may designate one or more maturities as term bonds. See accompanying “Official Notice of Sale” and “Official Bid Form.”

USE OF INFORMATION IN OFFICIAL STATEMENT

For purposes of compliance with Rule 15c2-12 of the United States Securities and Exchange Commission ("SEC"), as amended, and in effect on the date of this Preliminary Official Statement, this document constitutes an "official statement" of the District with respect to the Bonds that has been deemed "final" by the District as of its date except for the omission of no more than information permitted by SEC Rule 15c2-12.

This document, when further supplemented by adding additional information specifying the interest rates and certain other information relating to the Bonds shall constitute a "final official statement" of the District with respect to the Bonds, as such term is defined in SEC Rule 15c2-12.

No dealer, broker, salesman or other person has been authorized to give any information or to make any representations other than those contained in this Preliminary Official Statement, and, if given or made, such other information or representations must not be relied upon as having been authorized by the District or the Initial Purchaser.

This Preliminary Official Statement does not constitute and is not authorized by the District for use in connection with, an offer to sell or the solicitation of any offer to buy in any state in which such offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such offer or solicitation.

All of the summaries of the statutes, resolutions, orders, contracts, records, and engineering and other related reports set forth in this Preliminary Official Statement are made subject to all of the provisions of such documents. These summaries do not purport to be complete statements of such provisions, and reference is made to such documents, copies of which are available from Winstead PC ("Bond Counsel"), for further information.

This Preliminary Official Statement contains, in part, estimates, assumptions, and matters of opinion which are not intended as statements of fact, and no representation is made as to the correctness of such estimates, assumptions, or matters of opinion, or that they will be realized. Any information and expressions of opinion herein contained are subject to change without notice, and neither the delivery of this Preliminary Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the District or other matters described herein since the date hereof. However, the District has agreed to keep this Preliminary Official Statement current by amendment or sticker to reflect material changes in the affairs of the District, and to the extent that information actually comes to its attention, other matters described in the Preliminary Official Statement until delivery of the Bonds to the Initial Purchaser and thereafter only as specified in "OFFICIAL STATEMENT—Updating of Official Statement."

SALE AND DISTRIBUTION OF THE BONDS

Award of the Bonds

After requesting competitive bids for the Bonds, the District has accepted the bid resulting in the lowest net interest cost, which was tendered by _____ (the “Initial Purchaser”). The Initial Purchaser has agreed to purchase the Bonds, bearing the interest rates shown under “MATURITIES, PRINCIPAL AMOUNTS, INTEREST RATES, INITIAL REOFFERING YIELDS AND CUSIPS” on the inside cover page of this Preliminary Official Statement, at a price of _____% of the principal amount thereof, which resulted in a net effective interest rate of _____%, calculated pursuant to Chapter 1204, Texas Government Code, as amended.

Prices and Marketability

The District has no control over the reoffering yields or prices of the Bonds or over trading of the Bonds in the secondary market. Moreover, there is no assurance that a secondary market will be made in the Bonds. If there is a secondary market, the difference between the bid and asked prices of the Bonds may be greater than the difference between the bid and asked prices of bonds of comparable maturity and quality issued by more traditional municipal entities, as bonds of such entities are more generally bought, sold, or traded in the secondary market.

The prices and other terms with respect to the offering and sale of the Bonds may be changed from time to time by the Initial Purchaser after the Bonds are released for sale, and the Bonds may be offered and sold at prices other than the initial reoffering prices, including sales to dealers who may sell the Bonds into investment accounts. IN CONNECTION WITH THE OFFERING OF THE BONDS, THE INITIAL PURCHASER MAY OVER-ALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICES OF THE BONDS AT LEVELS ABOVE THOSE WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME.

Securities Laws

No registration statement relating to the Bonds has been filed with the United States Securities and Exchange Commission under the Securities Act of 1933, as amended, in reliance upon the exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws of any other jurisdictions. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be offered, sold, or otherwise transferred. This disclaimer of responsibility for registration or qualification for sale or other disposition of the Bonds should not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdiction.

MUNICIPAL BOND INSURANCE AND RATINGS

Application has been made to municipal bond insurance companies for the qualification of the Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the Initial Purchaser and at the Initial Purchaser’s expense. See “INVESTMENT CONSIDERATIONS – Risk Factors Related to the Purchase of Municipal Bond Insurance.”

The District has not applied for an investment grade rating.

OFFICIAL STATEMENT SUMMARY

The following is a summary of certain information contained herein and is qualified in its entirety by the more detailed information and financial statements appearing elsewhere in this Preliminary Official Statement. The offering of the Bonds to potential investors is made only by means of this entire Preliminary Official Statement. No person is authorized to detach this summary from this Official Statement or to otherwise use it without the entire Preliminary Official Statement.

THE BONDS

The District.....	North Parkway Municipal Management District No. 1 (the “District”), a political subdivision of the State of Texas, located within Collin County. The District was originally created by special act of the 86 th legislature of the State of Texas in 2019 as the North Celina Municipal Management District No. 3. On June 2, 2021, a Notice of Name Change was filed renaming the District. See “THE DISTRICT.”
The Bonds.....	The District is issuing its \$15,000,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2026 (the “Bonds”). The Bonds are dated November 1, 2026 and mature on September 1 in the years and in the principal amounts set forth on the inside cover page. Interest accrues from the date of delivery, expected on or about November 12, 2026, at the rates per annum set forth on the inside cover page and is payable on March 1, 2027, and on each September 1 and March 1 thereafter (each an “Interest Payment Date”) until stated maturity or earlier redemption. The Bonds are offered in fully registered form in integral multiples of \$5,000 of principal for any one maturity. See “THE BONDS.”
Redemption Provisions.....	Bonds maturing on and after September 1, 2032, are subject to redemption, in whole or from time to time in part, at the option of the District on September 1, 2031, and on any date thereafter at a price of par plus accrued interest from the most recent interest payment date to the date of redemption. See “THE BONDS—Redemption Provisions.”
Source of Payment.....	Principal of and interest on the Bonds are payable from the proceeds of a continuing direct annual ad valorem tax, levied upon all taxable property within the Single Family Defined Area No. 1 (the “Defined Area”) without legal limitation as to rate or amount. The Bonds are not secured by the proceeds of ad valorem taxes levied by the District upon taxable property that is located within the District but not within the Defined Area. The Bonds are obligations of the District and are not obligations of the State of Texas; Collin County, Texas (the “County”); the City of Celina, Texas (the “City”); or any other political subdivision or entity other than the District. See “THE BONDS— Source of Payment.”
Payment Record.....	The Bonds constitute the third series of unlimited tax bonds issued by the District for the purpose of acquiring or constructing a Single Family Defined Area No. 1 Road System (the “Defined Area Road System”) to serve the Defined Area. Interest payments due on the Outstanding Road Bonds (herein defined) were timely made.
Authority for Issuance	The Bonds are issued pursuant to (i) Article III, Section 52 of the Texas Constitution; the general laws of the State of Texas, particularly Chapters 49 and 54 of the Texas Water Code, as amended, and Chapter 375, Texas Local Government Code, as amended; and Chapter 3986, Texas Special District Local Laws Code (the “District Legislation”); (ii) an order authorizing the issuance of the Bonds (the “Bond Order”) to be adopted by the Board of Directors of the District on the date of the sale of the Bonds; and (iii) an election held within the Defined Area on May 6, 2023.

Outstanding Bonds	The Bonds represent the District’s third issuance of unlimited tax bonds that are secured by the proceeds of taxes levied upon taxable property located only within Defined Area. The District has previously issued \$3,055,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2023 of which \$2,870,000 principal amount remains outstanding, and \$20,500,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2025 of which \$20,165,000 principal amount remains outstanding as of September 1, 2026 (collectively, the “Outstanding Road Bonds”). The Bonds and Outstanding Road Bonds are collectively referred to herein as the “Road Bonds.” The District has also previously issued the following special assessment revenue bonds and contract revenue bonds that are not secured by ad valorem taxes: (i) \$81,175,000 Special Assessment Revenue Bonds, Series 2021 (Major Improvements Project) of which \$78,258,000 principal amount remains outstanding as of September 1, 2026, (ii) \$13,300,000 Contract Revenue Bonds, Series 2021 (Legacy Hills Public Improvement District Phase #1A-1B Improvements) of which \$12,446,000 principal amount remains outstanding as of September 1, 2026, and (iii) \$32,225,000 Special Assessment Revenue Bonds, Series 2022 (Major Improvements Project #2) of which \$31,725,000 principal amount remains outstanding as of September 1, 2026.
Use of Bond Proceeds.....	Proceeds from the sale of the Bonds will be used to reimburse the Master Developer (as defined herein) for road improvements as provided under “THE BONDS—Use and Distribution of Bond Proceeds.” In addition, proceeds from the Bonds will be used to pay developer interest and certain other costs associated with the issuance of the Bonds. See “THE BONDS— Use and Distribution of Bond Proceeds.”
Qualified Tax-Exempt Obligations.....	The Bonds will <u>not</u> be designated as “qualified tax-exempt obligations” for financial institutions. See “TAX MATTERS — Qualified Tax-Exempt Obligations.”
Municipal Bond Insurance and Ratings.....	An application has been made to municipal bond insurance companies for the qualification of the Bonds for municipal bond insurance. If qualified, such insurance will be available at the option of the Initial Purchaser and at the Initial Purchaser’s expense. See “MUNICIPAL BOND INSURANCE AND RATINGS” and “INVESTMENT CONSIDERATIONS” – Risk Factors Related to the Purchase of Municipal Bond Insurance.” The District has not applied for an underlying investment grade rating.
Bond Counsel	Winstead PC, Dallas, Texas.
Disclosure Counsel	Orrick, Herrington & Sutcliffe LLP, Houston, Texas.
Municipal Advisor.....	SAMCO Capital Markets Inc., Austin, Texas.
Paying Agent/Registrar.....	BOKF, NA, Dallas, Texas

THE DISTRICT

Description	The District was created in 2019 by the District Legislation as a municipal management district. The rights, powers, privileges, authority, and functions of the District are established by the District Legislation and the general laws of the State of Texas pertaining to municipal management districts, municipal utility districts, and other types of special purpose districts, particularly Chapters 49 and 54 of the Texas Water Code, as amended, and Chapter 375, Texas Local Government Code, as amended, and Article XVI, Section 59, and Article III, Sections 52 and 52-a of the Texas Constitution. See “THE DISTRICT.”
Defined Area	On February 13, 2023, the Board of Directors of the District by resolution created “North Parkway MMD No. 1 – MMD SF Defined Area No. 1” over approximately 1,423 acres of land within the District pursuant to the provisions of Subchapter J of Chapter 54 of the Texas Water Code for the purposes of purchasing, constructing, operating and maintaining a water, wastewater and storm drainage system, a Defined Area Road System and recreational improvements to serve the Defined Area. On May 6, 2023, voters within Defined Area authorized \$194,327,781 principal amount of unlimited tax bonds for the purpose of purchasing, constructing, or otherwise acquiring a waterworks system, a sanitary sewer system and drainage and storm sewer system serving the Defined Area, and \$242,909,762 for the refunding of such bonds; and \$246,277,730 principal amount of unlimited tax bonds for the purpose of constructing, maintaining and operating macadamized, graveled or paved roads and turnpikes, or in aid thereto serving the Defined Area, and \$307,847,162 for the refunding of such bonds. At such election held on May 6, 2023, voters within the Defined Area also authorized the levy of taxes to support such bonds and the levy of taxes for operation and maintenance of the Defined Area facilities. The Bonds represent the District’s third issuance of road bonds serving the Defined Area from the voted authorization referenced above. Bonds issued for the Defined Area are payable solely from the proceeds of taxes levied and collected within the boundaries of the Defined Area and not on any other part of the District. See “THE BONDS—Source of Payment.”
Location	The District is located within the municipal boundaries of the City and the County and originally contained approximately 3,236.601 acres of land, and after excluding certain property, currently includes approximately 3,210 acres of land. The Defined Area includes approximately 1,423 acres of land within the District.
Master Developer	MM Celina 3200, LLC, a Texas limited liability company (“MM Celina” or the “Master Developer”), is the master developer of land within the District. See “THE MASTER DEVELOPER.”
Development within the District.....	The District is being developed as a mixed-use master planned development to be known as “Legacy Hills” which is expected to include up to approximately 6,872 single-family residential homes, approximately 4,100 multifamily residential units, and approximately 100 acres of commercial development located along the Dallas North Tollway in the City of Celina, Texas. As of July 26, 2026, 2,573 single-family lots or multifamily lots have been completed and 0 acres of commercial development have been completed. See “DEVELOPMENT OF THE DISTRICT—Status of Development within the District.”

Development within

The Defined Area	The Defined Area is being developed to include up to approximately 5,470 lots within the subdivisions expected to be known as Arbors at Legacy Hills, Rise at Legacy Hills, The Bluffs at Legacy Hills, Enclave at Legacy Hills, Brookshire at Legacy Hills, Vines at Legacy Hills, and certain other subdivisions as part of the Legacy Hills development. As of July 26, 2026, 2,573 single-family lots have been completed.
Pod Developers.....	The lots and the single-family residential homes within the Defined Area will be developed in pods by homebuilders, including Ashton Woods, Beazer Homes, First Texas Homes, Lennar Homes, Mattamy Homes, Pulte Homes, Del Webb and Great Gulf. See “DEVELOPMENT OF THE DISTRICT—Pod Developers within the District.”

INVESTMENT CONSIDERATIONS

THE BONDS ARE SUBJECT TO CERTAIN INVESTMENT CONSIDERATIONS. PROSPECTIVE PURCHASERS OF THE BONDS SHOULD REVIEW THIS ENTIRE OFFICIAL STATEMENT, INCLUDING PARTICULARLY THE SECTION OF THIS OFFICIAL STATEMENT ENTITLED “INVESTMENT CONSIDERATIONS,” BEFORE MAKING AN INVESTMENT DECISION.

- (a) Represents the certified assessed valuation of all taxable property in the Defined Area as of January 1, 2026, provided by the Collin Central Appraisal District (the "Appraisal District"). See "TAX DATA" and "TAXING PROCEDURES."
- (b) See "DISTRICT DEBT—Direct and Estimated Overlapping Debt Statement." Includes a portion of the \$81,175,000 Special Assessment Revenue Bonds, Series 2021 (Major Improvements Project) and the \$32,225,000 Special Assessment Revenue Bonds, Series 2022 (Major Improvements Project #2) (the "MMD Assessment Bonds") which are secured solely by assessments against certain residential lots in the District, including Defined Area, and not by the ad valorem taxes of the District or any other revenues of the district other than such assessments. See "PUBLIC IMPROVEMENT DISTRICT." Overlapping debt for the MMD Assessment Bonds is calculated by multiplying the total amount of such bonds outstanding by the percentage of acreage of the District that is contained in the Defined Area (44.33%).
- (c) Neither Texas law nor the Bond Order requires that the District maintain any particular sum in the Defined Area Road System Debt Service Fund (herein defined). Funds in the Defined Area Road System Debt Service Fund are pledged only to pay the debt service on the Road Bonds and any other bonds issued for the purpose of acquiring or constructing the Defined Area Road System (hereinafter defined). Funds in the Defined Area Road System Debt Service Fund are not pledged to pay debt service on bonds issued for the purpose of acquiring or constructing the Defined Area Utility System (hereinafter defined). Includes approximately twenty-four (24) months of capitalized interest estimated at 5.75% of the principal amount of the Bonds (est. \$1,725,000) which will be deposited into the Defined Area Road System Debt Service Fund.
- (d) See "INVESTMENT CONSIDERATIONS – Operating Fund."
- (e) The District is authorized to levy separate taxes for payment of debt service on bonds issued by the District for the Defined Area Road System and for payment of debt service on bonds issued for the Defined Area Utility System; both such taxes are unlimited as to rate or amount See "TAX DATA—Tax Rate Calculations."
- (f) Debt Service on the Road Bonds is estimated at an average interest rate of 5.75%. See "DISTRICT DEBT – Estimated Debt Service Requirement Schedule."

OFFICIAL STATEMENT
relating to
NORTH PARKWAY MUNICIPAL MANAGEMENT DISTRICT NO. 1
(A Political Subdivision of the State of Texas, located within Collin County)
\$15,000,000
Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2026

INTRODUCTION

This Official Statement provides certain information in connection with the issuance by North Parkway Municipal Management District No. 1 (the “District”) of its \$15,000,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2026 (the “Bonds”).

The Bonds are issued pursuant to (i) Article III, Section 52 of the Texas Constitution; the general laws of the State of Texas, particularly Chapters 49 and 54 of the Texas Water Code, as amended, and Chapter 375, Texas Local Government Code, as amended; and Chapter 3986, Texas Special District Local Laws Code (the “District Legislation”); (ii) an order authorizing the issuance of the Bonds (the “Bond Order”) to be adopted by the Board of Directors of the District on the date of the sale of the Bonds; and (iii) an election held within Single Family Defined Area No. 1 (the “Defined Area”) on May 6, 2023.

Certain capitalized terms used in this Preliminary Official Statement have the same meanings assigned to such terms in the Bond Order, except as otherwise indicated herein.

This Preliminary Official Statement also includes information about the District, the Master Developer (herein defined), the Pod Developers (herein defined), and certain reports and other statistical data. The summaries and references to all documents, statutes, reports, and other instruments referred to herein do not purport to be complete, comprehensive, or definitive and each summary and reference is qualified in its entirety by reference to each such document, statute, report, or instrument.

THE BONDS

General

The following is a description of certain terms and conditions of the Bonds, which description is qualified in its entirety by reference to the Bond Order to be approved by the Board authorizing the issuance of the Bonds. Copies of the Bond Order may be obtained from the District upon request and payment of the costs for duplication thereof. The Bond Order authorizes the issuance and sale of the Bonds and prescribes the terms, conditions, and provisions for the payment of the principal of and interest on the Bonds by the District.

The Bonds are dated November 1, 2026. Interest on the Bonds accrues from the initial date of delivery (on or about November 12, 2026) (the “Date of Delivery”), and is payable March 1, 2027, and each September 1 and March 1 thereafter (each an “Interest Payment Date”) until the earlier of maturity or redemption.

The Bonds will be issued only in fully registered form in any integral multiples of \$5,000 of principal amount for any one maturity and will be initially registered and delivered only to The Depository Trust Company (“DTC”) in its nominee name of Cede & Co., pursuant to the Book-Entry-Only system described herein. No physical delivery of the Bonds will be made to the owners thereof. Initially, principal of and interest on the Bonds will be payable by BOKF, NA, Dallas, Texas (the “Paying Agent/Registrar”), the Paying Agent/Registrar to Cede & Co., as registered owner. DTC will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds. See “THE BONDS—Book-Entry-Only System” below.

In the event the Book-Entry-Only System is discontinued and physical bond certificates issued, interest on the Bonds shall be payable by check mailed by the Paying Agent/Registrar on or before each interest payment date, to the registered owners (“Registered Owners”) as shown on the bond register (the “Register”) kept by the Paying Agent/Registrar at the close of business on the 15th calendar day of the month immediately preceding each interest payment date (“Record Date”) to the address of such Registered Owner as shown on the Register, or by such other customary banking arrangements as may be agreed upon by the Paying Agent/Registrar and the Registered Owner at the risk and expense of such Registered Owner.

If the date for payment of the principal of or interest on any Bond is not a business day, then the date for such payment shall be the next succeeding business day without additional interest and with the same force and effect as if made on the specified date for such payment.

Book-Entry-Only System

This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and credited by DTC, while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Official Statement. The District believes the source of such information to be reliable but takes no responsibility for the accuracy or completeness thereof.

The District cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or (3) DTC will serve and act in the manner described in this Official Statement. The current rules applicable to DTC are on file with the Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be required by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC.

DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a rating of AA+ from S&P Global Ratings. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchase of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issue as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal, and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or Paying Agent/Registrar, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent/Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or Paying Agent/Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the District or the Paying Agent/Registrar. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of Book-Entry-Only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in the section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

Use of Certain Terms in Other Sections of this Official Statement

In reading this Official Statement it should be understood that while the Bonds are in the book-entry form, references in other sections of this Official Statement to registered owners should be read to include the person for which the Participant acquires an interest in the Bonds, but (i) all rights of ownership must be exercised through DTC and the book-entry system, and (ii) except as described above, notices that are to be given to registered owners under the Bond Order will be given only to DTC.

Successor Paying Agent/Registrar

Provisions are made in the Bond Order for replacing the Paying Agent/Registrar. If the District replaces the Paying Agent/Registrar, such Paying Agent/Registrar shall, promptly upon the appointment of a successor, deliver the Paying Agent/Registrar's records to the successor Paying Agent/Registrar, and the successor Paying Agent/Registrar shall act in the same capacity as the previous Paying Agent/Registrar. Any successor Paying Agent/Registrar selected by the District shall be a commercial bank; a trust company organized under the laws of the State of Texas; or other entity duly qualified and legally authorized to serve and perform the duties of the Paying Agent/Registrar for the Bonds.

Registration, Transfer and Exchange

In the event the Book-Entry-Only system is discontinued, the Bonds are transferable only on the bond register kept by the Paying Agent/Registrar upon surrender at the principal payment office of the Paying Agent/Registrar in Dallas, Texas. A Bond may be assigned by the execution of an assignment form on the Bonds or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. At any time after the date of initial delivery, any Bond may be transferred upon its presentation and surrender at the designated offices of the Paying Agent/Registrar, duly endorsed for transfer, or accompanied by an assignment duly executed by the Registered Owner. The Bonds are exchangeable upon presentation at the designated office(s) of the Paying Agent/Registrar, for an equal principal amount of Bonds of the same maturity in authorized denominations. To the extent possible, new Bonds issued in exchange or transfer of Bonds will be delivered to the Registered Owner or assignee of the Registered Owner within not more than three (3) business days after the receipt by the Paying Agent/Registrar of the request in proper form to transfer or exchange the Bonds. New Bonds registered and delivered in an exchange or transfer shall be in the denomination of \$5,000 in principal amount for a Bond, or any integral multiple thereof for any one maturity and shall bear interest at the same rate and be for a like aggregate principal or maturity amount as the Bond or Bonds surrendered

for exchange or transfer. Neither the Paying Agent/Registrar nor the District is required to issue, transfer, or exchange any Bond during a period beginning at the opening of business on a Record Date and ending at the close of business on the next succeeding Interest Payment Date or to transfer or exchange any Bond selected for redemption, in whole or in part, beginning fifteen (15) calendar days prior to, and ending on the date of the mailing of notice of redemption, or where such redemption is scheduled to occur within thirty (30) calendar days. No service charge will be made for any transfer or exchange, but the District or Paying Agent/Registrar may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

Mutilated, Lost, Stolen or Destroyed Bonds

In the event the Book-Entry-Only System should be discontinued, the District has agreed to replace mutilated, destroyed, lost or stolen Bonds upon surrender of the mutilated Bonds to the Paying Agent/Registrar, or receipt of satisfactory evidence of such destruction, loss or theft, and receipt by the District and the Paying Agent/Registrar of security or indemnity which they determine to be sufficient to hold them harmless. The District may require payment of taxes, governmental charges, and other expenses in connection with any such replacement.

Redemption Provisions

Bonds maturing on September 1, 2032, and thereafter shall be subject to redemption and payment at the option of the District, in whole or from time to time in part, on September 1, 2031, or on any date thereafter, at the par value thereof plus accrued interest to the date fixed for redemption. Notice of the exercise of the reserved right of redemption will be given at least thirty (30) days prior to the redemption date by sending such notice by first class mail to the Registered Owner of each Bond to be redeemed in whole or in part at the address shown on the bond register. If less than all of the Bonds are redeemed at any time, the maturities of the Bonds to be redeemed shall be selected by the District. If less than all of the Bonds of a certain maturity are to be redeemed, the particular Bonds or portions thereof to be redeemed will be selected by the Paying Agent/Registrar prior to the redemption date by such random method as the Paying Agent/Registrar deems fair and appropriate in integral multiples of \$5,000 within any one maturity. The Registered Owner of any Bond, all, or a portion of which has been called for redemption, shall be required to present such Bond to the Paying Agent/Registrar for payment of the redemption price on the portion of the Bonds so called for redemption and issuance of a new Bond in the principal amount equal to the portion of such Bond not redeemed.

Source of Payment

The Bonds are payable from the proceeds of a continuing direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property located within the Defined Area. In the Bond Order, the District covenants to levy a sufficient tax over the Defined Area to pay principal of and interest on the Bonds, with full allowance being made for delinquencies, costs of collections, and certain fees. Tax proceeds, after deduction for collection costs, will be placed in the Defined Area Road System Debt Service Fund and used solely to pay principal of and interest on the Bonds, the Outstanding Road Bonds, and additional bonds payable from taxes which may be issued.

The Bonds are obligations solely of the District and are not the obligations of the State of Texas; Collin County, Texas (the "County"); the City of Celina, Texas (the "City"); or any entity other than the District.

[Remainder of this page intentionally left blank.]

Authority for Issuance

The Bonds are issued pursuant to (i) Article III, Section 52 of the Texas Constitution; the general laws of the State of Texas, particularly Chapters 49 and 54 of the Texas Water Code, as amended, and Chapter 375, Texas Local Government Code, as amended; and Chapter 3986, Texas Special District Local Laws Code (the “District Legislation”); (ii) an order authorizing the issuance of the Bonds (the “Bond Order”) to be adopted by the Board of Directors of the District on the date of the sale of the Bonds; and (iii) an election held within the Defined Area on May 6, 2023.

Voters of the District authorized the following principal amount of bonds to be issued by the District:

<u>Election Date</u>	<u>Purpose</u>	<u>Amount Authorized</u>	<u>Issued to Date</u>	<u>Remaining Unissued</u>
5/6/2023	Utility Bonds	\$194,327,781	-	\$194,327,781
5/6/2023	Utility Bonds Refunding	\$242,909,762	-	\$242,909,762
5/6/2023	Road Bonds	\$246,277,730	\$38,555,000 ⁽¹⁾	\$207,722,730 ⁽¹⁾
5/6/2023	Road Bonds Refunding	\$307,847,162	-	\$307,847,162

⁽¹⁾ Includes the Bonds.

Issuance of Additional Debt

The District may issue additional bonds with the approval of the Texas Commission on Environmental Quality (the “TCEQ”) (with respect to the bonds issued for the Defined Area Utility System) necessary to provide improvements and facilities consistent with the purposes for which the District was created. The Bonds represent the third series of bonds issued by the District for the purpose of acquiring or constructing the Defined Area Road System.

After issuance of the Bonds, the following principal amounts of unlimited tax bonds will remain authorized but unissued: a total of \$207,722,730 principal amount of unlimited tax bonds for the purpose of acquiring or constructing the Defined Area Road System; \$194,327,781 principal amount of unlimited tax bonds for the purpose of acquiring or constructing the Defined Area Utility System; \$307,847,162 principal amount for the purpose of refunding bonds issued by the District for the Defined Area Road System; and \$242,909,762 principal amount of unlimited tax bonds for the purpose of refunding bonds issued by the District for the Defined Area Utility System.

The District may also issue any additional bonds as may hereafter be approved by both the Board and voters of the District as well as certain additional bonds, revenue bonds, special project bonds, and other obligations as described in the Bond Order. The Bond Order imposes no limitation on the amount of additional parity bonds which may be issued by the District (if authorized by the District’s voters and, in the case of bonds issued for the Defined Area Utility System, approved by the TCEQ).

Based on present engineering cost estimates and development plans, in the opinion of the District’s Engineer, the remaining total \$207,722,730 principal amount of authorized but unissued unlimited tax bonds for purpose of acquiring or constructing the Defined Area Road System will be sufficient to fully finance road facilities to serve the remaining undeveloped but developable land within the District and the \$194,327,781 principal amount of authorized but unissued unlimited tax bonds for purpose of acquiring or constructing the Defined Area Utility System will be sufficient to fully finance utility facilities to serve the remaining undeveloped but developable land within the District.

Following the issuance of the Bonds, the District will owe the Master Developer approximately \$34,578,743.47 for expenditures to construct the Defined Area Road System. Such expenditures are expected to increase as development continues within the District.

Outstanding District Bonds

The District has previously issued \$3,055,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2023 of which \$2,870,000 principal amount remains outstanding, and \$20,500,000 Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2025 of which \$20,165,000 principal amount remains outstanding as of September 1, 2026 (collectively, the “Outstanding Road Bonds”). The Outstanding Road Bonds and the Bonds are collectively referred to herein as the “Road Bonds.”

The District has also previously issued the following special assessment revenue bonds and contract revenue bonds that are not secured by ad valorem taxes: (i) \$81,175,000 Special Assessment Revenue Bonds, Series 2021 (Major Improvements Project) (the “2021 MIP Bonds”) of which \$78,258,000 principal amount remains outstanding as of September 1, 2026, (ii) \$13,300,000 Contract Revenue Bonds, Series 2021 (Legacy Hills Public Improvement District

Phase #1A-1B Improvements) (the “2021 Legacy Hills PID Bonds”) of which \$12,446,000 principal amount remains outstanding as of September 1, 2026, and (iii) \$32,225,000 Special Assessment Revenue Bonds, Series 2022 (Major Improvements Project #2) (the “2022 MIP #2 Bonds”) of which \$31,725,000 principal amount remains outstanding as of September 1, 2026. The Defined Area overlaps the portion of the District where assessments have been levied as security for the 2021 MIP Bonds and the 2022 MIP # 2 Bonds, but does not overlap the public improvement district where assessments have been levied as security for the 2021 Legacy Hills PID Bonds. The 2021 MIP Bonds and the 2022 MIP # 2 Bonds are referred to herein as the “MMD Assessment Bonds.”

No Arbitrage

The District will certify, on the date of delivery of the Bonds, that based upon all facts and estimates now known or reasonably expected to be in existence on the date the Bonds are delivered and paid for, the District reasonably expects that the proceeds of the Bonds will not be used in a manner that would cause the Bonds, or any portion of the Bonds, to be “arbitrage bonds” under the Internal Revenue Code of 1986, as amended (the “Code”), and the regulations prescribed thereunder. Furthermore, all officers, employees, and agents of the District have been authorized and directed to provide certifications of facts and estimates that are material to the reasonable expectations of the District as of the date the Bonds are delivered and paid for. In particular, all or any officers of the District are authorized to certify to the facts and circumstances and reasonable expectations of the District on the date the Bonds are delivered and paid for regarding the amount and use of the proceeds of the Bonds. Moreover, the District covenants that it shall make such use of the proceeds of the Bonds, regulate investment of proceeds of the Bonds and take such other and further actions and follow such procedures, including, without limitation, calculating the yield on the Bonds, as may be required so that the Bonds shall not become “arbitrage bonds” under the Code and the regulations prescribed from time to time thereunder.

Dissolution

The District lies wholly within the city limits of the City. Under existing law, the District may be dissolved by the City. The City may not dissolve the District until (1) the development of 90% of all lots within the District or (2) the District has issued all of its ad valorem bonds and reimbursed the Master Developer (hereinafter defined), to the maximum extent permitted by law, for the Master Developer’s cost in installing and constructing improvements within the District. If the District is dissolved, the City must assume the District’s assets and obligations (including the Bonds) on the effective date of the dissolution of the District.

Consolidation

A district (such as the District) has the legal authority to consolidate with other districts and, in connection therewith, to provide for the consolidation of its assets, such as cash and the utility system, with the water and wastewater system of districts with which it is consolidating as well as its liabilities (which would include the Bonds). No representation is made concerning the likelihood of consolidation, but the District currently has no plans to do so.

Funds

The Bond Order confirms the District’s fund for debt service on the Bonds, the Outstanding Road Bonds and any additional unlimited tax bonds issued by the District for the Defined Area Road System (the “Defined Area Road System Debt Service Fund”). The Defined Area Road System Debt Service Fund, which constitutes a trust fund for the benefit of the owners of the Bonds and any additional unlimited tax bonds issued by the District for the Defined Area Road System, is to be kept separate from all other funds of the District and is to be used for payment of debt service on the Bonds and any of the District’s other duly authorized bonds issued for the Defined Area Road System payable in whole or in part from taxes. Amounts on deposit in the Defined Area Road System Debt Service Fund may also be used to pay the fees and expenses of the Paying Agent/Registrar, to defray the expenses of assessing and collecting taxes levied for payment of interest on and principal of the Bonds and any additional bonds for the Defined Area Road System payable in whole or in part from taxes, and to pay any tax anticipation notes issued, together with interest thereon, as such tax anticipation notes become due. The District is authorized to levy separate taxes for payment of debt service on bonds issued by the District for the Defined Area Road System and for payment of debt service on bonds issued for the Defined Area Utility System. Amounts on deposit in the Defined Area Road System Debt Service Fund may not be used to pay debt service on bonds issued by the District for the Defined Area Utility System. Similarly, amounts on deposit in the Defined Area Utility System debt service fund may not be used to pay debt service on bonds issued by the District for the Defined Area Road System.

Defeasance

The Bond Order provides that the District may discharge its obligations to the Registered Owners of any or all of the Bonds to pay principal, interest, and redemption price thereon in any manner permitted by law. Under current Texas law, such discharge may be accomplished either (i) by depositing with the Comptroller of Public Accounts of the State

of Texas a sum of money equal to the principal of, premium, if any, and all interest to accrue on the Bonds to maturity or redemption or (ii) by depositing with any place of payment (paying agent) for obligations of the District payable from revenues or from ad valorem taxes or both or with a commercial bank or trust company designated in the proceedings authorizing such discharge, amounts sufficient to provide for the payment and/or redemption of the Bonds; provided that such deposits may be invested and reinvested only in (a) direct noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date the governing body of the District adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the District adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent. The foregoing obligations may be in book entry form and shall mature and/or bear interest payable at such times and in such amounts as will be sufficient to provide for the scheduled payment and/or redemption of the Bonds. If any of such Bonds are to be redeemed prior to their respective dates of maturity, provision must have been made for giving notice of redemption as provided in the Bond Order.

There is no assurance that the current law will not be changed in a manner which would permit other investments to be made with amounts deposited to defease the Bonds. Because the Bond Order does not contractually limit such investments, Registered Owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as currently permitted under Texas law. There is also no assurance that any investment held for such discharge will maintain its rating.

Legal Investment and Eligibility to Secure Public Funds in Texas

The following is quoted from Section 49.186 of the Texas Water Code, and is applicable to the District:

- (a) All bonds, notes, and other obligations issued by a district shall be legal and authorized investments for all banks, trust companies, building and loan associations, savings and loan associations, insurance companies of all kinds and types, fiduciaries, and trustees, and for all interest and sinking funds and other public funds of the state, and all agencies, subdivisions, and instrumentalities of the state, including all counties, cities, towns, villages, school districts, and all other kinds and types of districts, public agencies, and bodies politic.
- (b) A district's bonds, notes, and other obligations are eligible and lawful security for all deposits of public funds of the state, and all agencies, subdivisions, and instrumentalities of the state, including all counties, cities, towns, villages, school districts, and all other kinds and types of districts, public agencies, and bodies politic, to the extent of the market value of the bonds, notes, and other obligations when accompanied by any unmatured interest coupons attached to them.

The Public Funds Collateral Act (Chapter 2257, Texas Government Code) also provides that bonds of the District (including the Bonds) are eligible as collateral for public funds.

No representation is made that the Bonds will be suitable for or acceptable to financial or public entities for investment or collateral purposes. No representation is made concerning other laws, rules, regulations, or investment criteria which apply to, or which might be utilized by any of such persons or entities to limit the acceptability or suitability of the Bonds for any of the foregoing purposes. Prospective purchasers are urged to carefully evaluate the investment quality of the Bonds as to the suitability or acceptability of the Bonds for investment or collateral purposes.

Registered Owners' Remedies

If the District defaults in the payment of principal, interest, or redemption price on the Bonds when due, or if it fails to make payments into any fund or funds created in the Bond Order, or defaults in the observation or performance of any other covenants, conditions, or obligations set forth in the Bond Order, the Registered Owners have the right to seek of a writ of mandamus issued by a court of competent jurisdiction requiring the District and its officials to observe and perform the covenants, obligations, or conditions prescribed in the Bond Order. Except for mandamus, the Bond Order does not specifically provide for remedies to protect and enforce the interests of the Registered Owners. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. Further, there is no trust indenture or trustee, and all legal actions to enforce such remedies would have to be undertaken at the initiative of, and be financed by, the Registered Owners.

Statutory language authorizing local governments such as the District to sue and be sued does not waive the local government's sovereign immunity from suits for money damages, so that in the absence of other waivers of such

immunity by the Texas Legislature, a default by the District in its covenants in the Bond Order may not be reduced to a judgment for money damages. If such a judgment against the District were obtained, it could not be enforced by direct levy and execution against the District's property. Further, the Registered Owners cannot themselves foreclose on property within the District or sell property within the District to enforce the tax lien on taxable property to pay the principal of and interest on the Bonds. The enforceability of the rights and remedies of the Registered Owners may further be limited by a State of Texas statute reasonably required to attain an important public purpose or by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions, such as the District.

Use and Distribution of Bond Proceeds

Proceeds from the sale of the Bonds will be used to reimburse the Master Developer for road improvements serving the Defined Area as listed below. In addition, proceeds from the Bonds will be used to pay developer interest and certain other costs associated with the issuance of the Bonds.

THE DISTRICT

General

The District was created in 2019 by House Bill No. 4706, 86th Session of the Texas Legislature, Regular Session, as a municipal management district, codified by the District Legislation. The rights, powers, privileges, authority, and functions of the District are established by the District Legislation, the general laws of the State of Texas pertaining to special districts, particularly Chapters 49 and 54 of the Texas Water Code, as amended, and Chapter 375, Texas Local Government Code, as amended, and Article XVI, Section 59 and Article III, Sections 52 and 52-a of the Texas Constitution, as amended.

The District is empowered, among other things, to finance, purchase, construct, operate and maintain all works, improvements, facilities, and plants necessary for the supply and distribution of water; the collection, transportation, and treatment of wastewater; the control and diversion of storm water; and roads located inside its boundaries. The District may issue bonds and other forms of indebtedness to purchase or construct such facilities. The District may also provide solid waste disposal and collection services. The District is also empowered to establish, operate, and maintain fire-fighting facilities, independently or with one or more conservation and reclamation districts, after approval by the TCEQ and the voters of the District.

Description and Location

The District is located within the municipal boundaries of the City and the County and originally contained approximately 3,236.601 acres of land, and after excluding certain property, currently includes, approximately 3,210 acres of land. Defined Area includes approximately 1,423 acres of land within the District.

The District is located wholly within the city limits of the City and within the boundaries of Celina Independent School District (“CISD”).

Management of the District

The District is governed by the Board consisting of five directors, who have control over and management supervision of all affairs of the District. All of the Directors own property within the District. The directors serve four-year staggered terms. Pursuant to the District Legislation, four directors are elected and one director is appointed by the governing body of the City. The current members and officers of the Board are listed below:

<u>Name</u>	<u>Position</u>	<u>Term Expires June</u>
Steve Mitchell	President	2027
Mike Regan	Vice President	2029
Robert Klarer	Secretary	2029
James Rose	Assistant Secretary	2027
Ronald Sorenson	Assistant Secretary	2029

Investment Policy

The District has adopted an Investment Policy (the “Policy”) as required by the Public Funds Investment Act, Chapter 2256, Texas Government Code (the “Act”). The District’s goal is to preserve principal and maintain liquidity in a diversified portfolio while securing a competitive yield on its portfolio. Funds of the District are to be invested only in accordance with the Policy. The Policy states that the funds of the District may be invested in short term obligations of the U.S. or its agencies or instrumentalities, in certificates of deposits insured by the Federal Deposit Insurance Corporation and secured by collateral authorized by the Act, and in TexPool and TexStar, which are public funds investment pools rated in the highest rating category by a nationally recognized rating service. The District does not currently own, nor does it anticipate, the inclusion of long-term securities or derivative products in the portfolio.

Consultants

Although the District does not have a general manager or any other full-time employees, it has contracted for bookkeeping, tax assessing and collecting, auditing, engineering, and legal services as follows:

Bond Counsel and General Counsel: The District has engaged Winstead PC, Dallas, Texas, as general counsel to the District and as bond counsel (“Bond Counsel”) in connection with the issuance of the Bonds. The fees to be paid Bond Counsel in connection with the issuance of the Bonds are contingent upon the sale and delivery of the Bonds. See “LEGAL MATTERS.”

Disclosure Counsel: The District has engaged Orrick, Herrington & Sutcliffe LLP, Houston, Texas, to serve as disclosure counsel (“Disclosure Counsel”) to the District in connection with the issuance of the Bonds. The fee to be

paid Disclosure Counsel for services rendered in connection with the issuance of the Bonds is contingent on the issuance, sale and delivery of the Bonds.

Municipal Advisor: SAMCO Capital Markets, Inc., Austin, Texas, is engaged as municipal advisor to the District in connection with the issuance of the Bonds (the “Municipal Advisor”). The Municipal Advisor’s fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. The Municipal Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness, or fairness of the information in this Official Statement.

Tax Assessor/Collector: The tax assessor/collector for the District is Scott Grigg, the Collin County Tax Assessor/Collector (the “Tax Assessor/Collector”).

Bookkeeper: The District’s bookkeeper is Tovery Accounting Consultants, LLC (formerly known as Dye & Tovery, LLC) (the “Bookkeeper”).

Auditor: The District engaged McCall Gibson Swedlund Barfoot PLLC to audit its financial statements for the fiscal year ended September 30, 2025, and are included as “APPENDIX A” to this Official Statement.

Engineer: The District’s engineer is KFM Engineering and Design (the “Engineer”).

DEVELOPMENT OF THE DISTRICT

Status of Development within the District

The District is being developed as a mixed-use master planned development to be known as Legacy Hills which is expected to include up to approximately 6,872 single-family residential homes, approximately 4,100 multifamily residential units, and approximately 100 acres of commercial development located along the Dallas North Tollway in the City of Celina, Texas.

Status of Development within the Defined Area

The Defined Area is being developed to include up to approximately 5,470 lots within the subdivisions expected to be known as Arbors at Legacy Hills, Rise at Legacy Hills, The Bluffs at Legacy Hills, Enclave at Legacy Hills, Brookshire at Legacy Hills, Vines at Legacy Hills, and certain other subdivisions as part of the Legacy Hills development. As of July 26, 2026, 2,573 single-family lots have been completed.

The table below summarizes the status of development and land use within the District as of July 26, 2026.

THE MASTER DEVELOPER

Role of the Master Developer

In general, the activities of a developer in a municipal management district or other type of special purpose district, such as the District, include purchasing the land within the District, designing the subdivision, designing the utilities and streets to be constructed in the subdivision, designing any community facilities to be built, defining a marketing program and building schedule, securing necessary governmental approvals and permits for development, arranging for the construction of roads and the installation of utilities (including, in some cases, water, wastewater, and drainage facilities pursuant to the rules of the TCEQ, as well as gas, telephone, and electric service) and selling improved lots and commercial reserves to builders, developers, or other third parties. In most instances, the developer will be required to pay up to thirty percent (30%) of the cost of constructing certain of the water, wastewater, and drainage facilities in a municipal management district or other type of special purpose district pursuant to the rules of the TCEQ. The relative success or failure of a developer to perform such activities in development of the property within a municipal management district or other type of special purpose district may have a profound effect on the security of the unlimited tax bonds issued by a district. A developer is generally under no obligation to a district to develop the property which it owns in a district. Furthermore, there is no restriction on a developer's right to sell any or all of the land which it owns within a district. In addition, a developer is ordinarily a major taxpayer within a municipal management district or other type of special purpose district during the development phase of the property.

Prospective purchasers of the Bonds should note that the prior real estate experience of a developer should not be construed as an indication that further development within the District will occur, or construction of taxable improvements upon property within the District will occur, or that marketing or leasing of taxable improvements constructed upon property within the District will be successful. Circumstances surrounding development within the District may differ from circumstances surrounding development of other land in several respects, including the existence of different economic conditions, financial arrangements, homebuilders, geographic location, market conditions, and regulatory climate.

Neither the Master Developer (herein defined), nor any affiliate entities, are obligated to pay principal of or interest on the Bonds. Furthermore, neither the Master Developer, nor any affiliate entities, have a binding commitment to the District to carry out any plan of development, and the furnishing of information relating to the proposed development by the Master Developer or affiliate entities should not be interpreted as such a commitment. Prospective purchasers are encouraged to inspect the District in order to acquaint themselves with the nature of development that has occurred or is occurring within the District's boundaries.

The Master Developer

As of July 26, 2026, MM Celina 3200, LLC, a Texas limited liability company (the "Master Developer") owns approximately 729.158 acres of land within the District, of which approximately 315.39 acres is developable land not currently under construction.

The Master Developer is an affiliate of Centurion American Custom Homes Inc. d/b/a Centurion American Development Group Inc. ("Centurion") and was created by Centurion for the purpose of managing and ultimately conveying property in the District to third parties. The Master Developer is a nominally capitalized limited liability company, the primary asset of which is unsold property within the District. The Master Developer will have no source of funds with which to pay assessments or taxes levied by the District, the City or any other taxing entity other than funds resulting from the sale of property within the District or funds advanced to the Master Developer by an affiliated party. The Master Developer's ability to make full and timely payments of assessments or taxes will directly affect the District's ability to meet its obligation to make payments on the Bonds.

Since 1990, Centurion has developed over 20,000 single-family lots in dozens of communities surrounding North Texas. It has worked closely with investors, landowners, financial institutions, and vendors to acquire over 15,000 acres of land inventory for a diverse mix of developments in size and scope. Centurion's communities include amenities such as parks, golf courses, water park themes, and hiking and biking trails. Over the past thirty years, Centurion has demonstrated the ability to successfully deliver master-planned communities that have been recognized in the real estate industry.

Mr. Mehrdad Moayedi has ultimate control of Centurion and its affiliates. Centurion maintains a staff of approximately 50 employees. Centurion creates single-asset limited liability companies to own development sites and contracts with developers and other professionals in the delivery of its communities.

In addition, Centurion works closely with local municipalities, commercial developers, and public school systems as part of its overall master plan. Centurion works with North Texas' top builders to deliver the latest concepts ranging from upscale, luxury homes in secluded neighborhoods to affordable housing communities for first-time home buyers. Centurion purchases and develops land in prime locations with the right mix of natural land settings, strong job growth, good school systems and access to local community shopping.

Master Developer Financing

Centurion and its various affiliated special purpose entities, including the Master Developer, utilize a variety of funding sources for the purchase of land and subsequent development or redevelopment thereof. Typically, the applicable Centurion affiliate will obtain an acquisition loan from a lender to fund the acquisition of land. To fund horizontal development of such land, Centurion affiliates use a combination of developer equity, builder earnest money, builder payments under lot contracts, development loans from lending institutions, incentives from local governments (including tax increment grants), public/private partnerships, funds from tax-exempt bonds issued by local governments and backed by special assessments on the developable land and other sources of capital.

Master Developer sold the land to homebuilders (see “DEVELOPMENT OF THE DISTRICT - Pod Developers within the District”) and retained rights to the reimbursables from bond proceeds.

THE DEFINED AREA UTILITY SYSTEM

General

The District is constructing the water, wastewater and storm drainage facilities (the “Defined Area Utility System”) and roadway improvements to serve the District. According to the Engineer, the Defined Area Utility System is being designed in accordance with accepted engineering practices and the requirements of all governmental agencies having regulatory or supervisory jurisdiction over the construction and operation of such facilities, including, among others, the TCEQ, the City, the County, and Texas Department of Transportation (“TxDOT”). According to the Engineer, the design of such facilities has been approved by all required governmental agencies, the City, and the TCEQ.

Description of the Defined Area Utility System

Water Supply and Distribution: The District’s water service is provided by the City.

The District is constructing the water distribution system, as well as necessary perimeter and offsite facilities to serve the water distribution system within the District. Once completed, the District’s water distribution system will be dedicated to and owned, maintained, and operated by the City.

According to the Engineer, the water supply and distribution system and improvements are being designed in accordance with applicable design criteria as established by the TCEQ and the City.

Sanitary Sewer Collection: The wastewater generated by development within the District naturally flows by gravity through internal sanitary sewer lines constructed by the District to the City’s existing sanitary sewer lines. Once completed, the District’s wastewater collection facilities are dedicated to and owned, maintained, and operated by the City. According to the Engineer, all wastewater collection facilities are being designed in accordance with TCEQ regulations.

Storm Drainage: Stormwater runoff within the District drains into a system of collector lines via curbs and gutters. Such collector lines convey flow within a pipe system to existing major creeks. Once completed, the District’s storm drainage improvements will be dedicated to and owned, maintained, and operated by the City. According to the Engineer, all storm drainage improvements are being designed in accordance with design criteria established by the County, the City, TxDOT, and the TCEQ. The District maintains and operates the District’s storm drainage system.

Roads: Construction of the District’s road system (the “District’s Road System”) is subject to certain regulation by the City and TxDOT. The roads in the District are constructed with concrete pavement and curbs and gutter roadways. Remaining streets provide local interior service within the District. The District’s Road System, which includes the Defined Area Road System, is being constructed by the District and once complete, will be dedicated to and owned and maintained by the City.

Floodplain

According to the Flood Insurance Rate Maps (“FIRM”) Community Panel Number 48085C0105J, revised on June 2, 2009 provided by the Federal Emergency Management Agency (“FEMA”) approximately 985 acres within the District are located within the floodplain Zone “A”. An onsite drainage pipe system is being designed within the District to reclaim the Zone “A” floodplain to convey onsite drainage to existing major creeks.

THE DEFINED AREA ROAD SYSTEM

Construction of the road improvements within the boundaries of the District has been financed with funds advanced by the Developer, to be reimbursed with bond proceeds. The roads within the District vary in width in accordance with the standards of the City and are sized according to the Master Developer’s development plan.

Direct and Estimated Overlapping Debt Statement

Other governmental entities whose boundaries overlap the District have outstanding bonds payable from ad valorem taxes. The following statement of direct and estimated overlapping ad valorem tax debt was developed from information contained in *Texas Municipal Reports*, published by the Municipal Advisory Council of Texas, or other available information. Except for the amount relating to the District, the District has not independently verified the accuracy or completeness of such information, and no person is entitled to rely upon such information as being accurate or complete. Furthermore, certain of the entities listed below may have issued additional bonds since the dates stated in this table, and such entities may have programs requiring the issuance of substantial amounts of additional bonds, the amount of which cannot presently be determined. Political subdivisions overlapping the District are authorized by Texas law to levy and collect ad valorem taxes for operation, maintenance and/or general revenue purposes in addition to taxes for payment of their debt, and some are presently levying and collecting such taxes.

TAXING PROCEDURES

Set forth below is a summary of certain provisions of the Property Tax Code (defined herein) relating to the District's ability to levy and collect property taxes on property within the District. Provisions of the Property Tax Code are complex and are not fully summarized herein. Reference is made to the Property Tax Code for more complete information, including the identification of property subject to taxation; property exempt, or which may be exempted from taxation, if claimed; the appraisal of property for ad valorem tax purposes, and the procedures and limitations applicable to the levy and collection of ad valorem taxes.

Authority to Levy Taxes

The Board is authorized to levy an annual ad valorem tax, without legal limitation as to rate or amount, on all taxable property within the District in sufficient amount to pay the principal of and interest on the Bonds and any additional bonds payable from taxes which the District may hereafter issue, and to pay the expenses of assessing and collecting such taxes. The District agrees in the Bond Order to levy such a tax from year to year as described more fully above under "THE BONDS—Source of Payment." Under Texas law, the Board may also levy and collect annual ad valorem taxes for the operation and maintenance of the District and for the payment of certain contractual obligations. In 2025, the District levied a total tax rate of \$0.408 per \$100 of assessed valuation. See "TAX DATA—Tax Rate Limitation."

Property Tax Code and County-Wide Appraisal District

The Texas Tax Code (the "Property Tax Code"), specifies the taxing procedures of all political subdivisions of the State of Texas, including the District. Provisions of the Property Tax Code are complex and are not fully summarized herein. The Property Tax Code requires, among other matters, county-wide appraisal and equalization of taxable property values and establishes in each county of the State of Texas an appraisal district with the responsibility for recording and appraising property for all taxing units within a county and an appraisal review board with responsibility for reviewing and equalizing the values established by the Collin Central Appraisal District (the "Appraisal District"). The Appraisal District has the responsibility of appraising property for all taxing units within the County, including the District. Such appraisal values will be subject to review and change by the Collin Central Appraisal Review Board (the "Appraisal Review Board"). The appraisal roll, as approved by the Appraisal Review Board, will be used by the District in establishing its tax rolls and tax rate.

The Property Tax Code requires the appraisal district, by May 15 of each year, or as soon thereafter as practicable, to prepare appraisal records of property as of January 1 of each year based upon market value. The chief appraiser must give written notice before May 15, or as soon thereafter as practicable, to each property owner whose property value is appraised higher than the value in the prior tax year or the value rendered by the property owner, or whose property was not on the appraisal roll the preceding year, or whose property was reappraised in the current tax year. Notice must also be given if ownership of the property changed during the preceding year. The appraisal review board has the ultimate responsibility for determining the value of all taxable property within the Defined Area of District; however, any property owner who has timely filed notice with the appraisal review board may appeal a final determination by the appraisal review board by filing suit in a Texas district court. Prior to such appeal or any tax delinquency date, however, the property owner must pay the tax due on the value of that portion of the property involved that is not in dispute or the amount of tax imposed in the prior year, whichever is greater, or the amount of tax due under the order from which the appeal is taken. In such event, the value of the property in question will be determined by the court, or by a jury, if requested by any party. In addition, taxing units, such as the District, are entitled to challenge certain matters before the appraisal review board, including the level of appraisals of a certain category of property, the exclusion of property from the appraisal records of the granting in whole or in part of certain exemptions. A taxing unit may not, however, challenge the valuation of individual properties.

Although the District has the responsibility for establishing tax rates and levying and collecting its taxes each year, under the Property Tax Code, the District does not establish appraisal standards or determine the frequency of revaluation or reappraisal. The appraisal district is governed by a board of directors elected by the governing bodies of the county and all cities, towns, school districts and, if entitled to vote, the conservation and reclamation districts that participate in the appraisal district. The Property Tax Code requires each appraisal district to implement a plan for periodic reappraisal of property to update appraised values. Such plan must provide for reappraisal of all real property in the appraisal district at least once every three years. It is not known what frequency of future reappraisals will be utilized by the Appraisal District or whether reappraisals will be conducted on a zone or county-wide basis.

Property Subject to Taxation by the District

General: Except for certain exemptions provided by Texas law, all real property, tangible personal property held or used for the production of income, mobile homes, and certain categories of intangible personal property with a tax situs in the District are subject to taxation by the District. Principal categories of exempt property include, but are not

limited to: property owned by the State of Texas or its political subdivisions, if the property is used for public purposes; property exempt from ad valorem taxation by federal law; certain household goods, family supplies and personal effects; certain goods, wares, and merchandise in transit; certain farm products owned by the producer; certain property of charitable organizations, youth development associations, religious organizations, and qualified schools; designated historical sites; and most individually-owned automobiles. In addition, the District may by its own action exempt residential homesteads of persons 65 years or older and certain disabled persons, to the extent deemed advisable by the Board of Directors of the District. The District may be required to offer such exemptions if a majority of voters approve same at an election. The District would be required to call an election upon petition by twenty percent (20%) of the number of qualified voters who voted in the preceding election. The District is authorized by statute to disregard exemptions for the disabled and elderly if granting the exemption would impair the District's obligation to pay tax supported debt incurred prior to adoption of the exemption by the District. The District has not adopted disabled or over 65 exemptions.

Furthermore, the District must grant exemptions to disabled veterans or the surviving spouse or children of a deceased veteran who died while on active duty in the armed forces, if requested, but only to the maximum extent of between \$5,000 and \$12,000 depending upon the disability rating of the veteran claiming the exemption. A veteran who receives a disability rating of 100% is entitled to an exemption of full value of the veteran's residential homestead. Furthermore, qualifying surviving spouses of persons 65 years of age and older are entitled to receive a resident homestead exemption equal to the exemption received by the deceased spouse and surviving spouses of a deceased veteran who had received a disability rating of 100% are entitled to receive a residential homestead exemption equal to the exemption received by the deceased spouse until such surviving spouse remarries. A partially disabled veteran or certain surviving spouses of partially disabled veterans are entitled to an exemption from taxation of a percentage of the appraised value of their residence homestead in an amount equal to the partially disabled veteran's disability rating if the residence homestead was donated by a charitable organization. Also, the surviving spouse of a member of the armed forces who was killed in action is, subject to certain conditions, entitled to an exemption of the total appraised value of the surviving spouse's residence homestead, and subject to certain conditions, an exemption up to the same amount may be transferred to a subsequent residence homestead of the surviving spouse. The surviving spouse of a first responder who was killed or fatally injured in the line of duty is, subject to certain conditions, also entitled to an exemption of the total appraised value of the surviving spouse's residence homestead, and, subject to certain conditions, an exemption up to the same amount may be transferred to a subsequent residence homestead of the surviving spouse.

Residential Homestead Exemptions: The Property Tax Code authorizes the governing body of each political subdivision in the State to exempt up to twenty percent (20%) of the appraised market value of residential homesteads from ad valorem taxation. Where ad valorem taxes have previously been pledged for the payment of debt, the governing body of a political subdivision may continue to levy and collect taxes against the exempt value of the homesteads until the debt is discharged, if the cessation of the levy would impair the obligations of the contract by which the debt was created. The adoption of a homestead exemption may be considered each year but must be adopted by May 1. The District has not adopted a general homestead exemption.

Freeport Goods Exemption and "Goods-in-Transit": A "Freeport Exemption" applies to goods, wares, ores, and merchandise other than oil, gas, and petroleum products (defined as liquid and gaseous materials immediately derived from refining petroleum or natural gas), and to aircraft or repair parts used by a certified air carrier acquired in or imported into Texas which are destined to be forwarded outside of Texas and which are detained in Texas for assembling, storing, manufacturing, processing or fabricating for less than 175 days. Although certain taxing units may take official action to tax such property in transit and negate such exemption, the District does not have such an option. A "Goods-in-Transit" Exemption is applicable to the same categories of tangible personal property which are covered by the Freeport Exemption, if, for tax year 2011 and prior applicable years, such property is acquired in or imported into Texas for assembling, storing, manufacturing, processing, or fabricating purposes and is subsequently forwarded to another location inside or outside of Texas not later than 175 days after acquisition or importation, and the location where said property is detained during that period is not directly or indirectly owned or under the control of the property owner. For tax year 2012 and subsequent years, such Goods-in-Transit Exemption includes tangible personal property acquired in or imported into Texas for storage purposes only if such property is stored under a contract of bailment by a public warehouse operator at one or more public warehouse facilities in Texas that are not in any way owned or controlled by the owner of such property for the account of the person who acquired or imported such property. A property owner who receives the Goods-in-Transit Exemption is not eligible to receive the Freeport Exemption for the same property. Local taxing units such as the District may, by official action and after public hearing, tax goods-in-transit property. A taxing unit must exercise its option to tax goods-in-transit property before January 1 of the first tax year in which it proposes to tax the property at the time and in the manner prescribed by applicable law.

Valuation of Property for Taxation

Generally, property in the District must be appraised by the Appraisal District at market value as of January 1 of each year. Once an appraisal roll is prepared and finally approved by the Appraisal Review Board, it is used by the District in establishing its tax rolls and tax rate. Assessments under the Property Tax Code are to be based on one hundred percent (100%) of market value, as such is defined in the Property Tax Code. The Property Tax Code requires the Appraisal District to implement a plan for periodic reappraisal of property to update appraisal values. The plan must provide for appraisal of all real property in the Appraisal District at least once every three years. It is not known what frequency of reappraisal will be utilized by the Appraisal District or whether reappraisals will be conducted on a zone or county-wide basis. The District, however, at its expense has the right to obtain from the Appraisal District a current estimate of appraised values within the District or an estimate of any new property or improvements within the District. While such current estimate of appraised values may serve to indicate the rate and extent of growth of taxable values within the District, it cannot be used for establishing a tax rate within the District until such time as the Appraisal District chooses formally to include such values on its appraisal roll.

Disaster Exemption

The Property Tax Code provides for a temporary exemption from ad valorem taxation of a portion of the appraised value of certain property that is at least 15% damaged by a disaster and located within an area declared to be a disaster area by the governor of the State of Texas. This temporary exemption is automatic if the disaster is declared prior to a taxing unit, such as the District, adopting its tax rate for the tax year. A taxing unit, such as the District, may authorize the exemption at its discretion if the disaster is declared after the taxing unit has adopted its tax rate for the tax year. The amount of the exemption is based on the percentage of damage and is prorated based on the date of the disaster. Upon receipt of an application submitted within the eligible timeframe by a person who qualifies for a temporary exemption under the Property Tax Code, the Appraisal District is required to complete a damage assessment and assign a damage assessment rating to determine the amount of the exemption. The temporary exemption amounts established in the Property Tax Code range from 15% for property less than 30% damaged to 100% for property that is a total loss. Any such temporary exemption granted for disaster-damaged property expires on January 1 of the first year in which the property is reappraised.

Tax Abatement

The County and the City may designate all or part of the area within the District as a reinvestment zone. The District, at the option and discretion of the District, the City and the County may enter into tax abatement agreements with owners of property within the zone. Prior to entering into a tax abatement agreement, each entity must adopt guidelines and criteria for establishing tax abatement, which each entity will follow in granting tax abatement to owners of property. The tax abatement agreements may exempt from ad valorem taxation by each of the applicable taxing jurisdictions, including the District, for a period of up to ten (10) years, all, or any part of any increase in the assessed valuation of property covered by the agreement over its assessed valuation in the year in which the agreement is executed, on the condition that the property owner make specified improvements or repairs to the property in conformity with the terms of the tax abatement. Each taxing jurisdiction has discretion to determine terms for its tax abatement agreements without regard to the terms approved by the other taxing jurisdiction. None of the area within the District has been designated as a reinvestment zone to date, and the District has not approved any such tax abatement agreements.

Agricultural, Open Space, Timberland and Inventory Deferment

The Property Tax Code permits land designated for agricultural use (including wildlife management), open space, or timberland to be appraised at its value based on the land's capacity to produce agriculture or timber products rather than at its fair market value. The Property Tax Code permits, under certain circumstances, that residential real property inventory held by a person in the trade or business be valued at the price all such property would bring if sold as a unit to a purchaser who would continue the business. Landowners wishing to avail themselves of any of such designations must apply for the designation, and the Appraisal District is required by the Property Tax Code to act on each claimant's right to the designation individually. A claimant may waive the special valuation as to taxation by some political subdivisions and not as to others. If a claimant receives the designation and later loses it by changing the use of the property or selling it to an unqualified owner, the District can collect taxes based on the new use for the three (3) years prior to the loss of the designation for agricultural, timberland or open space land. See "TAX DATA—Analysis of Tax Base" and "THE MASTER DEVELOPER."

Notice and Hearing Procedures

The Property Tax Code establishes procedures for providing notice and the opportunity for a hearing for taxpayers in the event of certain proposed tax increases and provides for taxpayer's referenda which could result in the repeal of

certain tax increases. The District is required to publish a notice of a public hearing regarding the tax rate proposed to be levied in the current year and comparing the proposed tax rate to the tax rate set in the preceding year. See “—Rollback of Operation and Maintenance Tax Rate” below.

District and Taxpayer Remedies

Under certain circumstances, taxpayers and taxing units, including the District, may appeal orders of the Appraisal Review Board by filing a timely petition for review in district court. In such event, the property value in question may be determined by the court, or by a jury, if requested by any party. Additionally, taxing units may bring suit against the Appraisal District to compel compliance with the Property Tax Code.

Rollback of Operation and Maintenance Tax Rate

Chapter 49 of the Texas Water Code, as amended, classifies districts differently based on the current operation and maintenance tax rate or on the percentage of build-out that the District has completed. Districts that have adopted an operation and maintenance tax rate for the current year that is 2.5 cents or less per \$100 of taxable value are classified as “Special Taxing Units.” Districts that have financed, completed, and issued bonds to pay for all improvements and facilities necessary to serve at least 95% of the projected build-out of the district are classified as “Developed Districts.” Districts that do not meet either of the classifications previously discussed can be classified herein as “Developing Districts.” The impact each classification has on the ability of a district to increase its maintenance and operations tax rate is described for each classification below. Debt service and contract tax rates cannot be reduced by a rollback election held within any of the districts described below.

Special Taxing Units: Special Taxing Units that adopt a total tax rate that would impose more than 1.08 times the amount of the total tax imposed by such district in the preceding tax year on a residence homestead appraised at the average appraised value of a residence homestead, subject to certain homestead exemptions, are required to hold an election within the district to determine whether to approve the adopted total tax rate. If the adopted total tax rate is not approved at the election, the total tax rate for a Special Taxing Unit is the current year’s debt service and contract tax rate plus 1.08 times the previous year’s operation and maintenance tax rate.

Developed Districts: Developed Districts that adopt a total tax rate that would impose more than 1.035 times the amount of the total tax imposed by the district in the preceding tax year on a residence homestead appraised at the average appraised value of a residence homestead, subject to certain homestead exemptions for the preceding tax year, plus any unused increment rates, as calculated and described in Section 26.013 of the Tax Code, are required to hold an election within the district to determine whether to approve the adopted total tax rate. If the adopted total tax rate is not approved at the election, the total tax rate for a Developed District is the current year’s debt service and contract tax rate plus 1.035 times the previous year’s operation and maintenance tax rate plus any unused increment rates. In addition, if any part of a Developed District lies within an area declared for disaster by the Governor of Texas or President of the United States, alternative procedures and rate limitations may apply for a temporary period. If a district qualifies as both a Special Taxing Unit and a Developed District, the district will be subject to the operation and maintenance tax threshold applicable to Special Taxing Units.

Developing Districts: Districts that do not meet the classification of a Special Taxing Unit or a Developed District can be classified as Developing Districts. The qualified voters of these districts, upon the Developing District’s adoption of a total tax rate that would impose more than 1.08 times the amount of the total tax rate imposed by such district in the preceding tax year on a residence homestead appraised at the average appraised value of a residence homestead, subject to certain homestead exemptions, are authorized to petition for an election to reduce the operation and maintenance tax rate. If an election is called and passes, the total tax rate for Developing Districts is the current year’s debt service and contract tax rate plus 1.08 times the previous year’s operation and maintenance tax rate.

The District: A determination as to a district’s status as a Special Taxing Unit, Developed District or Developing District made on an annual basis. For the 2026 tax year, the District is classified as a Developing District. The District cannot give any assurances as to what its classification will be at any point in time or whether the District’s future tax rates will result in a total tax rate that will reclassify the District into a new classification and new election calculation.

Levy and Collection of Taxes

The District has entered into a Tax Collection Services Agreement with Collin County who is responsible for the collection of its taxes unless it elects to transfer such functions to another governmental entity. The rate of taxation is set by the Board, after the legally required notice has been given to owners of property within the District, based upon: a) the valuation of property within the District as of the preceding January 1, and b) the amount required to be raised for debt service, maintenance purposes, and authorized contractual obligations. Taxes are due October 1, or when billed, whichever comes later, and become delinquent if not paid before February 1 of the year following the year in which imposed. A delinquent tax incurs a penalty of six percent (6%) of the amount of the tax for the first calendar

month it is delinquent, plus one percent (1%) for each additional month or portion of a month the tax remains unpaid prior to July 1 of the year in which it becomes delinquent. If the tax is not paid by July 1 of the year in which it becomes delinquent, the tax incurs a total penalty of twelve percent (12%) regardless of the number of months the tax has been delinquent and incurs an additional penalty for collection costs of an amount established by the District and a delinquent tax attorney. A delinquent tax on personal property incurs an additional penalty, in an amount established by the District and a delinquent tax attorney, 60 days after the date the taxes become delinquent. The delinquent tax accrues interest at a rate of one percent (1%) for each month or portion of a month it remains unpaid. The Property Tax Code makes provisions for the split payment of taxes, discounts for early payment and the postponement of the delinquency date of taxes under certain circumstances which, at the option of the District, may be rejected by taxing units. The District's tax collector is required to enter into an installment payment agreement with any person who is delinquent on the payment of tax on a residence homestead for payment of tax, penalties and interest, if the person requests an installment agreement and has not entered into an installment agreement with the collector in the preceding 24 months. The installment agreement must provide for payments to be made in monthly installments and must extend for a period of at least 12 months and no more than 36 months. Additionally, the owner of a residential homestead property who is (i) sixty-five (65) years of age or older, (ii) disabled, or (iii) a disabled veteran, is entitled by law to pay current taxes on a residential homestead in installments without penalty or to defer the payment of taxes during the time of ownership. In the instance of tax deferral, a tax lien remains on the property and interest continue to accrue during the period of deferral.

District's Rights in the Event of Tax Delinquencies

Taxes levied by the District are a personal obligation of the owner of the property as of January 1 of the year in which the tax is imposed. On January 1 of each year, a tax lien attaches to property to secure the payment of all taxes, penalties and interest ultimately imposed for the year on the property. The lien exists in favor of each taxing unit, including the District, having the power to tax the property. The District's tax lien is on a parity with the tax liens of other such taxing units. A tax lien on real property takes priority over the claims of most creditors and other holders of liens on the property encumbered by the tax lien, whether or not the debt or lien existed before the attachment of the tax lien, however, whether a lien of the United States is on a parity with or takes priority over a tax lien of the District is determined by federal law. Personal property, under certain circumstances, is subject to seizure and sale for the payment of delinquent taxes, penalty, and interest.

At any time after taxes on property become delinquent, the District may file suit to foreclose the lien securing payment of the tax, to enforce personal liability for the tax, or both. In filing a suit to foreclose a tax lien on real property, the District must join other taxing units that have claims for delinquent taxes against all or part of the same property. Collection of delinquent taxes may be adversely affected by the amount of taxes owed to other taxing units, by the effects of market conditions on the foreclosure sale price, by taxpayer redemption rights or by bankruptcy proceedings which restrict the collection of taxpayer debts. A taxpayer may redeem property within two (2) years for residential and agricultural property and six (6) months for commercial property and all other types of property after the purchaser's deed at the foreclosure sale is filed in the county records.

TAX DATA

General

Taxable property within the District is subject to the assessment, levy, and collection by the District of an annual ad valorem tax, without legal limitation as to rate or amount, sufficient to pay principal of and interest on the Bonds, the Outstanding Road Bonds and any future tax-supported bonds which may be issued from time to time as authorized. Taxes are levied by the District each year against the District's assessed valuation as of January 1 of that year. Taxes become due October 1 of such year, or when billed, and generally become delinquent after January 31 of the following year. The Board covenants in the Bond Order to assess and levy for each year that all or any part of the Bonds remain outstanding and unpaid a tax ample and sufficient to produce funds to pay the principal of and interest on the Bonds. The actual rate of such tax will be determined from year to year as a function of the District's tax base, its debt service requirements, and available funds. In addition, the District has the power and authority to assess, levy and collect ad valorem taxes, in an unlimited amount, for operation and maintenance purposes. In 2026, the District levied a total tax rate of \$0.3898 per \$100 of assessed valuation.

Tax Rate Limitation

Debt Service: Unlimited (no legal limit as to rate or amount).

Maintenance and Operations: \$1.00 per \$100 assessed taxable valuation.

Debt Service Taxes

The Board covenants in the Bond Order to levy and assess, for each year that all or any part of the Bonds remain outstanding and unpaid, a tax adequate to provide funds to pay the principal of and interest on the Bonds. In 2026, the District levied \$0.00 per \$100 of assessed valuation for Defined Area Utility System debt service purposes and \$0.3437 per \$100 of assessed valuation for Defined Area Road System debt service purposes.

Maintenance and Operations Taxes

The Board has the statutory authority to levy and collect an annual ad valorem tax for maintenance of the District's improvements if such maintenance tax is authorized by vote of the District's electors. The Board is authorized by the District's voters to levy such maintenance tax in an amount not to exceed \$1.00 per \$100 of assessed valuation. Such tax, when levied, is in addition to taxes which the District is authorized to levy for paying principal of and interest on the Bonds and any parity bonds which may be issued in the future. In 2026, the District levied a total tax rate of \$0.0461 per \$100 of assessed valuation for maintenance and operations purposes. See "—Tax Rate Distribution" below.

Tax Exemption

As discussed in the section entitled "TAXING PROCEDURES" herein, certain property in the District may be exempt from taxation by the District. The District does not exempt any percentage of the market value of any residential homesteads from taxation.

Additional Penalties

The District has contracted with a delinquent tax attorney to collect certain delinquent taxes. In connection with that contract, the District can establish an additional penalty of twenty percent (20%) of the tax to defray the costs of collection. This twenty percent (20%) penalty applies to taxes that either: (1) become delinquent on or after February 1 of a year, but not later than June 1 of that year, and that remain delinquent on April 1 (for personal property) and July 1 (for real property) of the year in which they become delinquent or (2) become delinquent on or after June 1, pursuant to the Property Tax Code.

Historical Tax Collections

The following table illustrates the collection history of the District for the tax years below:

Tax Year	Certified Taxable Value	Tax Rate	Adjusted Tax Levy	Collections Current Year	Current Year Ending 9/30	Collections As of 9/1/26

Tax Rate Calculations

The calculations shown below are solely for purposes of illustration only and are based on the certified assessed value for 2026 Certified Assessed Valuation as of January 1, and utilize tax rates adequate to service the District's total projected debt service requirements, including the Bonds. No available debt service funds are reflected in these computations.

Estimated Overlapping Taxes

Property within the District, including the Defined Area is subject to taxation by several taxing authorities in addition to the District. Under Texas law, if ad valorem taxes levied by a taxing authority become delinquent, a lien is created upon the property which has been taxed. A tax lien on property in favor of the District is on a parity with tax liens of other taxing jurisdictions. In addition to ad valorem taxes required to make debt service payments on bonded debt of the District and of such other jurisdictions (see “DISTRICT DEBT—Direct and Estimated Overlapping Debt Statement”), certain taxing jurisdictions are authorized by Texas law to assess, levy, and collect ad valorem taxes for operation, maintenance, administrative and/or general revenue purposes.

The District levies assessments on a majority of the property within the District (the “Major Improvement Assessments”), including the Defined Area, and levies taxes that are improved on The Defined Area only (the “Defined Area No. 1 Tax ”). The Major Improvement Assessments cannot be used to pay debt service on the Bonds.

Set forth below is an estimation of all 2026 taxes per \$100 of assessed valuation levied by such jurisdictions. No recognition is given to local assessments for civic association dues, emergency medical service contributions, fire department contributions or any other charges made by entities other than political subdivisions. No prediction can be made of the tax rates that will be levied in future years by the respective taxing jurisdictions.

See “PUBLIC IMPROVEMENT DISTRICT.”

[Remainder of this page intentionally left blank.]

PUBLIC IMPROVEMENT DISTRICT

The District currently levies assessments for “major improvements” in the District on all land within the District, including the Defined Area. The assessments are levied pursuant to the District Legislation and Chapter 372, Texas Local Government Code, as amended. The major improvement projects include road improvements, water improvements, sanitary sewer improvements, storm drainage improvements, right of way acquisition, district formation costs and bond issuance costs.

The District has previously issued \$114,100,000 in principal amount of special assessment revenue bonds, specifically the \$81,175,000 Special Assessment Revenue Bonds, Series 2021 (Major Improvements Project) and the \$32,225,000 Special Assessment Revenue Bonds, Series 2022 (Major Improvements Project #2). Approximately \$109,983,000 of such bonds remain outstanding. These bonds are secured solely by assessments against property in the District, including the Defined Area, and not by ad valorem taxes of the District or any other revenues of the District other than such assessments. Per parcel annual payments range from approximately \$699 to \$1,136.50.

Bonds may be issued to refund outstanding MMD Assessment Bonds in accordance with the applicable indenture of trust related to such MMD Assessment Bonds.

INVESTMENT CONSIDERATIONS

General

The Bonds, which are obligations of the District and not of the State of Texas; the County; the City; or any political subdivision other than the District, will be secured by a continuing direct annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property located within the Defined Area of the District. Therefore, the ultimate security for payment of the principal of and interest on the Bonds depends upon the ability of the District to collect from the property owners within the Defined Area taxes levied against all taxable property located within the Defined Area, or, in the event taxes are not collected and foreclosure proceedings are instituted by the District, upon the value of the taxable property with respect to taxes levied by the District and by other taxing authorities. The District makes no representations that over the life of the Bonds the property within the Defined Area will maintain a value sufficient to justify continued payment of taxes by the property owners. The potential increase in taxable valuation of Defined Area property is directly related to the economics of the residential housing industry, not only due to general economic conditions, but also due to the particular factors discussed below. See “DEVELOPMENT OF THE DISTRICT,” “TAX DATA,” and “TAXING PROCEDURES.”

Factors Affecting Taxable Values and Tax Payments

Economic Factors: The District is situated in the Dallas/Fort Worth, Texas area and the rate of development of the District is directly related to the vitality of the residential housing industry in said metropolitan area. New residential housing construction can be significantly affected by factors such as interest rates, construction costs, and consumer demand. Decreased levels of home construction activity would restrict the growth of property values in the District. The District cannot predict the pace or magnitude of any future development or home construction in the District.

Master Developer: There is no commitment by, or legal requirement of, the Master Developer, or any other landowner in the District to proceed at any particular rate or according to any specified plan with the development of land in the District, or of any homebuilder to proceed at any particular pace with the construction of homes in the District. Moreover, there is no restriction on any landowner’s right to sell its land. Therefore, the District can make no representation about the probability of future development, if any, or the rate of future home construction activity in the District. Failure to construct taxable improvements on developed lots would restrict the rate of growth of taxable values in the District and result in higher tax rates. See “DEVELOPMENT OF THE DISTRICT,” “THE MASTER DEVELOPER,” and “TAX DATA—Principal Taxpayers.”

Dependence on Principal Taxpayers and the Master Developer: The top principal taxpayers represent approximately 51.44% (\$230,767,083) of the 2026 Assessed Valuation, which represents ownership as of January 1, 2026. If these or other principal taxpayers were to default in the payment of taxes in an amount which exceeds the District’s debt service fund surplus, the ability of the District to make timely payment of debt service on the Bonds would be dependent on its ability to enforce and liquidate its tax lien, which is a time-consuming process, or to sell tax anticipation notes. Failure to recover or borrow funds in a timely fashion could result in an excessive District tax rate, hindering growth and leading to further defaults in the payment of taxes. The District is not required by law or the Bond Order to maintain any specified amount of surplus in its debt service funds. See “TAX DATA—Principal Taxpayers” and “TAXING PROCEDURES—Levy and Collection of Taxes.”

Maximum Impact on District Tax Rates: Assuming no further development or home construction, the value of the land and improvements currently within the District will be the major determinant of the ability or willingness of

property owners to pay their taxes. The 2026 Assessed Valuation of the Defined Area of property located within the District is \$448,601,831. See “TAX DATA.”

After issuance of the Bonds, the maximum annual debt service requirement on the Bonds will be \$2,642,231 (2037) and the average annual debt service requirement on the Bonds will be \$2,615,395 (2027-2055). Assuming no decrease to the 2026 Assessed Valuation of the Defined Area, tax rates of \$0.62 and \$0.62 per \$100 of assessed valuation at 95% tax collection rate would be necessary to pay the maximum annual debt service requirement and the average annual debt service requirement, respectively.

The District can make no representation that the taxable property values in the Defined Area will increase in the future or will maintain a value sufficient to support the proposed Defined Area tax rate or to justify continued payment of taxes by property owners.

Competitive Nature of Residential Housing Market

The residential housing industry in the Dallas-Fort Worth, Texas, area is very competitive, and the District can give no assurance that the building programs which are planned by any homebuilder(s) will be continued or completed. The respective competitive position of the homebuilder listed herein and any other developer or homebuilder(s) which might attempt future home building or development projects in the District, the sale of developed lots or in the construction and sale of single-family residential units, are affected by most of the factors discussed in this section, and such competitive positions are directly related to tax revenues received by the District and the growth and maintenance of taxable values in the District.

Tax Collection Limitations

The District’s ability to make debt service payments may be adversely affected by its inability to collect ad valorem taxes. Under Texas law, the levy of ad valorem taxes by the District constitutes a lien in favor of the District on a parity with the liens of all other state and local taxing authorities on the property against which taxes are levied, and such lien may be enforced by foreclosure. The District’s ability to collect ad valorem taxes through such foreclosure may be impaired by (a) cumbersome, time-consuming and expensive collection procedures, (b) a bankruptcy court’s stay of tax collection procedures against a taxpayer, (c) market conditions limiting the proceeds from a foreclosure sale of taxable property, or (d) the taxpayer’s right to redeem the property within two years of foreclosure for residential homestead and agricultural use property and within six (6) months of foreclosure for other property. While the District has a lien on taxable property within the District for taxes levied against such property, such lien can be foreclosed only in a judicial proceeding. Moreover, the value of property to be sold for delinquent taxes and thereby the potential sales proceeds available to pay debt service on the Bonds, may be limited by among other factors, the existence of other tax liens on the property, by the current aggregate tax rate being levied against the property, or by the taxpayers’ right to redeem residential or agricultural use property within two (2) years of foreclosure and all other property within six (6) months of foreclosure. Finally, a bankruptcy court with jurisdiction over bankruptcy proceedings initiated by or against a taxpayer within the District pursuant to Federal Bankruptcy Code could stay any attempt by the District to collect delinquent ad valorem taxes assessed against such taxpayer. See “TAXING PROCEDURES.”

Bankruptcy Limitation to Registered Owners’ Rights

Subject to the requirements of Texas law, the District may voluntarily proceed under Chapter 9 of the Federal Bankruptcy Code, 11 U.S.C. Section 901-946, if the District: (1) is authorized to file for federal bankruptcy protection by Texas law; (2) is insolvent or unable to meet its debts as they mature; (3) desired to effect a plan to adjust such debts; and (4) has either obtained the agreement of or negotiated in good faith with its creditors or is unable to negotiate with its creditors because negotiation is impracticable. Under Texas law, the District must also obtain the approval of the TCEQ prior to filing bankruptcy. Such law requires that the TCEQ investigate the financial conditions of the District and authorize the District to proceed only if the District has fully exercised its rights and powers under Texas law and remains unable to meet its debts and other obligations as they mature.

Notwithstanding noncompliance by the District with Texas law requirements, the District could file a voluntary bankruptcy petition under Chapter 9, thereby invoking the protection of the automatic stay until the bankruptcy court, after a hearing, dismisses the petition. A federal bankruptcy court is a court of equity and federal bankruptcy judges have considerable discretion in the conduct of bankruptcy proceedings and in making the decision of whether to grant the petitioning district relief from its creditors. While such a decision might be applicable, the concomitant delay and loss of remedies to the Registered Owner could potentially and adversely impair the value of the Registered Owner’s claim.

If the District decides in the future to proceed voluntarily under the federal Bankruptcy Code, the District could develop and file a plan for the adjustment of its debts. If such a plan was confirmed by the bankruptcy court, it could,

among other things, affect the Beneficial Owners by reducing or eliminating the interest rate or the principal amount, modifying or abrogating collateral or security arrangements, substituting (in whole or in part) other securities, and otherwise compromising and modifying the rights and remedies of such Beneficial Owners' claims against the District. The District may not be placed into bankruptcy involuntarily.

Marketability

The District has no understanding with the winning bidder of the Bonds (the "Initial Purchaser") regarding the reoffering yields or prices of the Bonds and has no control over trading of the Bonds in the secondary market. Moreover, there is no assurance that a secondary market will be made in the Bonds. If there is a secondary market, the difference between the bid and asked price for the Bonds may be greater than the difference between the bid and asked price of bonds of comparable maturity and quality issued by more traditional issuers as such bonds are more generally bought, sold, or traded in the secondary market. See "SALE AND DISTRIBUTION OF THE BONDS."

Operating Funds

The District's only sources of revenue to pay its operating expenses are advances from the Master Developer, proceeds from bond issues, and maintenance tax proceeds. The District does not receive water and sewer revenues. The District levied a 2025 maintenance tax at the rate of \$0.0562 per \$100 of assessed valuation. The District's Operating Fund balance as of September 30, 2025, was \$110,898. Attaining and maintaining a positive Operating Fund balance will depend upon (1) continued development, (2) increased amounts of maintenance tax revenue, and (3) funds from bond issues. In the event that funds are not made available by the Master Developer, the District will be required to levy a maintenance tax at a rate sufficient to fund its operating expenses. Such a tax, when added to the District's debt service tax, may result in a total District tax in excess of similar developments and could adversely affect continued development of the District, as well as the willingness of taxpayers to pay taxes on their property.

Future Debt

At an election held within the District on May 6, 2023, voters of the Defined Area District authorized the District's issuance of: a total of \$246,277,730 principal amount of unlimited tax bonds for the purpose of acquiring or constructing the Defined Area Road System; \$194,327,781 principal amount of unlimited tax bonds for the purpose of acquiring or constructing the Defined Area Utility System; \$307,847,162 principal amount of unlimited tax bonds for the purpose of refunding bonds issued by the District for the Defined Area Road System; and \$242,909,762 principal amount of unlimited tax bonds for the purpose of refunding bonds issued by the District for the Defined Area Utility System

The Bonds represent the third series of bonds issued by the District for the purpose of acquiring or constructing the Defined Area Road System. After issuance of the Bonds, the following principal amounts of unlimited tax bonds will remain authorized but unissued: a total of \$207,722,730 for the purpose of acquiring or constructing the Defined Area Road System; \$194,327,781 for the purpose of acquiring or constructing the Defined Area Utility System; \$307,847,162 for the purpose of refunding bonds issued by the District for the Defined Area Road System; and \$242,909,762 for the purpose of refunding bonds issued by the District for the Defined Area Utility System. The District may also issue any additional bonds as may hereafter be approved by both the Board of Directors and voters of the District as well as certain additional bonds, revenue bonds, special project bonds, and other obligations as described in the Bond Order. See "THE BONDS—Issuance of Additional Debt."

The District's issuance of unlimited tax bonds authorized for the Defined Area Utility System shall be subject to approval by the TCEQ.

Following the issuance of the Bonds, the District will owe the Master Developer approximately \$34,578,743.47 for expenditures to construct the Defined Area Road System. If additional bonds are issued in the future and property values have not increased proportionately, such issuance may increase gross debt-to-property-valuation ratios and thereby adversely affect the investment quality or security of the Bonds.

Continuing Compliance with Certain Covenants

The Bond Order contains covenants by the District intended to preserve the exclusion from gross income of interest on the Bonds. Failure of the District to comply with such covenants on a continuous basis prior to maturity of the Bonds could result in interest on the Bonds becoming taxable retroactively to the date of original issuance. See "TAX MATTERS."

Approval of the Bonds

The Attorney General of Texas must approve the legality of the Bonds prior to their delivery. The Attorney General of Texas, however, does not pass upon or guarantee the safety of the Bonds as an investment or the adequacy or accuracy of the information contained in this Official Statement.

Environmental Regulations

Wastewater treatment, water supply, storm sewer facilities and construction activities within the District are subject to complex environmental laws and regulations at the federal, state, and local levels that may require or prohibit certain activities that affect the environment, such as:

- Requiring permits for construction and operation of water wells, wastewater treatment and other facilities;
- Restricting the manner in which wastes are treated and released into the air, water and soils;
- Restricting or regulating the use of wetlands or other properties; or
- Requiring remedial action to prevent or mitigate pollution.

Sanctions against a municipal management district or other type of special purpose district for failure to comply with environmental laws and regulations may include a variety of civil and criminal enforcement measures, including assessment of monetary penalties, imposition of remedial requirements and issuance of injunctions to ensure future compliance. Environmental laws and compliance with environmental laws and regulations can increase the cost of planning, designing, constructing, and operating water production and wastewater treatment facilities. Environmental laws can also inhibit growth and development within the District. Further, changes in regulations occur frequently, and any changes that result in more stringent and costly requirements could materially impact the District.

Air Quality Issues: Air quality control measures required by the United States Environmental Protection Agency (the “EPA”) and the TCEQ may impact new industrial, commercial and residential development in the District and surrounding area. Under the Clean Air Act (“CAA”) Amendments of 1990, the Dallas-Fort Worth area (“DFW Area”)—Collin, Dallas, Denton, Ellis, Johnson, Kaufman, Parker, Tarrant, and Wise Counties, and Rockwall County for the purposes of the 2008 Ozone Standards only—has been designated a nonattainment area under three separate federal ozone standards: the one-hour (124 parts per billion (“ppb”)) and eight-hour (84 ppb) standards promulgated by the EPA in 1997 (the “1997 Ozone Standards”); the tighter, eight-hour ozone standard of 75 ppb promulgated by the EPA in 2008 (the “2008 Ozone Standard”), and the EPA’s most-recent promulgation of an even lower, 70 ppb eight-hour ozone standard in 2015 (the “2015 Ozone Standard”). While Texas has been able to demonstrate steady progress and improvements in air quality in the DFW Area, the DFW Area remains subject to CAA nonattainment requirements.

The DFW Area is currently designated as a serious ozone nonattainment area under the 1997 Ozone Standards. On April 6, 2020, the EPA published final action of redesignation of the DFW to “attainment” for the 1997 Ozone Standards, which terminated the serious nonattainment area “anti-backsliding” requirements and left the DFW Area subject only to the nonattainment area requirements under the 2008 Ozone Standard and the 2015 Ozone Standard. However, the EPA stated that it lacked authority to redesignate areas to attainment under revoked standards. The 1997 Ozone Standards have been revoked.

On October 7, 2022, the EPA published final notice reclassifying the DFW Area from “serious” to “severe” under the 2008 Ozone Standard, effective November 7, 2022. As the DFW Area is now designated a “severe” nonattainment area, it must meet the attainment date of July 20, 2027, with an attainment year of 2026. The “severe” nonattainment classification provides for more stringent controls on emissions from the industrial sector. In addition, the EPA may impose a moratorium on the awarding of federal highway construction grants and other federal grants for certain public works construction projects if it finds that an area fails to demonstrate progress in reducing ozone levels.

On June 20, 2024, as requested by Texas Governor Greg Abbott, the EPA published final notice reclassifying the DFW Area from “moderate” to “serious” under the 2015 Ozone Standard, effective July 22, 2024. The requirements for an area designated as “serious” vary and establish several attainment deadlines ranging from January 1, 2026 to January 1, 2028, with such deadlines applicable to the specific requirements of the EPA’s final action.

In order to demonstrate progress toward attainment of the EPA’s ozone standards, the TCEQ has established a state implementation plan (“SIP”) for the DFW Area setting emission control requirements, some of which regulate the inspection and use of automobiles. These types of measures could impact how people travel, what distances people are willing to travel, where people choose to live and work, and what jobs are available in the DFW Area. These SIP requirements can negatively impact business due to the additional permitting/regulatory constraints that accompany this designation and because of the community stigma associated with a nonattainment designation. It is possible that additional controls will be necessary to allow the DFW Area to reach attainment with the ozone standards by the EPA’s attainment deadlines. These additional controls could have a negative impact on the DFW Area’s economic growth and development. As a result of the DFW Area’s reclassification, the TCEQ must submit revisions of the SIP to the EPA no later than January 1, 2026, addressing the “moderate” nonattainment classification.

Water Supply & Discharge Issues: Water supply and discharge regulations that municipal management districts, including the District, may be required to comply with involve: (1) groundwater well permitting and surface water

appropriation; (2) public water supply systems; (3) wastewater discharges from treatment facilities; (4) storm water discharges; and (5) wetlands dredge and fill activities. Each of these is addressed below:

Certain governmental entities regulate groundwater usage in the DFW Area. A municipal management district or other type of special purpose district that (i) is located within the boundaries of such an entity that regulates groundwater usage, and (ii) relies on local groundwater as a source of water supply, may be subject to requirements and restrictions on the drilling of water wells and/or the production of groundwater that could affect both the engineering and economic feasibility of district water supply projects.

Pursuant to the federal Safe Drinking Water Act (“SDWA”) and the EPA’s National Primary Drinking Water Regulations (“NPDWRs”), which are implemented by the TCEQ’s Water Supply Division, a municipal management district’s provision of water for human consumption is subject to extensive regulation as a public water system. Municipal management districts must generally provide treated water that meets the primary and secondary drinking water quality standards adopted by the TCEQ, the applicable disinfectant residual and inactivation standards, and the other regulatory action levels established under the agency’s rules. The EPA has established NPDWRs for more than ninety (90) contaminants and has identified and listed other contaminants which may require national drinking water regulation in the future. Further, the EPA has established a NPDWR for six (6) Per- and Polyfluoroalkyl Substances (“PFAS”), which requires public water systems to perform certain monitoring and remediation measures. Public water systems may be subject to additional PFAS regulation in the future, which could increase the cost of constructing, operating, and maintaining water production and distribution facilities.

Texas Pollutant Discharge Elimination System (“TPDES”) permits set limits on the type and quantity of discharge, in accordance with state and federal laws and regulations. The TCEQ reissued the TPDES Construction General Permit (TXR150000), with an effective date of March 5, 2023, which is a general permit authorizing the discharge of stormwater runoff associated with small and large construction sites and certain nonstormwater discharges into surface water in the state. It has a 5-year permit term and is then subject to renewal. Moreover, the Clean Water Act (“CWA”) and Texas Water Code require municipal wastewater treatment plants to meet secondary treatment effluent limitations and more stringent water quality-based limitations and requirements to comply with the Texas water quality standards. Any water quality-based limitations and requirements with which a municipal management district must comply may have an impact on the municipal management district’s ability to obtain and maintain compliance with TPDES permits.

Operations of utility districts, including the District, are also potentially subject to requirements and restrictions under the CWA regarding the use and alteration of wetland areas that are within the “waters of the United States.” The District must obtain a permit from the United States Army Corps of Engineers (“USACE”) if operations of the District require that wetlands be filled, dredged, or otherwise altered.

On May 25, 2023, the Supreme Court of the United States issued its decision in *Sackett v. EPA*, which clarified the definition of “waters of the United States” and significantly restricted the reach of federal jurisdiction under the CWA. Under the *Sackett* decision, “waters of the United States” includes only geographical features that are described in ordinary parlance as “streams, oceans, rivers, and lakes” and to adjacent wetlands that are indistinguishable from such bodies of water due to a continuous surface connection. Subsequently, the EPA and USACE issued a final rule amending the definition of “waters of the United States” under the CWA to conform with the Supreme Court’s decision.

While the *Sackett* decision and subsequent regulatory action removed a great deal of uncertainty regarding the ultimate scope of “waters of the United States” and the extent of EPA and USACE jurisdiction, operations of municipal utility districts, including the District, could potentially be subject to additional restrictions and requirements, including additional permitting requirements, in the future.

Potential Impact of Natural Disaster

The District could be impacted by a natural disaster such as wide-spread fires, earthquakes, or weather events such as hurricanes, tornados, tropical storms, or other severe weather events that could produce high winds, heavy rains, hail, and flooding. In the event that a natural disaster should damage or destroy improvements and personal property in the District, the assessed value of such taxable properties could be substantially reduced, resulting in a decrease in the taxable assessed value of the District or an increase in the District’s tax rates.

There can be no assurance that a casualty will be covered by insurance (certain casualties, including flood, are usually excepted unless specific insurance is purchased), that any insurance company will fulfill its obligation to provide insurance proceeds, or that insurance proceeds will be used to rebuild, repair, or replace any taxable properties in the District that were damaged. Even if insurance proceeds are available and damaged properties are rebuilt, there could

be a lengthy period in which assessed values in the District would be adversely affected. There can be no assurance the District will not sustain damage from such natural disasters.

National Weather Service Atlas 14 Rainfall Study

The National Weather Service recently completed a rainfall study known as NOAA Atlas 14, Volume 11 Precipitation-Frequency Atlas of the United States (“Atlas 14”). Floodplain boundaries within the District may be redrawn based on the Atlas 14 study based on a higher statistical rainfall amount, resulting in interim floodplain regulations applying to a larger number of properties and consequently leaving less developable property within the District. Such regulations could additionally result in higher insurance rates, increased development fees, and stricter building codes for any property located within the expanded boundaries of the floodplain.

Future and Proposed Legislation

Certain tax legislation, whether currently proposed or proposed in the future, may directly or indirectly reduce, or eliminate the benefit of the exclusion of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation, whether or not enacted, may also affect the value and liquidity of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any proposed, pending, or future legislation.

Risk Factors Related to the Purchase of Municipal Bond Insurance

The District has applied for a bond insurance policy (the “Policy”) to guarantee the scheduled payment of principal and interest on the Bonds. If the Policy is purchased, investors should be aware of the following risk factors:

The long-term ratings on the Bonds are dependent in part on the financial strength of the Insurer and its claim paying ability. The Insurer’s financial strength and claims paying ability are predicated upon a number of factors which could change over time. No assurance is given that the long-term ratings of the Insurer and of the ratings on the Bonds insured by the Insurer will not be subject to downgrade and such event could adversely affect the market price of the Bonds or the marketability (liquidity) for the Bonds. See “MUNICIPAL BOND INSURANCE AND RATINGS.”

LEGAL MATTERS

Legal Opinions

The District will furnish to the Initial Purchaser a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied upon all taxable property within the Defined Area of the District. The District will also furnish the approving legal opinion of Winstead PC, Dallas, Texas, Bond Counsel, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State, except to the extent that enforcement of the rights and remedies of the Registered Owners of the Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District and to the effect that interest on the Bonds is excludable from gross income for federal income tax purposes under the statutes, regulations, published rulings and court decisions existing on the date of such opinion, assuming compliance by the District with certain covenants relating to the use and investment of the proceeds of the Bonds. See “TAX MATTERS” below. The legal opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes, without legal limitation as to rate or amount, upon all taxable property within the Defined Area of the District. Bond Counsel’s opinion will also address the matters described below.

In addition to serving as Bond Counsel, Winstead PC, also serves as counsel to the District on matters not related to the issuance of bonds. The legal fees to be paid to Bond Counsel for services rendered in connection with the issuance of the Bonds are based upon a percentage of bonds actually issued, sold and delivered, and, therefore, such fees are contingent upon the sale and delivery of the Bonds. Certain legal matters will be passed upon for the District by Orrick, Herrington & Sutcliffe LLP, Houston, Texas, Disclosure Counsel.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal

opinion, the attorney does not become an insurer or guarantor of the expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction, nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

Legal Review

Bond Counsel has reviewed the information appearing in this Official Statement under “THE BONDS” (except for information under the subheadings “—Book-Entry-Only System,” and “—Use and Distribution of Bond Proceeds”), “THE DISTRICT—General,” “TAXING PROCEDURES,” “LEGAL MATTERS,” “TAX MATTERS,” and “CONTINUING DISCLOSURE OF INFORMATION” solely to determine whether such information, insofar as it relates to matters of law, is true and correct and whether such information fairly summarizes matters of law and the provisions of the documents referred to therein. Bond Counsel has not, however, independently verified any of the factual information contained in this Official Statement nor has it conducted an investigation of the affairs of the District for the purpose of passing upon the accuracy or completeness of this Official Statement. No person is entitled to rely upon Bond Counsel’s limited participation as an assumption of responsibility for or an expression of opinion of any kind with regard to the accuracy or completeness of any information contained herein.

No-Litigation Certificate

The District will furnish the Initial Purchaser a certificate, dated as of the date of delivery of the Bonds, executed by the authorized members of the Board, to the effect that no litigation of any nature has been filed or is to their knowledge then pending or threatened, either in state or federal courts, contesting or attacking the Bonds; restraining or enjoining the issuance, execution or delivery of the Bonds; affecting the provisions made for the payment of security for the Bonds; in any manner questioning the authority or proceedings for the issuance, execution or delivery of the Bonds; or affecting the validity of the Bonds.

No Material Adverse Change

The obligations of the Initial Purchaser to take and pay for the Bonds, and of the District to deliver the Bonds, are subject to the condition that, up to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the condition (financial or otherwise) of the District subsequent to the date of sale from that set forth or contemplated in the Preliminary Official Statement, as it may have been supplemented or amended through the date of sale.

TAX MATTERS

Opinion

On the date of initial delivery of the Bonds, Winstead PC, Dallas, Texas, Bond Counsel, will render its opinion that, in accordance with statutes, regulations, published rulings and court decisions existing on the date thereof (“Existing Law”), (1) interest on the Bonds for federal income tax purposes will be excludable from the “gross income” of the holders thereof and (2) the Bonds will not be treated as “specified private activity bonds” the interest on which would be included as an alternative minimum tax preference item under section 57(a)(5) of the Internal Revenue Code of 1986 (the “Code”); however, such interest is taken into account in determining the “annual adjusted financial statement income” (as defined in section 56A of the Code) of “applicable corporations” (as defined in section 59(k) of the Code) for the purpose of computing the alternative minimum tax imposed on corporations. Except as stated above, Bond Counsel will express no opinion as to any other federal, state or local tax consequences of the purchase, ownership or disposition of the Bonds.

In rendering its opinion, Bond Counsel will rely upon (a) certain information and representations of the District, including information and representations contained in the District’s federal tax certificate and (b) covenants of the District contained in the Bond documents relating to certain matters, including arbitrage and the use of the proceeds of the Bonds and the property financed or refinanced therewith. Failure by the District to observe the aforementioned representations or covenants could cause the interest on the Bonds to become taxable retroactively to the date of issuance.

The Code and the regulations promulgated thereunder contain a number of requirements that must be satisfied subsequent to the issuance of the Bonds in order for interest on the Bonds to be, and to remain, excludable from gross income for federal income tax purposes. Failure to comply with such requirements may cause interest on the Bonds to be included in gross income retroactively to the date of issuance of the Bonds. The opinion of Bond Counsel is conditioned on compliance by the District with such requirements, and Bond Counsel has not been retained to monitor compliance with these requirements subsequent to the issuance of the Bonds.

An “applicable corporation” (as defined in section 59(k) of the Code) may be subject to a 15% alternative minimum tax imposed under section 55 of the Code on its “adjusted financial statement income” (as defined in section 56A of

the Code) for such taxable year. Because interest on tax-exempt obligations, such as the Bonds, is included in a corporation's "adjusted financial statement income," ownership of the Bonds could subject a corporation to alternative minimum tax consequences.

Bond Counsel's opinion represents its legal judgment based upon its review of Existing Law and the reliance on the aforementioned information, representations and covenants. Bond Counsel's opinion is not a guarantee of a result. Existing Law is subject to change by Congress and to subsequent judicial and administrative interpretation by the courts and the Department of the Treasury. There can be no assurance that such Existing Law or the interpretation thereof will not be changed in a manner which would adversely affect the tax treatment of the purchase, ownership or disposition of the Bonds.

A ruling was not sought from the Internal Revenue Service by the District with respect to the Bonds or the property financed or refinanced with proceeds of the Bonds. No assurances can be given as to whether the Internal Revenue Service will commence an audit of the Bonds, or as to whether the Internal Revenue Service would agree with the opinion of Bond Counsel. If an Internal Revenue Service audit is commenced, under current procedures the Internal Revenue Service is likely to treat the District as the taxpayer and the Registered Owners may have no right to participate in such procedure. No additional interest will be paid upon any determination of taxability.

Tax Accounting Treatment of Original Issue Discount Bonds

The initial public offering price to be paid for one or more maturities of the Bonds is less than the principal amount thereof or one or more periods for the payment of interest on the Bonds may not be equal to the accrual period or be in excess of one year (the "Original Issue Discount Bonds"). In such event, the difference between (i) the "stated redemption price at maturity" of each Original Issue Discount Bond, and (ii) the initial offering price to the public of such Original Issue Discount Bond would constitute original issue discount. The "stated redemption price at maturity" means the sum of all payments to be made on the Bonds less the amount of all periodic interest payments. Periodic interest payments are payments which are made during equal accrual periods (or during any unequal period if it is the initial or final period) and which are made during accrual periods which do not exceed one year.

Under Existing Law, any owner who has purchased such Original Issue Discount Bond in the initial public offering is entitled to exclude from gross income (as defined in section 61 of the Code) an amount of income with respect to such Original Issue Discount Bond equal to that portion of the amount of such original issue discount allocable to the accrual period. For a discussion of certain collateral federal tax consequences, see discussion set forth below.

In the event of the redemption, sale or other taxable disposition of such Original Issue Discount Bond prior to stated maturity, however, the amount realized by such owner in excess of the basis of such Original Issue Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Original Issue Discount Bond was held by such initial owner) is includable in gross income.

Under Existing Law, the original issue discount on each Original Issue Discount Bond is accrued daily to the stated maturity thereof (in amounts calculated as described below for each six-month period ending on the date before the semiannual anniversary dates of the date of the Bonds and ratably within each such six-month period) and the accrued amount is added to an initial owner's basis for such Original Issue Discount Bond for purposes of determining the amount of gain or loss recognized by such owner upon the redemption, sale or other disposition thereof. The amount to be added to basis for each accrual period is equal to (a) the sum of the issue price and the amount of original issue discount accrued in prior periods multiplied by the yield to stated maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) less (b) the amounts payable as current interest during such accrual period on such Original Issue Discount Bond.

The federal income tax consequences of the purchase, ownership, redemption, sale or other disposition of Original Issue Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. All owners of Original Issue Discount Bonds should consult their own tax advisors with respect to the determination for federal, state and local income tax purposes of the treatment of interest accrued upon redemption, sale or other disposition of such Original Issue Discount Bonds and with respect to the federal, state, local and foreign tax consequences of the purchase, ownership, redemption, sale or other disposition of such Original Issue Discount Bonds.

Collateral Federal Income Tax Consequences

The following discussion is a summary of certain collateral federal income tax consequences resulting from the purchase, ownership or disposition of the Bonds. This discussion is based on Existing Law, which is subject to change or modification, retroactively.

The following discussion is applicable to investors, other than those who are subject to special provisions of the Code, such as financial institutions, property and casualty insurance companies, life insurance companies, individual recipients of Social Security or Railroad Retirement benefits, individuals allowed an earned income credit, certain S corporations with accumulated earnings and profits and excess passive investment income, foreign corporations subject to the branch profits tax, taxpayers qualifying for the health insurance premium assistance credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase tax-exempt obligations.

THE DISCUSSION CONTAINED HEREIN MAY NOT BE EXHAUSTIVE. INVESTORS, INCLUDING THOSE WHO ARE SUBJECT TO SPECIAL PROVISIONS OF THE CODE, SHOULD CONSULT THEIR OWN TAX ADVISORS AS TO THE TAX TREATMENT WHICH MAY BE ANTICIPATED TO RESULT FROM THE PURCHASE, OWNERSHIP AND DISPOSITION OF TAX-EXEMPT OBLIGATIONS BEFORE DETERMINING WHETHER TO PURCHASE THE BONDS.

Under section 6012 of the Code, holders of tax-exempt obligations, such as the Bonds, may be required to disclose interest received or accrued during each taxable year on their returns of federal income taxation. Section 1276 of the Code provides for ordinary income tax treatment of gain recognized upon the disposition of a tax-exempt obligation, such as the Bonds, if such obligation was acquired at a “market discount” and if the fixed maturity of such obligation is equal to, or exceeds, one year from the date of issue. Such treatment applies to “market discount bonds” to the extent such gain does not exceed the accrued market discount of such bonds; although for this purpose, a de minimis amount of market discount is ignored. A “market discount bond” is one which is acquired by the holder at a purchase price which is less than the stated redemption price at maturity or, in the case of a bond issued at an original issue discount, the “revised issue price” (i.e., the issue price plus accrued original issue discount). The “accrued market discount” is the amount which bears the same ratio to the market discount as the number of days during which the holder holds the obligation bears to the number of days between the acquisition date and the final maturity date.

Qualified Tax-Exempt Obligations

The District will **not** designate the Bonds as “Qualified Tax-Exempt Obligations” for financial institutions.

CONTINUING DISCLOSURE OF INFORMATION

In the Bond Order, the District has made the following covenants for the benefit of the holders of the Bonds. The District is required to observe these covenants for so long as it remains obligated to pay the Bonds. Under the covenants, the District will be obligated to provide certain updated financial information and operating data annually, as well as timely notice of specified events, to the Municipal Securities Rulemaking Board or any successor to its function as a repository (the “MSRB”), through its Electronic Municipal Market Access (“EMMA”) system.

Annual Reports

The District will provide certain updated financial information and operating data to the EMMA annually. The information to be updated includes all quantitative financial information and operating data with respect to the District of the general type included in this Official Statement under the headings “DISTRICT DEBT” (excluding the subsection titled “Direct and Estimated Overlapping Debt Statement”), “TAX DATA,” and “APPENDIX A.” The District will update and provide this information within six months after the end of each of its fiscal years ending in or after 2026.

Any information so provided shall be prepared in accordance with generally accepted auditing standards or other such principles as the District may be required to employ from time to time pursuant to state law or regulation and audited if the audit report is completed within the period during which it must be provided. If the audit report is not complete within such period, then the District shall provide unaudited financial statements for the applicable fiscal year to the MSRB within such six-month period and audited financial statements when and if the audit report becomes available.

The District’s fiscal year end is currently September 30. Accordingly, it must provide updated information by March 31 in each year commencing in 2027, unless the District changes its fiscal year. If the District changes its fiscal year, it will notify EMMA of the change.

Event Notices

The District will provide timely notices of certain events to the MSRB, but in no event will such notices be provided to the MSRB in excess of ten days after the occurrence of an event. The District will provide notice of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701 TEB) or other material notices or

determinations with respect to the tax-exempt status of the Bonds, or other events affecting the tax-exempt status of the Bonds; (7) modifications to rights of beneficial owners of the Bonds, if material; (8) bond calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar event of the District or other obligated person within the meaning of SEC Rule 15c2-12; (13) consummation of a merger, consolidation, or acquisition involving the District or other obligated person within the meaning of SEC Rule 15c2-12 or the sale of all or substantially all of the assets of the District or other obligated person within the meaning of the SEC Rule 15c2-12, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; (14) appointment of a successor or additional trustee or the change of name of a trustee, if material; (15) incurrence of a financial obligation of the District or other obligated person within the meaning of SEC Rule 15c2-12, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the District or other obligated person within the meaning of SEC Rule 15c2-12, any of which affect Beneficial Owners of the Bonds, if material; and (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the District or other obligated person within the meaning of SEC Rule 15c2-12, any of which reflect financial difficulties. The term “material” when used in this paragraph shall have the meaning ascribed to it under federal securities laws. Neither the Bonds nor the Bond Order makes any provision for debt service reserves or liquidity enhancement. The term “financial obligation” when used in this paragraph shall have the meaning ascribed to it under federal securities laws including meaning a (i) debt obligation; (ii) derivative instrument entered into in connection with or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term “financial obligation” does not include municipal securities for which a final official statement has been provided to the MSRB consistent with SEC Rule 15c2-12. In addition, the District will provide timely notice of any failure by the District to provide information, data, or financial statements in accordance with its agreement described above under “Annual Reports.”

Availability of Information from EMMA

The District has agreed to provide the information only to the MSRB. The MSRB has prescribed that such information must be filed via EMMA. The MSRB makes the information available to the public without charge and investors will be able to access continuing disclosure information filed with the MSRB at www.emma.msrb.org.

Limitations and Amendments

The District has agreed to update information and to provide notices of certain events only as described above. The District has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The District makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Bonds at any future date. The District disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its continuing disclosure agreement or from any statement made pursuant to its agreement, although holders of Bonds may seek a writ of mandamus to compel the District to comply with its agreement.

The District may amend its continuing disclosure agreement from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or operations of the District, but only if (1) the agreement, as amended, would have permitted an underwriter to purchase or sell Bonds in the offering made hereby in compliance with the SEC Rule 15c212, taking into account any amendments or interpretations of SEC Rule 15c2-12 to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate principal amount of the outstanding Bonds consent to the amendment or (b) any qualified professional unaffiliated with the District (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the holders and beneficial owners of the Bonds. If the District so amends the agreement, it has agreed to include with any financial information or operating data next provided in accordance with its agreement described above under “Annual Reports” an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information and operating data so provided. The District may also amend or repeal its continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the SEC Rule 15c2-12 or a court of final jurisdiction enters judgment that such provisions of such SEC Rule 15c2-12 are invalid, and the District also may amend its continuing disclosure agreement in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

Compliance with Prior Undertaking

The District has entered into continuing disclosure agreements in connection with the issuance of the Outstanding Road Bonds and the Bonds. Due to administrative oversights, Financial Information and Operating Data for fiscal year ended 2023 (i.e., July 31, 2023) was not timely filed with EMMA on or before the deadline of January 31, 2024; Financial Information and Operating Data for the fiscal year ended 2024 (i.e., July 31, 2024) was not timely filed with EMMA on or before the deadline of January 31, 2025; and Notice of the District's Resolution Adopting a Change in Fiscal Year from July 31 to September 30 of each year beginning with the year ending September 30, 2024 was not timely filed with EMMA. Such notices were filed on EMMA, including the notice of failure to file, on July 25, 2025. Additionally, Financial Information and Operating Data for fiscal year ended 2025 (i.e., September 30, 2025) was not timely filed on or before the deadline of March 31, 2026. Such information was filed on EMMA on April 3, 2026, and the notice of failure to file was filed on EMMA on September 25, 2026. All related information and notices have been filed as of this date. Except as mentioned above, in the last five (5) years, the District has complied in all material respect with such agreements and SEC Rule 15c2-12.

OFFICIAL STATEMENT

General

The information contained in this Preliminary Official Statement has been obtained primarily from the Master Developer, the District's records, the Engineer, the Tax Assessor/Collector, the Appraisal District, and other sources believed to be reliable; however, no representation is made as to the accuracy or completeness of the information contained herein, except as described below. The summaries of the statutes, resolutions and engineering and other related reports set forth herein are included subject to all of the provisions of such documents. These summaries do not purport to be complete statements of such provisions and reference is made to such documents for further information.

The District's audited financial statements for the year ended September 30, 2025, were prepared by McCall Gibson Swedlund Barfoot PLLC and have been included herein as "APPENDIX A." McCall Gibson Swedlund Barfoot PLLC has consented to the publication of such financial statements in this Official Statement.

Experts

The information contained in this Preliminary Official Statement relating to engineering and to the description of the Defined Area Road System and the Defined Area Utility System, and, in particular, that engineering information included in the sections entitled "THE BONDS—Use and Distribution of Bond Proceeds," "THE DISTRICT—Description and Location," and "DEVELOPMENT OF THE DISTRICT—Status of Development within the District" has been provided by the Engineer and has been included herein in reliance upon the authority of said firm as an expert in the field of civil engineering.

The information contained in this Preliminary Official Statement relating to assessed valuations of property generally and, in particular, that information concerning collection rates and valuations contained in the sections captioned "TAX DATA" and "DISTRICT DEBT" was provided by the Tax Assessor/Collector and the Appraisal District. Such information has been included herein in reliance upon the Tax Assessor/Collector's authority as an expert in the field of tax collection and the Appraisal District's authority as an expert in the field of property appraisal.

Certification as to Official Statement

The District, acting by and through its Board in its official capacity and in reliance upon the experts listed above, hereby certifies, as of the date hereof, that to the best of its knowledge and belief, the information, statements, and descriptions pertaining to the District and its affairs herein contain no untrue statements of a material fact and do not omit to state any material fact necessary to make the statements herein, in light of the circumstances under which they were made, not misleading. The information, descriptions, and statements concerning entities other than the District, including particularly other governmental entities, have been obtained from sources believed to be reliable, but the District has made no independent investigation or verification of such matters and makes no representation as to the accuracy or completeness thereof.

Updating of Official Statement

If, subsequent to the date of the Official Statement, the District learns, through the ordinary course of business and without undertaking any investigation or examination for such purposes, or is notified by the Initial Purchaser, of any adverse event which causes the Official Statement to be materially misleading, and unless the Initial Purchaser elects to terminate its obligation to purchase the Bonds, the District will promptly prepare and supply to the Initial Purchaser an appropriate amendment or supplement to the Official Statement satisfactory to the Initial Purchaser; provided, however, that the obligation of the District to so amend or supplement the Official Statement will terminate when the

District delivers the Bonds to the Initial Purchaser, unless the Initial Purchaser notifies the District in writing on or before such date that less than all of the Bonds have been sold to ultimate customers, in which case the District's obligations hereunder will extend for an additional period of time (but not more than 90 days after the date the District delivers the Bonds) until all of the Bonds have been sold to ultimate customers.

CONCLUDING STATEMENT

The information set forth herein has been obtained from the District's records, audited financial statements, and other sources that are considered to be reliable. There is no guarantee that any of the assumptions or estimates contained herein will ever be realized. All of the summaries of the statutes, documents, and resolutions contained in this Official Statement are made subject to all of the provisions of such statutes, documents, and resolutions. These summaries do not purport to be complete statements of such provisions and reference is made to such summarized documents for further information. Reference is made to official documents in all respects.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
North Parkway Municipal Management District No. 1
Collin County, Texas

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of North Parkway Municipal Management District No. 1 (the "District") as of and for the fourteen-month period ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2025, and the respective changes in financial position for the fourteen-month period then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and the Schedule of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual - General Fund be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The supplementary information required by the Texas Commission on Environmental Quality as published in the *Water District Financial Management Guide* is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS

FOR THE FOURTEEN-MONTH PERIOD ENDED SEPTEMBER 30, 2025

Management's discussion and analysis of North Parkway Municipal Management District No. 1's (the "District") financial performance provides an overview of the District's financial activities for the fourteen-month period ended September 30, 2025. Please read it in conjunction with the District's financial statements.

USING THIS ANNUAL REPORT

This financial report consists of a series of financial statements. The basic financial statements include: (1) combined fund financial statements and government-wide financial statements and (2) notes to the financial statements. The combined fund financial statements and government-wide financial statements combine both: (1) the Statement of Net Position and Governmental Funds Balance Sheet and (2) the Statement of Activities and Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances. This report also includes required and other supplementary information in addition to the basic financial statements.

GOVERNMENT-WIDE FINANCIAL STATEMENTS

The District's financial report includes two financial statements combining the government-wide financial statements and the fund financial statements. The government-wide financial statements provide both long-term and short-term information about the District's overall status. Financial reporting at this level uses a perspective similar to that found in the private sector with its basis in full accrual accounting and elimination or reclassification of internal activities.

The Statement of Net Position includes all of the District's assets, liabilities and, if applicable, deferred inflows and outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District as a whole is improving or deteriorating. Evaluation of the overall health of the District would extend to other non-financial factors.

The Statement of Activities reports how the District's net position changed during the current period. All current period revenues and expenses are included regardless of when cash is received or paid.

FUND FINANCIAL STATEMENTS

The combined statements also include fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District has three governmental fund types which account for the activities for the Defined Area No. 1. The General Fund accounts for property tax revenues as well as operating and administrative costs. The Debt Service Fund accounts for financial resources restricted, committed or assigned for servicing bond debt and the cost of assessing and collecting taxes on the Defined Area No. 1 bonds. The Capital Projects Fund accounts for financial resources restricted, committed or assigned for acquisitions or construction of facilities and related costs.

MANAGEMENT'S DISCUSSION AND ANALYSIS

FOR THE FOURTEEN-MONTH PERIOD ENDED SEPTEMBER 30, 2025

FUND FINANCIAL STATEMENTS (Continued)

Governmental funds are reported in each of the financial statements. The focus in the fund statements provides a distinctive view of the District's governmental funds. These statements report short-term fiscal accountability focusing on the use of spendable resources and balances of spendable resources available at the end of the period. They are useful in evaluating annual financing requirements of the District and the commitment of spendable resources for the near-term.

Since the government-wide focus includes the long-term view, comparisons between these two perspectives may provide insight into the long-term impact of short-term financing decisions. The adjustment columns, the Reconciliation of the Governmental Funds Balance Sheet to the Statement of Net Position and the Reconciliation of the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities explain the differences between the two presentations and assist in understanding the differences between these two perspectives.

NOTES TO THE FINANCIAL STATEMENTS

The accompanying notes to the financial statements provide information essential to a full understanding of the government-wide and fund financial statements.

OTHER INFORMATION

In addition to the financial statements and accompanying notes, this report also presents certain required supplementary information ("RSI") and other supplementary information. A budgetary comparison schedule is included as RSI for the General Fund.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of the District's financial position. In the case of the District, liabilities exceeded assets by \$5,810,545 as of September 30, 2025. The following is a comparative analysis of government-wide changes in net position:

MANAGEMENT'S DISCUSSION AND ANALYSIS

FOR THE FOURTEEN-MONTH PERIOD ENDED SEPTEMBER 30, 2025

FINANCIAL ANALYSIS OF THE DISTRICT'S GOVERNMENTAL FUND

The District's combined fund balances for the fourteen-month period as of September 30, 2025 were \$18,988,571, an increase of \$18,657,624 from the previous fiscal year.

The District's General Fund fund balance decreased by \$72,844 due to operating costs exceeding property tax revenues and other financing sources.

The Debt Service Fund fund balance increased by \$860,312 due to issuance of the Defined Area No. 1 Series 2025 Road Bonds.

The Capital Projects Fund fund balance increased by \$17,870,156 due to issuance of the Defined Area No. 1 Series 2025 Road Bonds.

GENERAL FUND BUDGETARY HIGHLIGHTS

The Board of Directors amended the budget for the fourteen-month period. Actual revenues were \$56,354 more than budgeted revenues, actual expenditures were \$201,848 more than budgeted expenditures and other financing sources were \$96,323 more than budgeted for. This resulted in a negative budget variance of \$49,171. See the budget to actual comparison for further information.

CAPITAL ASSETS

Capital assets as of September 30, 2025 total \$29,139,330 (net of accumulated depreciation) and include water, wastewater and drainage facilities, as well as paving, which the City of Celina will be responsible for maintaining. Additional information on the District's capital assets can be found in Note 6 of this report.

CAPITAL ASSETS (Continued)

The District is located within the city limits of the City of Celina, Texas (the “City”). In accordance with the Development, Settlement, and Annexation Agreement with the City, all roads, water supply and wastewater treatment and collection are conveyed to the City once constructed and placed into service (see Note 9). The City operates such conveyed facilities and is thereafter responsible for their operation and maintenance. The District is entitled to significant residual interest in the facilities conveyed and continues to record these facilities as District assets and records depreciation on these facilities in accordance with GASB Statement No. 94.

LONG TERM DEBT ACTIVITY

As of September 30, 2025, the District had total bond debt payable of \$23,415,000. The changes in the debt position of the District during the fourteen-month period are summarized as follows:

Bond Debt Payable, August 1, 2024	\$ 3,055,000
Add: Bond Sale - Series 2025 DA No. 1 Road	20,500,000
Less: Bond Principal Paid	<u>140,000</u>
Bond Debt Payable, September 30, 2025	<u>\$ 23,415,000</u>

The District’s bonds do not carry an underlying rating. The Series 2025 Defined Area No. 1 Road bonds carry an insured rating of “AA” from S&P by virtue of bond insurance issued by Build America Mutual Assurance Company. The above ratings reflect all rating changes as of September 30, 2025.

As of September 30, 2025, the District recorded an amount due to Developer of \$30,298,190 which consists of operating advances and construction projects funded by the Developer during the fourteen-month period and previous fiscal years.

Net Change in Funds - Governmental Funds	\$ 18,657,624
Amounts reported for governmental activities in the Statement of Activities are different because:	
Governmental funds report tax revenues when collected. However, in the Statement of Activities, revenue is recorded in the accounting period for which the taxes are levied.	(46,676)
Governmental funds do not account for depreciation. However, in the Statement of Net Position, capital assets are depreciated and the depreciation expense is recorded in the Statement of Activities.	(582,954)
In the Statement of Activities, conveyance of assets to other governmental activities is recorded as an expense.	
Governmental funds report bond premiums and bond discounts as other financing sources/uses in the year received/paid. However, in the Statement of Net Position, the bond premiums and bond discounts are amortized over the life of the bonds and the current year amortized portion is recorded in the Statement of Activities.	(122,903)
Governmental funds report bond principal payments as expenditures in the year paid. However, in the Statement of Net Position, bond principal payments are reported as decreases in long-term liabilities.	140,000
Governmental funds report interest expenditures on long-term debt as expenditures in the year paid. However, in the Statement of Net Position, interest is accrued on the long-term debt through fiscal year-end.	(28,551)
Governmental funds report bond proceeds as other financing sources. Issued bonds increase long-term liabilities in the Statement of Net Position.	<u>(20,500,000)</u>

NORTH PARKWAY MUNICIPAL MANAGEMENT DISTRICT NO. 1
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

NOTE 1. CREATION OF DISTRICT

North Parkway Municipal Management District No. 1 (the “District”) was created in 2019, through the acts of the 86th Texas Legislature. The District is empowered to facilitate the construction and continued maintenance of quality mixed-used residential and commercial development to benefit the residents of the City of Celina, Texas (the “City”) authorized under the legislation or Chapter 375, Local Government Code. The legislation empowers the District to levy special assessments to fund public improvements that benefit all or a substantial portion of the District. The Board of Directors held its organizational meeting on February 12, 2021.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as promulgated by the Governmental Accounting Standards Board (“GASB”). In addition, the accounting records of the District are maintained generally in accordance with the *Water District Financial Management Guide* published by the Texas Commission on Environmental Quality.

The District is a political subdivision of the State of Texas governed by an appointed board. GASB has established the criteria for determining whether or not an entity is a primary government or a component unit of a primary government. The primary criteria are that it has a separately appointed governing body, it is legally separate, and it is fiscally independent of other state and local governments. Under these criteria, the District is considered a primary government and is not a component unit of any other government. Additionally, no other entities meet the criteria for inclusion in the District’s financial statement as component units.

Financial Statement Presentation

These financial statements have been prepared in accordance with GASB Codification of Governmental Accounting and Financial Reporting Standards Part II, Financial Reporting (“GASB Codification”).

The GASB Codification sets forth standards for external financial reporting for all state and local government entities, which include a requirement for a Statement of Net Position and a Statement of Activities. It requires the classification of net position into three components: Net Investment in Capital Assets; Restricted; and Unrestricted. These classifications are defined as follows:

- Net Investment in Capital Assets – This component of net position consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets.

NORTH PARKWAY MUNICIPAL MANAGEMENT DISTRICT NO. 1
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Statement Presentation (Continued)

- Restricted Net Position – This component of net position consists of external constraints placed on the use of assets imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulation of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- Unrestricted Net Position – This component of net position consists of assets that do not meet the definition of Restricted or Net Investment in Capital Assets.

When both restricted and unrestricted resources are available for use, generally it is the District's policy to use restricted resources first.

Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities display information about the District as a whole. The District's Statement of Net Position and Statement of Activities are combined with the governmental fund financial statements. The District is viewed as a special-purpose government and has the option of combining these financial statements.

The Statement of Net Position is reported by adjusting the governmental fund types to report on the full accrual basis, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. Any amounts recorded due to and due from other funds are eliminated in the Statement of Net Position.

The Statement of Activities is reported by adjusting the governmental fund types to report only items related to current year revenues and expenditures. Items such as capital outlay are allocated over their estimated useful lives as depreciation expense. Internal activities between governmental funds, if any are eliminated by adjustment to obtain net total revenue and expense of the government-wide Statement of Activities.

Fund Financial Statements

As discussed above, the District's fund financial statements are combined with the government-wide financial statements. The fund financial statements include a Balance Sheet and Statement of Revenues, Expenditures and Changes in Fund Balances.

NORTH PARKWAY MUNICIPAL MANAGEMENT DISTRICT NO. 1
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Governmental Funds

The District has three governmental funds which account for the activities for the Defined Area No. 1 and considers each to be a major fund.

General Fund - To account for property tax revenues, as well as operating and administrative costs.

Debt Service Fund - To account for financial resources restricted, committed or assigned for servicing bond debt and the cost of assessing and collecting taxes.

Capital Projects Fund - To account for financial resources restricted, committed or assigned for acquisition or construction of facilities and related costs.

Basis of Accounting

The District uses the modified accrual basis of accounting for governmental fund types. The modified accrual basis of accounting recognizes revenues when both “measurable and available.” Measurable means the amount can be determined. Available means collectable within the current period or soon enough thereafter to pay current liabilities. The District considers revenue reported in governmental funds to be available if they are collectable within 60 days after year end. Also, under the modified accrual basis of accounting, expenditures are recorded when the related fund liability is incurred, except for principal and interest on long-term debt, which are recognized as expenditures when payment is due.

Property taxes considered available by the District and included in revenue include taxes collected during the year and taxes collected after year-end, which were considered available to defray the expenditures of the current year. Deferred inflows of resources related to property tax revenues are those taxes which the District does not reasonably expect to be collected soon enough in the subsequent period to finance current expenditures.

Amounts transferred from one fund to another fund are reported as other financing sources or uses. Loans by one fund to another fund and amounts paid by one fund for another fund are reported as interfund receivables and payables in the Governmental Funds Balance Sheet if there is intent to repay the amount and if the debtor fund has the ability to repay the advance on a timely basis. As of September 30, 2025, the Debt Service Fund owes the General Fund \$55,542 for maintenance tax collections.

NORTH PARKWAY MUNICIPAL MANAGEMENT DISTRICT NO. 1
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets, are reported in the government-wide Statement of Net Position. All capital assets are valued at historical costs or estimated historical costs if actual cost is not available. Donated assets are valued at their acquisition value on the date donated. Repairs and maintenance are recorded as expenditures in the government fund incurred and as expenses in the government-wide Statement of Activities. Capital assets additions, improvements and preservation costs that extend the life of an asset are capitalized and depreciated over the estimated useful life of the asset. Engineering fees and certain other costs are capitalized as part of the asset.

Assets are capitalized, including infrastructure assets, if they have an original cost greater than \$5,000 and a useful life of two years or more. Depreciation is calculated on each class of depreciable property using no salvage value and the straight-line method of depreciation. Estimated useful lives are as follows:

	<u>Years</u>
Water System	10-45
Wastewater System	10-45
Drainage System	10-45
Roads	35-45

The District is located within the city limits of the City of Celina, Texas (the “City”). In accordance with the Development, Settlement, and Annexation Agreement with the City, all roads, water supply and wastewater treatment and collection are conveyed to the City once constructed and placed into service (see Note 9). The City operates such conveyed facilities and is thereafter responsible for their operation and maintenance. The District is entitled to significant residual interest in the facilities conveyed and continues to record these facilities as District assets and records depreciation on these facilities in accordance with GASB Statement No. 94.

Budgeting

An annual unappropriated budget is adopted for the General Fund by the District’s Board of Directors. The budget is prepared using the same method of accounting as for financial reporting. The original General Fund budget for the current year was amended. The Schedule of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual – General Fund presents the original budget and revised budget amounts, if revised, compared to the actual amounts of revenues and expenditures for the current year.

Pensions

The District has not established a pension plan as the District does not have employees. The Internal Revenue Service has determined that the directors are considered to be “employees” for federal payroll tax purposes only.

Measurement Focus

Measurement focus is a term used to describe which transactions are recognized within the various financial statements. In the government-wide Statement of Net Position and Statement of Activities, the governmental activities are presented using the economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position, and cash flows. All assets and liabilities associated with the activities are reported. Fund equity is classified as net position.

Governmental fund types are accounted for on a spending or financial flow measurement focus. Accordingly, only current assets and current liabilities are included on the Balance Sheet, and the reported fund balances provide an indication of available spendable or appropriable resources. Operating statements of governmental fund types report increases and decreases in available spendable resources. Fund balances in governmental funds are classified using the following hierarchy:

Nonspendable: amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact. The District does not have any nonspendable fund balances.

Restricted: amounts that can be spent only for specific purposes because of constitutional provisions, or enabling legislation, or because of constraints that are imposed externally.

Committed: amounts that can be spent only for purposes determined by a formal action of the Board of Directors. The Board is the highest level of decision-making authority for the District. This action must be made no later than the end of the fiscal year. Commitments may be established, modified, or rescinded only through ordinances or resolutions approved by the Board. The District does not have any committed fund balances.

Assigned: amounts that do not meet the criteria to be classified as restricted or committed, but that are intended to be used for specific purposes. The District has not adopted a formal policy regarding the assignment of fund balances and does not have any assigned fund balances.

Unassigned: all other spendable amounts in the General Fund.

When expenditures are incurred for which restricted, committed, assigned or unassigned fund balances are available, the District considers amounts to have been spent first out of restricted funds, then committed funds, then assigned funds, and finally unassigned funds.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

	<u>\$ 23,415,000</u>	<u>\$ 22,554,986</u>	<u>\$ 45,969,986</u>

The bonds are payable from the proceeds of an ad valorem tax levied upon all property subject to taxation within the Defined Area, without limitations as to rate or amount.

During the current fiscal year, the District levied an ad valorem debt service tax rate of \$0.2736 per \$100 of assessed valuation, which resulted in a tax levy of \$217,362 on the adjusted taxable valuation of \$79,445,206 for the 2024 tax year. The bond orders require that the District levy and collect an ad valorem debt service tax sufficient to pay interest and principal on bonds when due and the cost of assessing and collecting taxes. See Note 7 for the maintenance tax levy.

All property values and exempt status, if any, are determined by the appraisal district. Assessed values are determined as of January 1 of each year, at which time a tax lien attaches to the related property. Taxes are levied around October/November, are due upon receipt and are delinquent the following February 1. Penalty and interest attach thereafter.

NOTE 4. SIGNIFICANT BOND ORDER AND LEGAL REQUIREMENTS

The District has covenanted that it will take all necessary steps to comply with the requirement that rebatable arbitrage earnings on the investment of the gross proceeds of the bonds, within the meaning of Section 148(f) of the Internal Revenue Code, be rebated to the federal government. The minimum requirement for determination of the rebatable amount is on the five-year anniversary of each issue.

NOTE 4. SIGNIFICANT BOND ORDER AND LEGAL REQUIREMENTS
(Continued)

The bond orders state that the District is required to provide to the state information depository continuing disclosure of annual financial information and operating data with respect to the District. The information is of the general type included in the annual audit report and must be filed within six months after the end of each fiscal year of the District.

NOTE 5. DEPOSITS AND INVESTMENTS

Deposits

Custodial credit risk is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. The District's deposit policy for custodial credit risk requires compliance with the provisions of Texas statutes.

Texas statutes require that any cash balance in any fund shall, to the extent not insured by the Federal Deposit Insurance Corporation or its successor, be continuously secured by a valid pledge to the District of securities eligible under the laws of Texas to secure the funds of the District, having an aggregate market value, including accrued interest, at all times equal to the uninsured cash balance in the fund to which such securities are pledged. At fiscal year end, the carrying amount of the District's deposits was \$48,773 and the bank balance was \$49,230. The District was not exposed to custodial credit risk at year-end.

The carrying values of the deposits are included in the Governmental Funds Balance Sheet and the Statement of Net Position as of September 30, 2025, as listed below:

	<u>Cash</u>
GENERAL FUND	\$ 774
SPECIAL REVENUE FUND	41,877

NOTE 5. DEPOSITS AND INVESTMENTS (Continued)

Investments

Under Texas law, the District is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity and that address investment diversification, yield, maturity, and the quality and capability of investment management, and all District funds must be invested in accordance with the following investment objectives: understanding the suitability of the investment to the District's financial requirements, first; preservation and safety of principal, second; liquidity, third; marketability of the investments if the need arises to liquidate the investment before maturity, fourth; diversification of the investment portfolio, fifth; and yield, sixth. The District's investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." No person may invest District funds without express written authority from the Board of Directors.

Texas statutes include specifications for and limitations applicable to the District and its authority to purchase investments as defined in the Public Funds Investment Act. The District has adopted a written investment policy to establish the guidelines by which it may invest. This policy is reviewed annually. The District's investment policy may be more restrictive than the Public Funds Investment Act.

The District invests in Local Government Investment Cooperative (LOGIC), an external investment pool that is not SEC-registered. The State Comptroller of Public Accounts of the State of Texas has oversight of the pool. J. P. Morgan Investment Management, Inc. (JPMIM) serves as investment advisor. Hilltop Securities and JPMIM manage the daily operations of the pool. LOGIC measures all of its portfolio assets at amortized cost. As a result, the District also measures its investments in LOGIC at amortized cost for financial reporting purposes. There are no limitations or restrictions on withdrawals from LOGIC.

NOTE 5. DEPOSITS AND INVESTMENTS (Continued)

Investments (Continued)

As of September 30, 2025, the District had the following investments:

Fund and Investment Type	Fair Value	Maturities of Less Than 1 Year
<u>GENERAL FUND</u>		
LOGIC	\$ 96,052	\$ 96,052
<u>SPECIAL REVENUE FUND</u>		
LOGIC	1,020,685	1,020,685

TOTAL INVESTMENTS	<u>\$ 18,981,268</u>	<u>\$ 18,981,268</u>

Credit risk is the risk that the issuer or other counterparty to an investment will not fulfill its obligations. The District's investments in LOGIC were rated AAAm by Standard and Poor's. Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The District considers the investments in LOGIC to have a maturity of less than one year due to the fact the share positions can usually be redeemed each day at the discretion of the District, unless there has been a significant change in value.

Restrictions

All cash and investments of the Debt Service Fund are restricted for the payment of debt service and the cost of assessing and collecting taxes. All cash and investments of the Capital Projects Fund are restricted for the purchase or construction of District infrastructure.

The District is located within the city limits of the City of Celina, Texas (the “City”). In accordance with the Development, Settlement, and Annexation Agreement with the City, all roads, water supply and wastewater treatment and collection are conveyed to the City once constructed and placed into service (see Note 9). The City operates such conveyed facilities and is thereafter responsible for their operation and maintenance. The District is entitled to significant residual interest in the facilities conveyed and continues to record these facilities as District assets and records depreciation on these facilities in accordance with GASB Statement No. 94.

NOTE 7. MAINTENANCE TAX

On November 2, 2021, the voters of the District approved the levy and collection of a maintenance tax not to exceed \$1.20 per \$100 of assessed valuation of taxable property within the District. This maintenance tax is to be used by the General Fund to pay expenditures of operating the District’s facilities as well as any other lawfully authorized purpose. During the year ended September 30, 2025, the District did not levy a maintenance tax.

NOTE 7. MAINTENANCE TAX (Continued)

On May 6, 2023, the voters of the MMD SF Defined Area No. 1 of the District approved the levy and collection of a maintenance tax not to exceed \$1.20 per \$100 of assessed valuation of taxable property within the Defined Area. This maintenance tax is to be used by the Defined Area to pay expenditures of operating the Defined Area's facilities as well as any other lawfully authorized purpose. During the year ended September 30, 2025, the District levied an ad valorem maintenance tax rate of \$0.1344 per \$100 of assessed valuation, which resulted in a tax levy of \$106,774 on the adjusted taxable valuation of \$79,445,206 for the 2024 tax year.

NOTE 8. DUE TO DEVELOPER

The District has executed agreements for the construction of improvements and reimbursement of advances with the Master Developer within the District. The agreement calls for the Master Developer to fund costs associated with water, wastewater, drainage, and road facilities and operating advances until such time as the District can sell bonds. As reflected in the Statement of Net Position, \$30,298,190 has been recorded as a liability for operating advances and construction costs.

The following table summarizes the current period activity related to unreimbursed developer costs for operating advances and construction costs:

Due to Master Developer, August 1, 2024	\$ 575,906
Additions	<u>29,722,284</u>
Due to Master Developer, September 30, 2025	<u>\$ 30,298,190</u>

NOTE 9. DEVELOPMENT AGREEMENT

Dynavest Joint Venture, the predecessor Master Developer to MM Celina 3200, LLC, entered into a Development, Settlement and Annexation Agreement with the City effective September 8, 2020. The Agreement has been amended on August 2, 2021 and September 14, 2021. Pursuant to the Agreement, the Master Developer has agreed to construct certain public improvements for the benefit of the Development. The Agreement provides the scope of the public improvements to be constructed, sets forth conditions for the issuance of bonds by the District and rules and regulations for the construction of the public improvements and provides the process for the development of all property within the Development. The bonds will be issued to provide funds for the costs of the public improvements and the Master Developer will pay or be reimbursed for the costs of the public improvements from proceeds of the bonds.

The Agreement also requires the City to construction a certain water line and a wastewater treatment plant.

NOTE 9. DEVELOPMENT AGREEMENT (Continued)

Pursuant to the Agreement, the City, District and Master Developer have agreed to set certain capital recovery fees for single-family residential lots and the City has created a tax increment reinvestment zone contiguous with the District.

Upon completion, the public improvements will be conveyed to the City for ongoing operation and maintenance. See Note 6 for additional information.

NOTE 10. BOND SALE

On September 18, 2025, the District issued \$20,500,000 of Single Family Defined Area No. 1 Unlimited Tax Road Bonds, Series 2025. Proceeds from the bonds were used to reimburse the Developers for paying improvements to serve Lennar Homes, Beazer Homes, Mattamy Homes, Del Webb, and Pulte. Additional proceeds were used to fund capitalized interest and to pay for issuance costs of the bonds.

NOTE 11. CONTRACT REVENUE AND SPECIAL ASSESSMENT REVENUE DEBT

The City has created a public improvement district (“PID”). From time to time, the District issues PID contract revenue and special assessment revenue bonds. Proceeds from the bonds are deposited into trust accounts with Wilmington Trust for the purpose of funding improvements. Wilmington Trust also serves as trustee for the bondholders. The bonds are special limited obligations of the District payable solely from assessments levied against parcels in the PID and other pledged funds held under the indenture. The bonds shall never be payable out of funds raised or to be raised by District taxation or from other revenues, properties, or income of the District. Further, the District has no moral or legal obligation for the payment of debt service on the PID contract revenue and special assessment revenue bonds from any sources other than assessments levied against parcels of the affected PID. Therefore, this debt has not been recorded as long-term debt of the District. However, for so long any PID contract revenue and special assessment revenue bonds are outstanding the District has covenanted to pursue all action permissible under applicable law to cause the assessment securing those bonds to be collected and the liens thereof enforced continually, and to cause no reduction, abatement, or exemption in the assessment which constitute the revenues pledged to the outstanding bonds.
